Fellowship Terms of Use and Service

"Revenue Laws relate to taxpayers [instrumentalities, officers, employees, and elected officials of the [national Government](#)] and not to non-taxpayers [[non-resident non-persons domiciled in states of the Union](#) without the exclusive jurisdiction of the Federal Government]. The latter are without their scope. No procedures are prescribed for non-taxpayers and no attempt is made to annul any of their Rights or Remedies in due course of law. With them[non-taxpayers] Congress does not assume to deal and they are neither of the subject nor of the object of federal revenue laws."
[[Economy Plumbing & Heating v. U.S., 470 F.2d. 585 \(1972\)](#)]

1 Introduction

This agreement governs all expressly authorized "uses" of materials or services offered by the Sovereignty Education and Defense Ministry (SEDM). The term "use" includes sending or submitting any information or materials on our site to any government, member of the legal profession, or court, including the output of any service. Any use of information, materials, or services available from Sovereignty Education and Defense Ministry in violation of this agreement is hereby established, agreed, and declared to be unauthorized by all those subject to said agreement. Unauthorized uses make those engaging in the use into Members in Bad Standing.

2 Taxation

The provisions in sections 2.2 and 2.3 below only pertain to those who either INTEND to use or ACTUALLY use our tax materials or services to interact with any third party in disputing or establishing a tax liability. I understand that if I do not satisfy this criteria, then I am **NOT subject** to the provisions of sections 2.2 and 2.3 and **need not** comply with them in my own personal tax situation as a human being. I understand that the ministry materials and services are NOT authorized to be used in connection with any artificial entities, trusts, corporations, etc., whether private or enfranchised, and that they may not be used in connection with my office or duties within any such entities. For the purposes of this section, the term "tax information or services" includes and is limited ONLY to:

1. [Federal response letters](#).
2. [State response letters](#).
3. All forms or publications relating to taxation on our [Forums Page](#). This includes ONLY:
 - 3.1. Sections [1.4](#), [1.7](#), [1.11.3](#), [1.15](#), and 5 of the [Forms Page](#).
 - 3.2. [Section 1.5 of the Forms Page](#): Forms 05.001, 05.002, 05.005-05.013, 05.020, 05.026, 05.028, 05.031, 05.035-05.036, 05.039.
4. All documents, pleadings, or books available on the [Litigation Tools page](#) relating to taxation.
5. Any of the tax related materials within our [Member Subscription Library](#).
6. Paralegal services such as document, research, or pleading preparation relating to taxation.
7. [Individual Master File \(IMF\) decoding services](#).
8. The [Master File Decoder](#) software.

The only reason for requiring compliance sections 2.2 and 2.3 of this agreement at all is to:

1. Prevent the misuse or abuse of our services or materials by statutory "taxpayers" in disputing their lawfully assessed tax liability. Such a situation might possibly be regarded as either harmful or a crime, and we don't ever want to be implicated or accused of committing any crime or injuring anyone, and least of all any government.
2. Protect us from lawsuits filed against us by members or governments.
3. Protect our speech, information, or services from being RECLASSIFIED as anything OTHER than nonfactual, nonactionable beliefs and opinions that can never become the subject of any litigation.
4. Protect our credibility and yours by preventing either you or us from being associated with unlawful, criminal, violent, or harmful activities.

Otherwise, the ministry doesn't care what my "taxpayer" status or degree of compliance is with sections 2.2 and 2.3 of this agreement. I agree that like God, the ministry is not a dogmatic or malicious control freak and they don't seek to force anyone to do anything other than simply not hurt anyone using ministry materials or services or use them to commit a crime. The [corrupted de facto government](#) isn't anywhere near this ethical, but the ministry would be hypocrites if we imitated the very same behavior of theirs that they so frequently criticize and oppose on this website.

I understand that I have as much time as I want to obtain and read anything I like from this website to my heart's content (without stealing or plagiarizing, of course) before I take my first step, even as a statutory "taxpayer". The ministry does not care how long I take to learn before I take my first step. I agree, however, to be in full compliance with every aspect of this agreement for all related tax years and periods BEFORE I take my first active step in disputing a tax liability against anyone. By "step" is understood to mean using any ministry tax information or service to dispute a tax liability either administratively or in a court of law against anyone, and especially a government.

2.1 Tax Perspective

As an ambassador of the one and only Sovereign, who is God, I hereby state that I am formally declaring, to any and all parties interested, the following based upon my understanding of enacted federal law regarding the Subtitle A of the federal income tax:

1. [The Legislative Intent of the 16th Amendment, written by President of the United States, William H. Taft on June 16, 1909](#), is the foundational document behind the [16th Amendment](#) to the Constitution of the United States. As this document is published in the Congressional Record of the United States Senate on pages 3344-3345 there can be no doubt as to the authenticity of this document and the expressions stipulated by the President.
2. President Taft stated in the Legislative Intent of the [16th Amendment](#) that the federal income tax was, as recommended to Congress, levied upon the Federal Government only. Therefore those individuals who make up the Federal Government are Federal Officers, Federal Employees, and Elected Officials of the Federal Government. See the [Great IRS Hoax, Form #11.302](#), Section 3.10.11.1 for further evidence supporting these conclusions.
3. The jurisdiction to which Subtitle A of the Internal Revenue Code is made applicable is upon:
 - 3.1. The “federal zone”, which is to say Washington, DC and U.S. territories and other insular possessions belonging to the Federal Government.
 - 3.2. Admiralty jurisdiction, which is the territorial waters of the United States.
 - 3.3. Those with a legal "domicile" within the federal zone, including statutory "citizens of the United States" under [8 U.S.C. §1401](#) or "residents" under [26 U.S.C. §7701\(b\)\(1\)\(A\)](#). Since I am not a domiciliary of the federal zone, then the provisions found in [26 U.S.C. §911](#) don't apply to me. See: [Why Domicile and Becoming a "Taxpayer" Require Your Consent](#), Form #05.002; <http://sedm.org/Forms/FormIndex.htm>
 - 3.4. Those with federal contracts or agency under [Federal Rule of Civil Procedure 17\(b\)](#). Since I have no such contracts, then no provision of the code can be extended beyond the federal zone to apply to me through the operation of private law. See: [Resignation of Compelled Social Security Trustee](#), Form #06.002; <http://sedm.org/Forms/FormIndex.htm>The reason for this was stated by President Taft in regard to the United States Supreme Court decision in the Pollock v. Farmer’s Loan & Trust case proving that the federal government does not have the power or the authority granted to it by the Constitution to impose an income tax upon the now 50 states of the Union.
4. The power to tax is the power to destroy.

