1 best interests. When the Father speaks, it shall be the same as if a Member was speaking individually, and the
2 receiving party may rely and depend on the words or other information as completely as if the words had been spoken
3 or written by an individual Family Member. All actions taken by Father in the course of engaging a third party for any
4 product, service or good is merely done in furtherance of God's delegation of authority order and trust indenture, the
5 Holy Bible, as a trustee to secure the interests of the Family and will never be done to misrepresent or otherwise
6 receive the benefit or service the Family is not lawfully eligible for.

7 6. To do all of the above without the necessity or requirement to even disclose to the hearer that this is what he is doing.

8 _____(Father), leads us and is the Father for all practical intents and purposes. When the Father speaks, he
9 speaks for the Family and each Member individually at his discretion. The Father has my unqualified trust, permission, and
10 allegiance to behave as if me both orally and in writing, whether he chooses to disclose that is what he is doing or not.

11 The Father truthfully represents us as both Family and Member, as a human being, and when Father is speaking for the
12 Family or a Member, it's being done to secure our essential rights, whether that speech is made as a pseudonym of any
13 Member or as a Family corporate, it's made at the sole discretion of the Father and as he deems fit. There is no controversy
14 in fact or in law that when the Father of _____ Family Corporate speaks in regards to a Corporate matter, it's done as
15 Family or as a Member as each situation demands. Whether or not he speaks as if a Member or as Family, or if he speaks as
16 if he was a Member individually or on a Member's behalf, the truth or the outcome of the result of the speech would be no
17 different as if a Member was speaking for themselves, or as for the Family. His protected speech on my behalf or on
18 behalf of the Family is done so without misrepresentation, and the person receiving the speech may depend on it as if it was
19 that of an individual Member or the Family and the Family will vigorously defend any claim or action against the Father
20 while in the performance of his duties.

21 **3 Limitation of Delegated Authority of Individual Family Members to Contract with any** 22 **Foreign Government**

23 Members of Family individually regard the Holy Bible as a trust indenture and themselves as stewards and trustees of God
24 24 hours a day, seven days a week. See *Delegation of Authority Order from God to Christians*, Form #13.007
25 (<http://sedm.org/Forms/FormIndex.htm>). This trust indenture is a legal contract and the purpose of establishing
26 government is to protect the exercise of one's right to contract. The trust/contract forbids any Family member to contract
27 with or engage in any kind of commerce with the government. Any documents signed by or on behalf of any member of
28 the Family which might cause a surrender of any right, property, interest, or degree of sovereignty of any member is
29 therefore beyond the delegated authority of every member individually and of no legal force and effect. We cannot serve
30 more than one master, and our Master is God and ONLY God. See: Luke 16:13.

31 The result of the above is that we are forbidden by our religion to participate in any government "benefit", franchise, or
32 "public right", including the right to be protected that attaches to one's choice of domicile/residence. The Bible says that
33 we are transient foreigners, pilgrims, and nonresidents during our short time here. We believe these Biblical prohibitions
34 are an exercise of our protected right NOT to contract with the government for protection, because all government
35 franchises are contracts in law. Otherwise, they could convey no interest to the government in the first place.

36 **"You shall make no covenant [contract or franchise] with them [foreigners, pagans], nor with their**
37 **[pagan government] gods [laws or judges]. They shall not dwell in your land [and you shall not dwell in**
38 **theirs by becoming a "resident" in the process of contracting with them], lest they make you sin against**
39 **Me [God]. For if you serve their gods [under contract or agreement or franchise], it will surely be a**
40 **snare to you."**

41 [[Exodus 23:32-33](#), Bible, NKJV]

42 **"For our citizenship is in heaven, from which we also eagerly wait for the Savior, the Lord Jesus**
43 **Christ"**

44 [[Philippians 3:20](#), Bible, NKJV]

1 "These all died in faith, not having received the promises, but having seen them afar off were assured of
2 them, embraced them **and confessed that they were strangers and pilgrims on the earth.**"
3 [[Hebrews 11:13](#), Bible, NKJV]

4 "Beloved, I beg you **as sojourners and pilgrims [temporarily occupying the world]**, abstain from fleshly
5 lusts which war against the soul..."
6 [[1 Peter 2:1](#), Bible, NKJV]

7 "**Do you not know that friendship [and citizenship] with the world is enmity with God? Whoever**
8 **therefore wants to be a friend [or "resident"] of the world makes himself an enemy of God.**"
9 [[James 4:4](#), Bible, NKJV]

10 "And **do not be conformed to this world**, but be transformed by the renewing of your mind, that you may
11 prove what is that good and acceptable and perfect will of God. "
12 [[Romans 12:2](#), Bible, NKJV]

13 **4 Our Corporate Beliefs as a Family**

14 As a Family, and as Member, our shared belief is that we are endowed by our Creator and not by any man or government
15 with unalienable rights that cannot be contracted or bargained away by any commercial or legal process in relation to any
16 government outside of the government established by the Holy Bible and this indenture in furtherance of it. That is what
17 makes them "unalienable". No Member of the Family can lawfully be compelled to compromise or bargain away those
18 essential freedoms, or to provide false testimony against the Family, or do anything else against God's Holy Law. The
19 Father sole existence and purpose is to protect each Member and the Family to whatever extent lawfully necessary.

20 Each Member of the Family is exclusive property of the Creator under God's law and trust indenture. Deut. 10:4. We have
21 no delegated authority to consent to convey a property interest in ourselves or any of our possessions, which are God's
22 property, to any third party including any foreign government. The Family depends on the Father to fight for and secure
23 these divine rights to the best of his ability, and without end to tirelessly defend us both spiritually and physically,
24 economically and legally. The Family and Members need and depend on his role as Father when necessary for him to
25 defend our individual and collective rights.

26 We consent to govern our lives in accordance with the following document: Family Constitution, Form #13.003
27 (<http://sedm.org/Forms/FormIndex.htm>), and especially those provisions dealing with how we relate to foreign
28 governments/persons.
