COPYRIGHT/SOFTWARE LICENSE AGREEMENT: Use of this document or our web site or any of the materials found on the website constitutes an implied and mandatory agreement by the user to:

1. Never use the information in this document to accomplish an unlawful purpose.
2. Never register a complaint about this website or its contents to any law enforcement or government organization.
3. Never provide evidence about their experiences to law enforcement or government that might be used to prosecute or punish us.
4. Compensate the website administrator in full for legal and attorney fees and personal time associated with defending himself against any complaints registered by or evidence provided by the user to either government or law enforcement regarding this website, the materials on it, or any communications with us.
5. Substitute himself/herself as being liable for any judgments against the webmaster relating to complaints filed by him/her or evidence provided by him/her to third parties or litigation initiated by him/her which result in prosecution of this ministry or its agents.
6. If any evidence or information is used from this book in a court trial, then the party to the suit calling the witness AND the witness submitting it to any court stipulates with the Ministry as a condition of the copyright license, pursuant to [Fed.Rul.Civ.Proc. 29](#) and the [Federal Rules of Criminal Procedure](#):
 - 6.1. To admit THE ENTIRE website into evidence (except the rebuttal letters), including but not limited to the [Tax Deposition CD](#), the [Family Guardian Website DVD](#), the [Great IRS Hoax book](#), etc.. No part of the website can be admitted without the ENTIRE website also being admitted and subject to examination by the jury.
 - 6.2. That everything contained on this website is factual, truthful, actionable, and accurate IN THEIR CASE but not in the case of any other Member or officer of the Ministry.
 - 6.3. To take complete and personal and exclusive responsibility for all consequences arising out of the nature of evidence they provide as being factual or actionable.
7. Agree never to refer to anything in this book or on the Family Guardian website as an "investment" or "[tax shelter](#)" as defined in the Internal Revenue Code. None of the donations made to this ministry are refundable, and therefore they cannot be referred to as "investments", nor are ministry products available to "taxpayers", who are the only proper audience for "[tax shelters](#)" to begin with.
8. If any litigation results from the materials or information offered here, users agree:
 - 8.1. To litigate ONLY in a state court WITH a jury trial under the laws of the state and not the federal government, and to allow the jury to rule on BOTH the facts AND the law. No member of the jury or the judge may be either a "[taxpayer](#)", a "[U.S. citizen](#)" under [8 U.S.C. §1401](#), or be in receipt of any government benefit, to ensure that the trial is completely impartial.
 - 8.2. That if the party using the materials from this publication or the Family Guardian website for litigation is any state or federal government, then they stipulate with the accused party to answer the [IRS Deposition Questions](#) in their entirety on a signed affidavit, and to provide at least an "Admit" or "Deny" answer to each question. Any question not answered by the government or its agents shall be deemed to be "Admit". They also stipulate to admit their response to the questions into evidence in any trial involving this website or the activities of the ministry or its officers, volunteers, or members.
 - 8.3. None of the persons called as witnesses by either side at any trial involving this ministry may work for the federal or state government, receive retirement benefits from the government, receive financial benefits of any kind from the government, nor be "taxpayers", "U.S. citizens", or "U.S. residents". This will ensure that the all witnesses called will be completely objective, neutral, and unbiased.
 - 8.4. Users and readers of our materials stipulate that their duty and allegiance to abide by this agreement is *superior to* their employment duties and any other agency they may claim to be exercising. Judicial, sovereign, or official immunity are therefore subordinate to the terms of this agreement. Readers and users of our materials agree that any and all lawsuits in which they are participants acting by or for or as witnesses for the Plaintiff shall be deemed to be filed by them personally, regardless of the party which they claim to be representing or which is named on the Complaint. For instance if a government attorney named "John Doe" quotes or uses our licensed materials in any legal proceeding in which he or she is the Plaintiff or an agent for the Plaintiff, and files the lawsuit in the name of the "United States", this agreement stipulates that the definition of "United States" or "United States of America" shall instead mean "John Doe" and John Doe stipulates that he is acting by and on his own behalf and not on the behalf of the government of the states united by and under the Constitution of the United States of America. This will ensure that the plaintiff or prosecuting attorney does not try to claim that he had no authority to bind the U.S. government to abide by this agreement. An important implication of this

provision is that if John Doe prosecutes this case on paid time for the U.S. Government, then he can and will be fired and disciplined for conducting private business on company time.