"The power to tax involves the power to destroy; the power to destroy may defeat and render useless the power to create; and there is a plain repugnance in conferring on one government [THE FEDERAL GOVERNMENT] a power to control the constitutional measures of another [WE THE PEOPLE], which other, with respect to those very measures, is declared to be supreme over that which exerts the control."
[Van Brocklin v. State of Tennessee, [117 U.S. 151](#) (1886)]

The People created the sovereign States of the Union and through those initial States of the Union the Federal Government was created. That which was created can only be destroyed by that which created it (see [VanHorne's Lessee Dorrance, 2 U.S. 304 \(1795\)](#) and the [Great IRS Hoax, Form #11.302](#), Section 5.1.1).

*"What is a Constitution? It is the form of government, delineated by the mighty hand of the people, in which certain first principles of fundamental laws are established. The Constitution is certain and fixed; it contains the permanent will of the people, and is the supreme law of the land; it is paramount to the power of the Legislature, and can be revoked or altered only by the authority that made it. **The life-giving principle and the death-doing stroke must proceed from the same hand.**"*
[[VanHorne's Lessee v. Dorrance, 2 U.S. 304 \(1795\)](#)]

"The great principle is this: because the constitution will not permit a state to destroy, it will not permit a law [including a tax law] involving the power to destroy."
[[Providence Bank v. Billings, 29 U.S. 514 \(1830\)](#)]

As I am one of ‘We The People’ then the federal government, as expressed by the decisions of the United States Supreme Court per the Constitution of the United States, was created by the People. As proclaimed by the Founding Fathers to the Constitution, God, our Heavenly Father, created all life. The government did not create the People and therefore it is devoid of moral authority to directly destroy or undermine the sovereignty of those People:

"Remember the word that I said to you, "A servant is not greater than his master.' If they persecuted Me, they will also persecute you. If they kept My word, they will keep yours also."
[[John 15:20](#), Bible, NKJV]

*"Having thus avowed my disapprobation of the purposes, for which the terms, State and sovereign, are frequently used, and of the object, to which the application of the last of them is almost universally made; it is now proper that I should disclose the meaning, which I assign to both, and the application, [2 U.S. 419, 455] which I make of the latter. **In doing this, I shall have occasion incidentally to evince, how true it is, that States and Governments were made for [and BY] man; and, at the same time, how true it is, that his creatures and servants have first deceived, next vilified, and, at last, oppressed their master and maker.**"*
[Justice Wilson, [Chisholm v. Georgia, 2 Dall. \(2 U.S.\) 419, 1 L.Ed 440, 455 \(1793\)](#)]

Thus, the federal government has no authority to impose the Subtitle A federal income tax directly upon ‘We The People’ domiciled within states of the Union without apportionment, even WITH their consent. It is a legal impossibility to alienate rights which the Declaration of Independence says are UNalienable. Instead, it can tax only those who first change their physical domicile to federal territory and THEN volunteer or choose absent duress to make themselves subject to the requirements of the Internal Revenue Code by voluntarily entering into federal employment or conducting a "[trade or business](#)" or other voluntary excise taxable activity. See the [Great IRS Hoax, Form #11.302](#), Sections 5.1.1 and 5.2.11 for further evidence supporting this position.

5. Since 1939, the Internal Revenue Code has been repealed (see [53 Stat. 1, Section 4](#)) and is not now enacted into positive law. This is confirmed by examining the legislative notes under [1 U.S.C. §204](#). Neither have I ever seen a tax case where the government as the moving party has ever been required by any court to prove that a section of the I.R.C. they were citing as authority WAS positive law. This is an obvious violation of the Constitutional requirement for due process of law as well as a violation of my religious beliefs, which say in [Numbers 15:30](#) that “presumption” is a sin. “Presumption” and “due process” are mutually exclusive conditions, in fact. Consequently, Subtitle A of the I.R.C. is nothing but a repealed “code” and not an enacted

1 positive law. It is the “bible” for a state-sponsored religious cult. Therefore, it is an official, state-sponsored religion based on usually false “presumption”
2 which is observed only by those who voluntarily consent to join it and be bound by it. My beliefs prohibit me from joining such a damaging, socialist cult.

16 [\[Leviticus 20:26, Bible, NKJV\]](#)

- 17 6. There are no Implementing Regulations published in the Federal Register which impose the federal income tax upon American Nationals, of which I am
18 one. The requirement upon the Internal Revenue Service to publish any obligation is found in [5 U.S.C. §552\(a\)\(1\)](#), [5 U.S.C. §553\(a\)\(2\)](#), [26 C.F.R. §601.702\(a\)\(1\)](#),
19 [31 C.F.R. §1.3\(a\)\(4\)](#), and [44 U.S.C. §1505\(a\)](#). The Effect of Failure to Publish in the Federal Register is located in [26 C.F.R. §601.702\(a\)\(2\)\(ii\)](#) and [5 U.S.C. §552\(a\)\(1\)](#). It is my understanding from [a legal opinion letter written by Michael L. White, Federal Attorney, Office of the
20 Federal Register](#) that there are no Implementing Regulations which have imposed upon American Nationals an obligation for the Subtitle A federal income
21 tax who are not federal instrumentalities, federal employees, federal contractors, or federal benefit recipients. The only people who could lawfully be the
22 proper subjects of the I.R.C. Subtitle A income tax are therefore groups expressly exempted from the requirement for publication in the Federal Register
23 by [5 U.S.C. §553\(a\)](#) and [44 U.S.C. §1505\(a\)\(1\)](#). [Click here](#) for further details about the missing regulations that are required in order to lawfully enforce
24 Subtitle A of the Internal Revenue Code or read our Form #05.032. Neither can any of these requirements be waived in my case, because I neither consent
25 to be a “taxpayer”, nor do I have any income “effectively connected with a [trade or business](#)”, which is a public office in the United States government, as
26 required by [26 C.F.R. 1.1-1\(a\)\(2\)\(ii\)](#). Neither do I have any income from the “United States” under [26 U.S.C. §871\(a\)](#) that is not connected with a “trade
27 or business”. Therefore, my entire estate is classified as a “foreign estate” not subject to the Internal Revenue Code as defined in [26 U.S.C. §7701\(a\)\(31\)](#).
28 7. The meaning of the word “[income](#)” both at the time the [16th Amendment](#) was ratified and now means “corporate profit”, and that I am not a corporation or
29 a legal fiction called a “person” who is the proper subject of [Subtitle A](#) of the Internal Revenue Code. See the [Great IRS Hoax, Form #11.302](#), Sections
30 5.1.1 and 5.6.5 for a thorough analysis of why this is the only rational conclusion that a reasonable person can make.
31

32 **“Income has been taken to mean the same thing as used in the Corporation Excise Tax Act of 1909 (36 Stat. 112) in
33 the 16th Amendment, and in the various revenue acts subsequently passed.”**

34 [\[Bowers v. Kerbaugh-Empire Co., 271 U.S. 170, 174, \(1926\)\]](#)

35 I have come to my determination that I am one who is OUTSIDE the jurisdictional application for the federal income taxes expressed in [Subtitle A](#), [Subtitle B](#),
36 and/or [Subtitle C](#) by all the above and other information not mentioned. This conclusion was reached by me independently and voluntarily. I am a
37 “[NONTAXPAYER](#)” based upon enacted federal law and as such am neither of the subject nor of the object of federal revenue laws. I would like further education
38 and help from ‘SEDM’ and others in affiliation with this group in protecting my rights and my property as a person who has such legal status. I am being
39 compelled to pursue this education and participation in the ministry not only because the IRS and state taxing authorities won’t help or educate “nontaxpayers”,
40 but also self-servingly refuse to even acknowledge their existence in violation of [18 U.S.C. §208](#). I believe that this kind of bad faith behavior is a violation of
41 equal protection of the laws and a breach of fiduciary duty under the Constitution by our public DIS-servants.

42 **It is not within our constitutional tradition to enact laws [or protect PRACTICES or POLICIES] of this sort. [Central](#)**
43 **both to the idea of the rule of law and to our own Constitution's guarantee of equal protection is the principle that**
44 **government and each of its parts remain open on impartial terms to all who seek its assistance. “Equal protection**
45 **of the laws is not achieved through indiscriminate imposition of inequalities.” [Sweatt v. Painter, 339 U. S. 629,](#)**
46 **635 (1950) (quoting [Shellev v. Kraemer, 334 U. S. 1, 22 \(1948\)](#)). Respect for this principle explains why laws**
47 **singling out a certain class of citizens for disfavored legal status or general hardships are rare. A law declaring**
48 **that in general it shall be more difficult for one group of citizens than for all others to seek aid from the government**
49 **is itself a denial of equal protection of the laws in the most literal sense. “The guaranty of equal protection of the**
50 **laws 634*634 is a pledge of the protection of equal laws.” [Skinner v. Oklahoma ex rel. Williamson, 316 U. S.](#)**

2.2 Tax Returns and government correspondence

I understand that the ministry does not prepare or assist in the preparation of tax returns nor advise members to either file or not to file, and especially not for “taxpayers”. Instead, filing of returns is entirely my decision and responsibility, should I choose to do so. I agree that if I submit any kind of “return” to the Internal Revenue Service, that the return will be on a MODIFIED or SUBSTITUTE form 1040NR or 1040NR-EZ and NOT on a form 1040 from this point forward and for any tax years which I request help from SEDM for. I will use modified forms rather than standard government forms, because these forms either misrepresent my status or create false presumptions about me that could prejudice my Constitutional rights. When or if I submit such forms to the IRS, I will:

1. Attach corrected information returns prepared in accordance with the following:

[Correcting Erroneous Information Returns](http://sedm.org/Forms/FormIndex.htm), Form #04.001
<http://sedm.org/Forms/FormIndex.htm>

2. Attach the [Tax Form Attachment, Form #04.201](#) or a similar substitute to prevent “words of art” from injuring my rights.
3. Attach the [Affidavit of Citizenship, Domicile, and Tax Status, Form #02.001](#) or a similar substitute form to ensure that my status is accurately reflected in my administrative record.
4. NOT indicate a tax liability. The amount owed must be zero.
5. NOT identify myself as a “taxpayer”, an “individual”, a “U.S. person”, a “citizen” (which is a person born in the District of Columbia or the territories of the United States), or a “resident” (which is an alien) under federal law
6. NOT take any deductions (under [26 U.S.C. §162](#)), exemptions, or credits (under [26 U.S.C. §32](#)).
7. NOT indicate any earnings in connection with a “trade or business”, which is defined as a “public office” in [26 U.S.C. §7701\(a\)\(26\)](#).
8. NOT indicate any identifying number on the return other than possibly an Individual Taxpayer Identification Number (ITIN) applied for with an Amended Form W-7. If I need to reference an account associated with an SSN or TIN, I will attach correspondence sent to me by others that indicates the WRONG number and point out that it is WRONG. Only domiciliaries of federal territory can use or apply for an SSN or TIN and I am neither. Even the status described at 26 C.F.R. §301.6109-1(g)(1)(i), which is a “nonresident alien individual” rather than a “non-resident non-person”, is a public office with a domicile on federal territory.

I will do the above because SEDM does not and cannot help “taxpayers”, and violating any of the above constraints could contribute to producing evidence that makes me at least appear to be a “taxpayer” engaged in a taxable activity called a “trade or business”. I agree to read chapter 4 of the [Great IRS Hoax, Form #11.302](#) book, so that I can learn my correct citizenship status and rights, which is that of a STATUTORY “non-resident non-person”.

I also agree:

1. To resign as Compelled Social Security Trustee as described below:

[Resignation of Compelled Social Security Trustee](http://sedm.org/Forms/FormIndex.htm), Form #06.002
<http://sedm.org/Forms/FormIndex.htm>

2. To provide to the state and federal governments legal notice that I have legally divorced them and changed my domicile to the Kingdom of Heaven on Earth and/or the nonfederal areas within my de jure state.

[Legal Notice of Change in Domicile/Citizenship Records and Divorce from the United States](http://sedm.org/Forms/FormIndex.htm), Form #10.001
<http://sedm.org/Forms/FormIndex.htm>

3. To use Amended instead of standard government forms from the address below:

<http://famguardian.org/TaxFreedom/Forms/IRS/IRSFormsPubs.htm>

4. If compelled by threat of penalty to use standard government forms, to attach the following forms to the standard government forms according to the instructions provided:

[Tax Form Attachment](http://sedm.org/Forms/FormIndex.htm), Form #04.201
<http://sedm.org/Forms/FormIndex.htm>

5. If the company or organization requesting or compelling the use of the government form won't accept the withholding forms I submit off this website and insists on ONLY their own forms with the initial form or application, I agree to send via certified mail with a Proof of Service via postal mail AFTER the fraudulent and compelled transaction is completed:

- 5.1. A cover letter documenting the existence of the duress to the offending organization with the correct withholding forms, the [Tax Form Attachment, Form #04.201](#), and the [Affidavit of Citizenship, Domicile, and Tax Status, Form #02.001](#).
- 5.2. A criminal complaint to the government against the source of the duress.
- 5.3. Corrected information returns to the government with an attached criminal complaint that fixes the false reports that might result from the offending organization's false and fraudulent information return reports. I will use the Correcting Erroneous Information Returns, Form #04.001 to create the corrected information returns.