9. Users who violate this copyright license agreement, who work either directly for the government in the legal or tax profession or as contractors for these functions, and who participate as either witnesses, informants, or representatives in any litigation directed against this ministry or its volunteers or members agree to a personal liability/fine of \$300,000 payable out of their private funds and which they agree NOT to accept reimbursement for from the government. Payment shall occur BEFORE any trial is heard which involves them and is against this ministry.
10. Always use the very latest version of any information and this agreement provided on this website in any litigation, and to dispose of and stipulate NOT to admit into evidence any information that is older. They agree to apply the current terms of this agreement retroactively to any behavior of theirs that might adversely affect this website or ministry, and especially in respect to any litigation they might initiate or become involved in that is against this ministry, its agents, or participants. Ministry reserves the right to modify the terms of this agreement without notice to User and User waives the right to complain about or challenge this provision.
11. Bring any false statements or suggestions to do any illegal activity noted on this website or in any of our statements to our attention immediately at the time noticed and give us an opportunity to remedy it BEFORE pursuing any litigation or injunctions against us because any information provided is false. If we are physically able to correct the erroneous or illegal information, then we will do so immediately, provided that your comments are accompanied with credible, admissible evidence that the information provided is wrong. If this requirement is not heeded by the reader, then the reader agrees to:
 - 11.1. Forefeit 50% of their pay as a federal public servant for the remainder of their life, and donate it to this ministry to help those who have been hurt by your failure to correct erroneous information provided on this website. This is in satisfaction of the IRS website's Mission Statement, which says in [IRM Section 1.1.1.1](#) that the mission of the IRS is to "Provide Americas taxpayers top quality service by helping them [correctly] understand and meet their tax responsibilities with integrity and fairness all."
 - 11.2. Pay the website administrator \$10,000,000 prior to any litigation relating to false statements on this website and to not testify at all if they cannot pay the damages.
12. Never abuse the materials provided on this website by violating any enacted positive law which applies within the jurisdiction where you are situated or domiciled and to take full and complete and exclusive and personal responsibility for the consequences of any violations of law that might occur by virtue of using the materials posted on this website.
13. If readers find anything in any our publications which conflict with other information on this website or which conflicts with itself, you agree to presume that what is written is fiction and bring it to our attention immediately so that we may promptly correct the conflict. This applies even to conflicts that a reader was not aware of at the time they first read something.

The purpose of the above license agreement is not to condone or allow unlawful behavior of any kind by this website, but instead to:

1. Protect the [First Amendment](#) rights of the author.
2. Discourage and prevent anti-whistleblowing activity on the part of public servants directed against this website.
3. Further the ends of [liberty](#) and [justice](#) for ALL, which is the sole function of this website and the object of our pledge of allegiance.
4. Help eliminate ignorance, fear, and presumption of the average American towards the legal and judicial process through education and personal empowerment.
5. Encourage you, the reader, to take complete and exclusive and personal responsibility for yourself and to prevent you from transferring that responsibility in any form to us. It would be completely hypocritical of us to on the one hand say we want to encourage personal responsibility, but then on the other hand tell people that they can transfer any part of the responsibility for themselves, their lives, or their choices to us.
6. Provide strong protections for you and your Fourth Amendment privacy and personal data by ensuring that our organization is never infiltrated by government moles who mean to do anyone harm.
7. Ensure that we are LEFT ALONE, which the Supreme Court has unequivocally ruled is a Constitutional Right:

*"The makers of our Constitution undertook to secure conditions favorable to the pursuit of happiness. They recognized the significance of man's spiritual nature, of his feelings and of his intellect. They knew that only a part of the pain, pleasure and satisfactions of life are to be found in material things. They sought to protect Americans in their beliefs, their thoughts, their emotions and their sensations. **They conferred, as against the Government, the right to be let alone - the most comprehensive of rights and the right most valued by civilized men.**"*

[Olmstead v. United States, 277 U.S. 438, 478 (1928) (Brandeis, J., dissenting); see also Washington v. Harper, 494 U.S. 210 (1990)]

Therefore, it cannot be said that the above license agreement has any illegal purpose whatsoever that might render it unenforceable in a court of law.

1. INTRODUCTION

1.1 Purpose of this document

This document was authored to help people defend their right to travel. For the purposes of this book, this right includes:

1. The right to go wherever we might want free of government monitoring or regulation
2. Preventing the prejudicing of other rights in the process of exercising our right to travel. We should not have to give up any rights to procure the ability to travel freely, because it is a right.
3. The right to travel *without* accepting or using a Social Security Number (SSN) or participating in government-mandated socialism or illegal taxation.
4. The protection of our privacy by keeping as much personal information as possible out of government databases.

Throughout this book, we will try very hard to satisfy all of the above requirements. The information appearing in this book is based on the first-hand experience of actually doing everything that is described, as much as possible. It is a work in progress which will be refined and improved to make it more potent and relevant to your circumstances. We welcome and solicit any feedback that you think might help improve this book.

1.2 Intended Audience

The document was written to be read by every American who wants to understand the basis for their rights and freedoms and how to defend them.