I will NEVER again put any government owned identifying number referenced in any federal statute, whether it be an [SSN](#), [TIN](#), or EIN, on ANY correspondence or government form that I send to the federal or state or local government authorities. I will redefine the meaning of terms on forms I am compelled to submit referencing government identifying numbers to imply a meaning OTHER than that mentioned in any federal statute or law by attaching the [Tax Form Attachment, Form #04.201](#). If the government sends me any correspondence or notice bearing an identifying number allegedly associated with me, I will dispute the number and renounce any connection as Trustee or fiduciary or beneficiary to any government program, entitlement, or benefit. I will do this because I may not accept the Mark of the Beast and may not fornicate with the beast by involving myself in “commerce” with it, as described in the following three articles:

1. [About SSNs/TINs on Tax Correspondence](#), Form #07.004:

<http://sedm.org/Forms/FormIndex.htm>

2. [Who are “taxpayers” and who needs a “Taxpayer Identification Number”?](#), Form #05.013

<http://sedm.org/Forms/FormIndex.htm>

3. [Social Security: Mark of the Beast](#), Form #11.407:

<http://sedm.org/Forms/FormIndex.htm>

2.3 Tax Withholding and Reporting

In the context of tax withholding and reporting, I agree from this point forward:

1. To stop submitting IRS Form W-4 or the equivalent state form to my private, non-federal employer except under duress because I am not an “employee” under the Internal Revenue Code.
2. To stop calling my earnings “wages” because the only people who can earn “wages” as legally defined are those who sign a contract or agreement as shown in [26 U.S.C. §3402\(p\)](#) and [26 C.F.R. §31.3401\(a\)-3](#).
3. To NOT describe myself as “exempt”, but rather “not subject”, or to at least define the term “exempt” as meaning “not subject” on any form that I fill out. See the following for the reasons why:

Flawed Tax Arguments to Avoid, Form #08.004, Section 6.11

<http://sedm.org/Forms/FormIndex.htm>

4. To identify myself instead as a statutory “non-resident non-person”, a “transient foreigner”, or simply “nonresident”.
5. If I am compelled to submit a standard, unmodified tax withholding or reporting form, I will attach the following forms and indicate on the government form “Not valid without the Tax Form Attachment and Affidavit of Citizenship, Domicile, and Tax Status signed and attached.”:
 - 5.1. *Tax Form Attachment*, Form #04.201
<http://sedm.org/Forms/FormIndex.htm>
 - 5.2. *Affidavit of Citizenship, Domicile, and Tax Status*, Form #02.001
<http://sedm.org/Forms/FormIndex.htm>
6. To NOT identify myself on any government form as an “taxpayer”, “employee”, “citizen”, “resident”, “individual”, “person”, “U.S. person”, “nonresident alien individual”, or “alien individual”. If any of these words appears near or under the signature block, I will line it out and put “Signer” or “non-resient non-person NONtaxpayer”.
7. To use the [modified form W-8BEN](#) to control my withholding and submit it using the instructions contained in the pamphlet entitled *Federal and State Tax Withholding Options for Private Employers, Form #09.001*. If I give my private employer anything, it will be to request *termination* of withholding as either an affidavit or a [W-8BEN](#).

The only circumstances where this requirement may be waived is any of the following:

1. My private employer threatens to fire me or not hire me for failure to submit a W-4. In this case, I will attach a statement to the W-4 indicating that I am under duress using the attachments provided in the pamphlet *Federal and State Tax Withholding Options for Private Employers, Form #09.001*.
2. My private employer directs me unlawfully to use the WRONG form or not to use the attachments provided and I feel threatened about losing my job and unable to sue him as he rightfully deserves. In that case, I will file AMENDED/CORRECTED/SUBSTITUTE information returns at the end of the year zero'ing out his fraudulent income reports and leaving the IRS with no evidence upon which to base an assessment. I will use the directions located below for that purpose:
Correcting Erroneous IRS Form W-2's, Form #04.006; <http://sedm.org/Forms/FormIndex.htm>

I agree to correct all information returns submitted against me promptly and regularly using the resources below, and to do everything that I can to prevent these false reports from being submitted to begin with.

1. *Correcting Erroneous Information Returns*, Form #04.001
<http://sedm.org/Forms/FormIndex.htm>
2. *Corrected Information Return Attachment Letter*, Form #04.002
<http://sedm.org/Forms/FormIndex.htm>
3. *Correcting Erroneous IRS Form 1042's*, Form #04.003
<http://sedm.org/Forms/FormIndex.htm>
4. *Correcting Erroneous IRS Form 1098's*, Form #04.004
<http://sedm.org/Forms/FormIndex.htm>
5. *Correcting Erroneous IRS Form 1099's*, Form #04.005
<http://sedm.org/Forms/FormIndex.htm>
6. *Correcting Erroneous IRS Form W-2's*, Form #04.006
<http://sedm.org/Forms/FormIndex.htm>

I will include copies of corrected information returns generated using the procedures above in all the following cases:

1. If I submit an IRS return or Tax Statement.
2. In response to every federal or state tax collection notice.
3. In every litigation involving my personal tax liability.

3 Terms of Use

I agree to abide by the SEDM page entitled “Terms of Use” appearing at the address below:

<http://sedm.org/footer/terms-of-use/>

Ministry reserves the right to change the Terms of Use at any time without notice to members, but agrees to post the latest version of the Terms of Use Policy at the above address on the World Wide Web at all times.

1 I agree that I will not involve SEDM in any tax years for which I did not completely follow these filing and withholding requirements, or did not retroactively
2 correct my status with the IRS and state taxing authorities to reflect compliance with these requirements for the years that I need help with. I acknowledge that
3 this requirement originates from the need to avoid jeopardizing my "nontaxpayer" and "non-resident non-person" filing status and to protect both my credibility
4 and that of SEDM.

5 **4 Prohibited Activities**

6 As a Member, I agree never to use any of the Ministry materials or services for an unlawful purpose, and agree never at any time to solicit the Ministry to engage
7 in any of the following specifically prohibited activities or use Ministry materials for any of the following purposes.

- 8 1. The following parties may read, download, or learn materials available through this website or ministry but may not use them during litigation as evidence,
9 attach them to a pleading, or submit them to any member of the government or legal professions in connection with any dispute, and especially legal
10 dispute, over tax liability:
 - 11 1.1. "taxpayers", "U.S. citizens", "U.S. persons", U.S. "residents", or those with income "effectively connected with a [trade or business](#) in the [United](#)
12 [States](#)". We assume no responsibility for the misuse of our materials by persons who violate our [Member Agreement](#).
 - 13 1.2. Atheists or those who do not believe in God. God's punishment for those who do not obey and respect Him and [His sacred laws](#) is slavery and
14 servitude, and we cannot interfere with His sovereign punishment for disobedience. To do otherwise would be to commit mutiny against God. We
15 cannot love God on the one hand, and interfere with the enforcement of His laws on the other hand. See [Great IRS Hoax, Form #11.302](#), Section
16 4.3.10 and our [Articles of Mission, Form #01.004](#) section 1.2 for evidence supporting this requirement of God's laws.

17 ***"The Lord is well pleased for His righteousness' sake; He will exalt the law [HIS law, not man's law] and make it***
18 ***honorable. But this is a people robbed and plundered! All of them are snared in [legal] holes [by the sophistry of***
19 ***greedy lawyers], and they are hidden in prison houses; they are for prey, and no one delivers; for plunder, and no***
20 ***one says, "Restore!"***

21 ***Who among you will give ear to this? Who will listen and hear for the time to come? Who gave Jacob for plunder,***
22 ***and Israel to the robbers? Was it not the Lord, He against whom we have sinned? For they would not walk in His***
23 ***ways, nor were they obedient to His law, therefore He has poured on him the fury of His anger and the strength of***
24 ***battle; it has set him on fire all around, yet he did not know; and it burned him, yet he did not take it to heart."***
25 ***[Isaiah 42:21-25, Bible, NKJV]***

- 26 1.3. Anyone who has filed a 1040 instead of the 1040NR as required by our [Member Agreement](#) or those who have indicated any tax liability or monies
27 owed to the IRS on their return for any period they require help with. No member may have any earnings which are "effectively connected with a
28 [trade or business](#)", which are earnings from a political office as described in [26 U.S.C. 7701\(a\)\(26\)](#). Instead, the income, property, and earnings of
29 our members are defined as a "foreign estate" under [26 U.S.C. §7701\(a\)\(31\)](#)
- 30 1.4. Businesses. We only help human beings and not "persons", "businesses", or artificial legal entities such as corporations or trusts or partnerships.
- 31 2. Getting involved in any kind of taxable or government-regulated activity, either under state or federal law. This would simply compromise our
32 independence and create a conflict of interest with our message. Consequently, we cannot and will not operate as a privileged federal or state "[corporation](#)"
33 or [501\(c\)\(3\)](#) entity. To do so would be to surrender our sovereignty by fulfilling the exceptions to the Foreign Sovereign Immunities Act found at [28 U.S.C.](#)
34 [§1605\(a\)\(2\)](#).
- 35 3. Advocating or knowingly ("[willfully](#)") engaging in any kind of illegal activity, including fraud.
- 36 4. Taking any kind of leadership or power of attorney role over the lives of others. This includes, giving legal advice, making determinations about the legal
37 status of a person, or assuming legal liability for the decisions or actions of others. As educators and paralegals but not lawyers, the most we can do is offer
38 information to people about options they have in a given situation and then explain to them the consequences of each option by showing them what the law
39 and the courts say on the subject. We will never offer less than two options and we will always suggest that the options we are aware of may not include
40 all of the options available or necessarily even the best option. We will also tell our Members that the decision of which option to take is entirely their
41 responsibility and not ours. On the occasion of every inquiry by a Member, we will also tell people that they should research and confirm everything we
42 say and not trust anyone, including us, for complete or error-free information about the options available to them. We will never be anything more than
43 servants of the sovereign People we serve on this website and assuming any other role undermines their sovereignty.
- 44 5. Preparing tax returns for others or advising anyone in the preparation of returns. All our members prepare their own returns, and the only type of return
45 they are allowed to prepare and not violate our [Member Agreement](#) is a 1040NR or 1040NR-EZ return that has no tax liability listed.
- 46 6. Making any promises or assurances about either the accuracy or the success of any of the educational resources or processes we offer. Anyone who promises
47 you ANY result or promises you entirely error free material is quite frankly a presumptuous FOOL. This is especially true in a field so deliberately and
48 systematically obfuscated and propagandized by the government as taxation. The most we are therefore authorized to do is keep scientific statistics on the
49 success of our methods and reveal those carefully maintained statistics to interested parties. The ministry DOES NOT authorize ANYONE to share
50 subjective opinions about the effectiveness of our methods or materials. Any such representations by anyone associated with or involved with SEDM
51 should be considered unauthorized, untrustworthy, and probably UNTRUE and neither we nor anyone in the ministry assume any liability for such clearly
52 false statements. The one and only thing we can guarantee is that we as believers in God (whatever God you believe in) are going to be persecuted by evil
53 people in the world, just as Jesus was, for obeying God's moral laws and following Jesus' example. The persecution will come because our actions, our
54 example, and our deeds to expose the Truth will be a silent reproach and mockery to evil people throughout the world, and especially in places where such
55 evil people congregate and concentrate, such as in government. Places where power is consolidated and centralized attract WICKED people who lust for
56 power and who want to conceal knowledge of their treacherous, selfish, and tyrannical acts.

57 ***"He who believes in Him [Jesus, the Son of God] is not condemned ; but he who does not believe is condemned***
58 ***already, because he has not believed in the name of the only begotten Son of God. And this is the condemnation,***
59 ***that the light [of God's Truth spread by His followers] has come into the world, and men loved darkness rather***
60 ***than light, because their deeds were evil. For everyone practicing evil hates the light and does not come to the***
61 ***light, lest his deeds should be exposed. But he who does the truth comes to the light, that his deeds may be clearly***
62 ***seen, that they have been done in God."***
63 ***[John 3:18-21, Bible, NKJV]***

1 Furthermore, the more we attempt to separate ourselves from evil people or evil in government and the more dogmatic we become about insisting on
2 obeying God's moral laws when they conflict with man's laws, the more these evil people will try to persecute us, just as they did with the early Jews.

3 *"Look, I am sending you out as sheep among [de facto government] wolves. Be as wary as snakes and harmless as
4 doves. But beware! For you will be handed over to the [corrupted] courts [by licensed attorneys with a conflict of
5 interest] and beaten in the synagogues[501(c)(3) corrupted churches that worship Caesar instead of God]. And you
6 must stand trial before governors and kings [and federal judges, who are the equivalent of modern-day Monarchs]
7 because you are my followers. This will be your opportunity to tell them about me—yes, to witness to the world. When
8 you are arrested [by the de facto corporate government MAFIA because you threaten their organized crime ring],
9 don't worry about what to say in your defense, because you will be given the right words at the right time. For it won't
10 be you doing the talking—it will be the Spirit of your Father speaking through you.*

11 *"Brother will betray brother to death, fathers will betray their own children [by aborting them or selling them into
12 federal slavery by giving them Social Security Numbers, the "badge of allegiance to the Beast", and by falsely claiming
13 they are statutory "U.S. citizens" on tax returns], and children will rise against their parents [using Child Protective
14 Services] and cause them to be killed [or persecuted by a zealous state eager to justify its existence and expand its
15 jurisdiction at the expense of our sovereignty and Constitutional Rights]. And everyone [and especially misbehaving
16 public DIS-servants] will hate you [and persecute you illegally and unconstitutionally] because of your [exclusive]
17 allegiance to me [God]. But those who endure [and expose the Truth] to the end will be saved [and thereby prevent
18 eternal harm at the price of temporary earthly discomfort]. When you are persecuted in one town, flee to the next. I
19 assure you that I, the Son of Man, will return before you have reached all the towns of Israel.*

20 *"A student is not greater than the teacher. A [public] servant is not greater than the [Citizen] master. The student
21 [us] shares the teacher's [Jesus'] fate. The servant [believers and followers of God] shares the master's [Jesus'] fate.
22 And since I, the master of the household, have been called the prince of demons, how much more will it happen to
23 you, the members of the household! But don't be afraid of those [thieves and tyrants masquerading as "public
24 servants"] who threaten you. For the time is coming when everything will be revealed [and evil punished at the final
25 judgment]; all that is secret will be made public. **What I tell you now in the darkness, shout [from websites like this
26 one] abroad when daybreak comes. What I whisper in your ears, shout from the housetops for all to hear [and on
27 websites like this one that are outside of government jurisdiction]!***

28 *"Don't be afraid of those who want to kill you. They can only kill your body; they cannot touch your soul. **Fear [and
29 obey] only God [and His laws, not the government's unless they are consistent with God's laws], who can destroy
30 both soul and body in hell.** Not even a sparrow, worth only half a penny, can fall to the ground without your Father
31 knowing it. And the very hairs on your head are all numbered. So don't be afraid; you are more valuable to him than
32 a whole flock of sparrows."
33 *[Jesus in [Matt. 10:16-31](#), Bible, New Living Translation]**

- 34 7. "Representing" anyone before the IRS or the government. For instance, we will never allow our members to file an IRS form 2848 giving us any kind of
35 power of attorney to represent anyone. Instead, all members of the ministry shall assume complete and sole responsibility for preparing and submitting any
36 correspondence that they may send to government authorities. That is the ONLY way to maintain their anonymity and prevent them from becoming targets
37 for wrongful and illegal government persecution.
- 38 8. Advertising or marketing. All of our nontaxpayer members will be introduced by referrals from satisfied Members and through hits on our public website.
39 We will not offer any kind of affiliate program or commission structure to anyone, because we believe this compromises the integrity of our message.
- 40 9. Offering Credit repair services of any kind.
- 41 10. Debt cancellation using the UCC or bogus securities such as use of "Bills of Exchange".
- 42 11. Offering any kind of information or service unofficially, such as via email, in person, or via telephone, that does not already appear within our online store.
- 43 12. Creating or administering asset protection vehicles for members, such as trusts or corporations soles.
- 44 13. Providing legal representation in courts of justice. We may provide "assistance of counsel" but not legal representation, because we don't want to undermine
45 the sovereignty of our Members that we intend to serve, nor do we wish to be harassed or persecuted by a corrupted legal profession intent on prosecuting
46 people for practicing law "without a license", even though there is no such thing as a "license to practice law" and doing so creates an illegal monopoly on
47 INjustice on the part of the legal profession.
- 48 14. [Commerce](#) within the legislative jurisdiction of the United States government. All donations to this religious ministry will occur via eCommerce using an
49 webserver and using bank account(s) that are outside the country.
- 50 15. Using donations provided to directly support the activities or information that they were incident to. This means, for instance, that if a donation is made
51 for a response letter, then the donation may not be used directly for preparing response letters but will be used for other purposes. This constraint applies
52 to the ministry but not the member making the donation.
- 53 16. Claiming that it is one's citizenship status that primarily or exclusively determines tax liability. Instead, it is one's domicile and being engaged in excise
54 taxable activities such as a "trade or business" that primarily determine tax liability. See the following articles for details:
55 16.1. [The "trade or business" scam, Form #05.001](#)
56 16.2. [Why domicile and becoming a "taxpayer" require your consent, Form #05.002](#)
- 57 17. Offering any kind of investment, classes about investing, or "[tax shelters](#)" based on anything available on the SEDM website.
- 58 18. Advocacy of or participation in gambling, poker, roulette, slots, card games, etc. Gambling is an addictive and sinful activity that destroys families and
59 enslaves people. See [Family Constitution](#), Form #13.003, Sections 8.4.4 through 8.4.4.2 for more information on this sinful behavior.
- 60 19. Flattering or ingratiating any of our members, volunteers, or contributors. THE ONLY thing this website is allowed to glorify is the one and only God, and
61 not any vain man. We are ALL God's servants, we are ALL EQUAL under God's laws, and our Father in Heaven DOESN'T play favorites for anyone
62 because He is a Righteous God!
- 63 20. Offering information or assistance to people in starting or stopping income tax withholding or giving advice about withholding.
- 64 21. "Assuming" or "[presuming](#)" anything, and especially in regards to the authority of our public servants.

1 *"Anyone entering into an arrangement with the government takes the risk of having accurately ascertained that he*
2 *who purports to act for the government stays within the bounds of his authority, even though the agent himself may*
3 *be unaware of the limitations upon his authority."*
4 *[Federal Crop Insurance v. Merrill, 332 U.S. 380-388 (1947)]*

5 *"The power to create presumptions is not a means of escape from constitutional restrictions,"*
6 *[New York Times v. Sullivan, 376 U.S. 254 (1964)]*

7 "Presumption" is a biblical sin under [Numbers 15:30](#) that turns a government into a religion and destroys the rule of law (see [Presumption: Chief Weapon](#)
8 [for Unlawfully Enlarging Federal Jurisdiction, Form #05.017](#)). The ONLY thing we can rely on without sinning and violating Constitutional due process
9 in the process of establishing the authority of public servants is the Bible and enacted, unrepealed, [positive law](#), and to abstain from consenting to or putting
10 any faith at all in any statute that is not explicitly enacted into positive law by the consent of the governed through their elected representatives. The [Internal](#)
11 [Revenue Code](#), as revealed in the legislative notes under [1 U.S.C. §204](#), is NOT [positive law](#) and therefore imposes no obligation upon anyone who does
12 not consent to be subject to its provisions by a voluntary, uncoerced, fully-informed act of free choice. Furthermore, human beings protected by the
13 Constitution are FORBIDDEN by the organic law from forfeiting any right to a de jure government by consenting. Hence, the I.R.C. cannot lawfully be
14 enforced within a state of the Union and may only be enforced within federal territory or those domiciled on federal territory, wherever situated. Please
15 rebut the following if you disagree:

16 21.1. [Requirement For Consent](#), Form #05.003; <http://sedm.org/Forms/FormIndex.htm>.

17 21.2. [Great IRS Hoax, Form #11.302](#), Sections 5.4.

18 **5 Copyright/software/user license agreement**

19 All information, communication, classes, and educational materials provided by the ministry or its agents are subject to the following copyright/software license
20 agreement terms and conditions.

21 I agree never to sell any of the materials or information offered by 'SEDM' and others in affiliation with this group to any third party. I understand that any
22 electronic documents or books downloaded digitally from the ministry bookstore, sent by email or regular mail to me by the ministry may only be used by me,
23 my wife, or my children and not any other third parties. I agree to reimburse 'SEDM' and others in affiliation with this group for any damages that result from
24 violating the provisions contained in this paragraph.

25 Use of the SEDM web site or any of the materials found on it or any attempt to communicate with us verbally, in writing, or via email constitutes an implied
26 and mandatory agreement by the user to:

- 27 1. Never use or abuse the materials or services provided on this website for or in connection with:
 - 28 1.1. An illegal purpose that violates any enacted positive law which applies within the jurisdiction where you are situated or domiciled.
 - 29 1.2. An unlawful purpose.
 - 30 1.3. An injurious purpose cognizable under the common law of the jurisdiction where you are situated.
- 31 2. Take full complete, exclusive, and personal responsibility for the consequences of any violations of law or injuries that might occur by virtue of using the
32 materials or services available through this website.
- 33 3. *Never* register a complaint about this website, the people who run it, or its contents to any law enforcement or government organization. Nothing this
34 Ministry does is actionable on the part of those who use the information herein.
- 35 4. *Never* provide evidence about their experiences with this website to law enforcement or government that might be used to prosecute or punish the
36 Ministry, any agent or officer, or any Member.
- 37 5. Compensate the officers and Members of SEDM in full for legal and attorney fees and personal time associated with defending himself/herself against
38 any complaints registered by or evidence provided by the user to either government or law enforcement regarding this website, the materials on it, or any
39 communications with us.
- 40 6. Substitute himself/herself as being liable for any judgments against this Ministry or its agents or Members relating to complaints filed by him/her or
41 evidence provided by him/her to third parties or litigation initiated by him/her which result in prosecution of this Ministry or its agents or Members for
42 the activities or offerings of the Ministry.
- 43 7. If any evidence or information is used from this website in a court trial, then the party to the suit calling the witness AND the witness submitting it to any
44 court stipulates with the Ministry as a condition of the copyright license, pursuant to [Federal Rule of Civil Procedure 29](#) and the [Federal Rules of](#)
45 [Criminal Procedure](#):
 - 46 7.1. To admit THE ENTIRE website into evidence (except the rebuttal letters), including but not limited to the [Sovereignty Research DVD, Form](#)
47 [#11.101](#); [Tax Deposition CD, Form #11.301](#), [Family Guardian Website DVD, Form #11.103](#), [Great IRS Hoax, Form #11.302 book](#), etc.. No part
48 of the website can be admitted without the ENTIRE website also being admitted and subject to examination by the jury.
 - 49 7.2. That everything contained on this website is factual, truthful, actionable, and accurate IN THEIR CASE but not in the case of any other Member or
50 officer of the Ministry.
 - 51 7.3. To take complete and personal and exclusive responsibility for all consequences arising out of the nature of evidence they provide as being factual
52 or actionable.
- 53 8. Agree never to refer to anything on this website as an "investment", "[tax shelter](#)", "business", or "[trade or business](#)" as defined in the Internal Revenue
54 Code, or anything other than religious worship. None of the donations made to this Ministry are refundable, and therefore they cannot be referred to as
55 "investments", nor are Ministry offerings available to "[taxpayers](#)", who are the only proper audience for "[tax shelters](#)" to begin with.
- 56 9. If any litigation results from the materials or information offered here:
 - 57 9.1. Members and users agree to litigate ONLY in a state court WITH a jury trial under the laws of the state and not the federal government, and to
58 allow the jury to rule on BOTH the facts AND the law. No member of the jury or the judge may be either a "[taxpayer](#)", a "[U.S. citizen](#)" under [8](#)
59 [U.S.C. §1401](#), or be in receipt of any government benefit, to ensure that the trial is completely impartial. They also agree to allow us to say
60 anything we want to the jury and call any witnesses we wish, and not to object to or rule out any of our testimony or our witnesses.
 - 61 9.2. If the party using the materials off this website for litigation is any state or federal government or any employee or agent thereof, then they
62 stipulate with the accused party to answer the admissions and interrogatories at the end of each and every [Memorandum of Law on the Forms/Pubs](#)
63 [Page, Section 1.5](#) in their entirety on a signed affidavit, and to provide at least an "Admit" or "Deny" answer to each question. Any question not

1 answered by the government or its agents shall be deemed to be "Admit". They also stipulate to admit their response to the questions into evidence
2 in any trial involving this website or the activities of the Ministry or its officers, volunteers, or members. They also agree to publish for all time
3 and eternity the original questions and their answers on the IRS and state revenue website in a conspicuous place for the entire public to read.

4 9.3. None of the persons called as witnesses by either side at any trial involving this Ministry may work for the federal or state government, receive
5 retirement benefits from the government, receive financial benefits of any kind from the government, nor be "taxpayers", "U.S. citizens", or "U.S.
6 residents". This will ensure that the all witnesses called will be completely objective, neutral, and unbiased.

7 9.4. Users and readers of our materials stipulate that their duty and allegiance to abide by this agreement is *superior to* their employment duties and any
8 other agency they may claim to be exercising. Judicial, sovereign, or official immunity are therefore subordinate to the terms of this agreement.
9 Readers and users of our materials agree that any and all lawsuits in which they are participants acting by or for or as witnesses for the Plaintiff
10 shall be deemed to be filed by them personally, regardless of the party which they claim to be representing or which is named on the Complaint.
11 For instance if a government attorney named "John Doe" quotes or uses our licensed materials in any legal proceeding in which he or she is the
12 Plaintiff or an agent for the Plaintiff, and files the lawsuit in the name of the "United States", this agreement stipulates that the definition of
13 "United States" or "United States of America" shall instead mean "John Doe" and John Doe stipulates that he is acting by and on his own behalf
14 and not on the behalf of the government of the states united by and under the Constitution of the United States of America. This will ensure that
15 the plaintiff or prosecuting attorney does not try to claim that he had no authority to bind the U.S. government to abide by this agreement. An
16 important implication of this provision is that if John Doe prosecutes this case on paid time for the U.S. Government, then he can and will be fired
17 and disciplined for conducting private business on company time.

18 10. Members who violate this agreement, who work either directly for the government in the legal or tax profession or as contractors for these functions, and
19 who participate as either witnesses, informants, litigants, or representatives in any litigation directed against this Ministry or its volunteers, members, or
20 officers agree to a personal liability/fine of \$300,000 payable out of their private funds and which they agree NOT to accept reimbursement for from the
21 government. Payment shall occur to the Ministry or its designated representative BEFORE any trial is heard which involves them and is against this
22 Ministry. Government employees and/or informants involved as either plaintiffs, defendants, or witnesses in litigation directed against the Ministry or its
23 agents also stipulate NOT to accept or use government counsel in their defense or offense, and instead to either handle the case personally or hire a
24 private attorney at their own expense.

25 11. Always use the very latest version of any information and this agreement provided on this website in any litigation, and to dispose of and stipulate NOT
26 to admit into evidence any information that is older. They agree to apply the current terms of this agreement retroactively to any behavior of theirs that
27 might adversely affect this website or Ministry, and especially in respect to any litigation they might initiate or become involved in that is against this
28 Ministry, its agents, or participants. Ministry reserves the right to modify the terms of this agreement without notice to User and User waives the right to
29 complain about or challenge this provision.

30 12. Bring any false statements noted on this website, in any educational materials we provide, or in any of our statements to our attention immediately at the
31 time noticed and give us an opportunity to remedy it BEFORE pursuing any litigation or injunctions against us because any information provided is
32 false. If we are physically able to correct the erroneous information, then we will do so immediately, provided that your comments are accompanied with
33 credible, admissible evidence that the information provided is wrong. If this requirement is not heeded by the reader, then the reader agrees to:

34 12.1. Forfeit 50% of their pay as a federal public servant for the remainder of their life, and donate it to this Ministry to help those who have been hurt
35 by your failure to correct erroneous information provided on this website. This is in satisfaction of the IRS website's Mission Statement, which
36 says in [I.R.M. Section 1.1.1.1](#) that the mission of the IRS is to "Provide Americas taxpayers top quality service by helping them [correctly]
37 understand and meet their tax responsibilities with integrity and fairness all."

38 12.2. Pay the Ministry Member or designated representative \$10,000,000 prior to any litigation relating to false statements on this website and to not
39 testify at all if they cannot pay the damages.

40 13. If readers find anything in any our publications which conflict with other information on this website or which conflicts with itself, you agree to presume
41 that what is written is fiction and bring it to our attention immediately so that we may promptly correct the conflict. This applies even to conflicts that a
42 reader was not aware of at the time they first read something.

43 14. If you as a reader work for any government or as an agent, withholding agent, or public officer in relation to any government, you agree to be bound by
44 the following franchise protecting the materials and services available through this website:

[Injury Defense Franchise and Agreement](#), Form #06.027

FORMS PAGE: <http://sedm.org/Forms/FormIndex.htm>

DIRECT LINK: <http://sedm.org/Forms/06-AvoidingFranch/InjuryDefenseFranchise.pdf>

45 The purpose of the license agreement in this section is not to condone or allow unlawful behavior of any kind by this website, but instead to:

- 46 1. Protect the [First Amendment](#) rights of the authors.
- 47 2. Discourage and prevent anti-whistleblowing activity on the part of public servants.
- 48 3. Further the ends of [liberty](#) and [justice](#) for ALL, which is the sole function of this website and the object of our pledge of allegiance.
- 49 4. Help in the elimination of ignorance, fear, and presumption of the average American towards the legal and judicial process through education and
50 empowerment..
- 51 5. Encourage you, the reader, to take complete and exclusive and personal responsibility for yourself and to prevent you from transferring that responsibility
52 in any form to us. It would be completely hypocritical of us to on the one hand say we want to encourage personal responsibility, but then on the other hand
53 tell people that they can transfer any part of the responsibility for themselves, their lives, or their choices to us.
- 54 6. Provide strong protections for you and your [Fourth Amendment](#) personal data by ensuring that our organization is never infiltrated by government moles
55 who mean to do anyone harm.
- 56 7. Ensure that we are LEFT ALONE, which the Supreme Court has unequivocally ruled is a Constitutional Right:

57 *"The makers of our Constitution undertook to secure conditions favorable to the pursuit of happiness. They recognized
58 the significance of man's spiritual nature, of his feelings and of his intellect. They knew that only a part of the pain,
59 pleasure and satisfactions of life are to be found in material things. They sought to protect Americans in their beliefs,
60 their thoughts, their emotions and their sensations. **They conferred, as against the Government, the right to be let
61 alone - the most comprehensive of rights and the right most valued by civilized men.**"*

62 *[Olmstead v. United States, 277 U.S. 438, 478 (1928) (Brandeis, J., dissenting); see also Washington v. Harper, 494
63 U.S. 210 (1990)]*

64 Therefore, it cannot be said that the above license agreement has any illegal purpose whatsoever that might render it unenforceable in a court of law.

1 If either of the following two situations happens:

- 2 1. A Member becomes involved in a lawsuit as a witness against SEDM and the Plaintiff Member uses licensed materials or communications of the
3 Ministry as evidence in the proceeding.
- 4 2. A Member is prosecuted as an alleged agent or officer of SEDM for alleged injuries arising from activities or offerings of the Ministry, even if they
5 in fact are not, and the Plaintiff or Plaintiff Counsel, who is a Member, uses licensed materials or communications of the Ministry as evidence in the
6 case.

7 Then the affected Member or Members who are the Defendant or witness in the above two cases are hereby authorized to do the following on behalf of the
8 Ministry in the context of only that proceeding:
