COPYRIGHT/SOFTWARE LICENSE AGREEMENT: Use of this document or our web site or any of the materials found on the website constitutes an implied and mandatory agreement by the user to:

1. Never use the information contained in this document to accomplish an unlawful purpose.
2. Never register a complaint about this website or its contents to any law enforcement or government organization.
3. Never provide evidence about their experiences to law enforcement or government that might be used to prosecute or punish us.
4. Compensate the author in full for legal and attorney fees and personal time associated with defending himself against any complaints registered by or evidence provided by the user to either government or law enforcement regarding this website, the materials on it, or any communications with us.
5. Substitute himself/herself as being liable for any judgments against this ministry or its agents relating to complaints filed by him/her or evidence provided by him/her to third parties or litigation initiated by him/her which result in prosecution of this ministry or its agents.
6. If any evidence or information is used from this book in a court trial, then the party to the suit calling the witness AND the witness submitting it to any court stipulates with the Ministry as a condition of the copyright license, pursuant to [Fed.Rul.Civ.Proc. 29](#) and the [Federal Rules of Criminal Procedure](#):
 - 6.1. To admit THE ENTIRE website into evidence (except the rebuttal letters), including but not limited to the [Tax Deposition CD](#), the [Family Guardian Website DVD](#), the [Great IRS Hoax book](#), etc.. No part of the website can be admitted without the ENTIRE website also being admitted and subject to examination by the jury.
 - 6.2. That everything contained on this website is factual, truthful, actionable, and accurate IN THEIR CASE but not in the case of any other Member or officer of the Ministry.
 - 6.3. To take complete and personal and exclusive responsibility for all consequences arising out of the nature of evidence they provide as being factual or actionable.
7. Agree never to refer to anything on this website as an "investment", "[tax shelter](#)", "business", or "trade or business" as defined in the Internal Revenue Code, or anything other than religious worship. None of the donations made to this ministry are refundable, and therefore they cannot be referred to as "investments", nor are ministry offerings available to "[taxpayers](#)", who are the only proper audience for "[tax shelters](#)" to begin with.
8. If any litigation results from the materials or information offered here, users agree:
 - 8.1. To litigate ONLY in a state court WITH a jury trial under the laws of the state and not the federal government, and to allow the jury to rule on BOTH the facts AND the law. No member of the jury or the judge may be either a "[taxpayer](#)", a "[U.S. citizen](#)" under [8 U.S.C. §1401](#), or be in receipt of any government benefit, to ensure that the trial is completely impartial.
 - 8.2. That if the party using the materials from this publication or the Family Guardian website for litigation is any state or federal government, then they stipulate with the accused party to answer the [Tax Deposition Questions](#) in their entirety on a signed affidavit, and to provide at least an "Admit" or "Deny" answer to each question. Any question not answered by the government or its agents shall be deemed to be "Admit". They also stipulate to admit their response to the questions into evidence in any trial involving this website or the activities of the ministry or its officers, volunteers, or members.
 - 8.3. None of the persons called as witnesses by either side at any trial involving this ministry may work for the federal or state government, receive retirement benefits from the government, receive financial benefits of any kind from the government, nor be "taxpayers", "U.S. citizens", or "U.S. residents". This will ensure that the all witnesses called will be completely objective, neutral, and unbiased.
 - 8.4. Users and readers of our materials stipulate that their duty and allegiance to abide by this agreement is *superior to* their employment duties and any other agency they may claim to be exercising. Judicial, sovereign, or official immunity are therefore subordinate to the terms of this agreement. Readers and users of our materials agree that any and all lawsuits in which they are participants acting by or for or as witnesses for the Plaintiff shall be deemed to be filed by them personally, regardless of the party which they claim to be representing or which is named on the Complaint. For instance if a government attorney named "John Doe" quotes or uses our licensed materials in any legal proceeding in which he or she is the Plaintiff or an agent for the Plaintiff, and files the lawsuit in the name of the "United States", this agreement stipulates that the definition of "United States" or "United States of America" shall instead mean "John Doe" and John Doe stipulates that he is acting by and on his own behalf and not on the behalf of the government of the states united by and under the Constitution of the United States of America. This will ensure that the plaintiff or prosecuting attorney does not try to claim that he had no authority to bind the U.S. government to abide by this agreement. An important implication of this provision is that if John Doe prosecutes this case on paid time for the U.S. Government, then he can and will be

fired and disciplined for conducting private business on company time.

9. Users who violate this copyright license agreement, who work either directly for the government in the legal or tax profession or as contractors for these functions, and who participate as either witnesses, informants, or representatives in any litigation directed against this ministry or its volunteers or members agree to a personal liability/fine of \$300,000 payable out of their private funds and which they agree NOT to accept reimbursement for from the government. Payment shall occur BEFORE any trial is heard which involves them and is against this ministry.
10. Always use the very latest version of any information and this agreement provided on this website in any litigation, and to dispose of and stipulate NOT to admit into evidence any information that is older. They agree to apply the current terms of this agreement retroactively to any behavior of theirs that might adversely affect this website or ministry, and especially in respect to any litigation they might initiate or become involved in that is against this ministry, its agents, or participants. Ministry reserves the right to modify the terms of this agreement without notice to User and User waives the right to complain about or challenge this provision.
11. Bring any false statements or suggestions to do any illegal activity noted on this website or in any of our statements to our attention immediately at the time noticed and give us an opportunity to remedy it BEFORE pursuing any litigation or injunctions against us because any information provided is false. If we are physically able to correct the erroneous or illegal information, then we will do so immediately, provided that your comments are accompanied with credible, admissible evidence that the information provided is wrong. If this requirement is not heeded by the reader, then the reader agrees to:
 - 11.1. Forfeit 50% of their pay as a federal public servant for the remainder of their life, and donate it to this ministry to help those who have been hurt by your failure to correct erroneous information provided on this website. This is in satisfaction of the IRS website's Mission Statement, which says in [IRM Section 1.1.1.1](#) that the mission of the IRS is to "Provide Americas taxpayers top quality service by helping them [correctly] understand and meet their tax responsibilities with integrity and fairness all."
 - 11.2. Pay the author \$10,000,000 prior to any litigation relating to false statements on this website and to not testify at all if they cannot pay the damages.
12. Never abuse the materials provided on this website by violating any enacted positive law which applies within the jurisdiction where you are situated or domiciled and to take full and complete and exclusive and personal responsibility for the consequences of any violations of law that might occur by virtue of using the materials posted on this website.
13. If readers find anything in any our publications which conflict with other information on this website or which conflicts with itself, you agree to presume that what is written is fiction and bring it to our attention immediately so that we may promptly correct the conflict. This applies even to conflicts that a reader was not aware of at the time they first read something.

The purpose of the above license agreement is not to condone or allow unlawful behavior of any kind by this website, but instead to:

1. Protect the [First Amendment](#) rights of the author.
2. Discourage and prevent anti-whistleblowing activity on the part of public servants directed against this website.
3. Further the ends of [liberty](#) and [justice](#) for ALL, which is the sole function of this website and the object of our pledge of allegiance.
4. Help eliminate ignorance, fear, and presumption of the average American towards the legal and judicial process through education and personal empowerment.
5. Encourage you, the reader, to take complete and exclusive and personal responsibility for yourself and to prevent you from transferring that responsibility in any form to us. It would be completely hypocritical of us to on the one hand say we want to encourage personal responsibility, but then on the other hand tell people that they can transfer any part of the responsibility for themselves, their lives, or their choices to us.
6. Provide strong protections for you and your Fourth Amendment privacy and personal data by ensuring that our organization is never infiltrated by government moles who mean to do anyone harm.
7. Ensure that we are LEFT ALONE, which the Supreme Court has unequivocally ruled is a Constitutional Right:

*"The makers of our Constitution undertook to secure conditions favorable to the pursuit of happiness. They recognized the significance of man's spiritual nature, of his feelings and of his intellect. They knew that only a part of the pain, pleasure and satisfactions of life are to be found in material things. They sought to protect Americans in their beliefs, their thoughts, their emotions and their sensations. **They conferred, as against the Government, the right to be let alone - the most comprehensive of rights and the right most valued by civilized men.**"*

[Olmstead v. United States, 277 U.S. 438, 478 (1928) (Brandeis, J., dissenting); see also Washington v.

Harper, 494 U.S. 210 (1990)]

Therefore, it cannot be said that the above license agreement has any illegal purpose whatsoever that might render it unenforceable in a court of law.

DISCLAIMER: The content of this disclaimer supersedes and is controlling over every other page, file, electronic book, video, or audio available in this book or the website it appears on.

All information contained in this book in its entirety, along with any communications with, to, or about the author(s), website administrator, and owner(s) constitute religious and political beliefs, and not facts. As such, nothing on this website is susceptible to being truthful, true, or false, or legally "actionable" in any manner. Nothing here can be classified as fact without violating the First Amendment rights of the author(s). It is provided for worship, education, enlightenment, and entertainment and for no other purpose. Any other use is an unauthorized use for which the author(s), website administrator, and owner(s) assume no responsibility or liability. Users assume full, exclusive and complete responsibility for any use beyond reading, education, and entertainment. If you don't like this disclaimer, then complain to the government, because we are emulating the same approach as the IRS uses on their website. See:

Reasonable Belief About Income Tax Liability, Form #05.007; <http://sedm.org/Forms/FormIndex.htm>

The data in this document is the collaborative experience, contributions, and research of various websites, legal books, tax documents, researchers, associates, attorneys, CPA's, etc. and does not constitute legal advice. These materials have been prepared for educational and informational purposes and are intended for "nontaxpayers" who live outside the federal zone only. If you are a "taxpayer" or you live inside the federal zone, then instead please consult <http://www.irs.gov> for educational materials.

This website and the materials on it were prepared for the use of the authors only by themselves. Any use of the terms "you" or "we recommend" or "you should" is directed at the authors and not other readers. The only exception to this rule is the Copyright/Software License Agreement above, which applies to everyone EXCEPT the authors or ministry. All the authors are doing by posting these materials is sharing with others the results of their research and the play book they developed only for use by themselves. For instance, the bottom of every page of the [Great IRS Hoax](#) book says: "**TOP SECRET: For Treasury/IRS Internal Use ONLY (FOUO)**". Then in the "Disclaimer" at the beginning of the book, it defines "Treasury" as the "Family Department of the Treasury". Consequently, how those materials impact or influence others is of no concern or consequence to the authors, and no motive may be attributed to any statements by the authors that would appear to be directed at third parties, because such statements are actually directed at themselves only. How readers use or apply the materials appearing here is entirely their choice and we assume no responsibility for how they act, or fail to act, based on the use of these materials. This approach is no different from that of the federal government, where the term "employee" in the Internal Revenue Code is made to "appear" like it applies to everyone, but in fact it only applies mandatorily to those engaged in a "public office" in the United States government.

This book constitutes an expression of free speech protected by the First Amendment to the U.S. Constitution. Every possible effort has been made to ensure that the information appearing here is truthful, accurate, complete, and consistent with prevailing law. However, you should not assume or presume that we agree wholly or partially with anything not specifically written by us. The materials on this site are not legal advice or legal opinions on any specific matters. Legal advice involves applying the law to your specific and unique situation, which is your responsibility and not our responsibility. Transmission of the information is not intended to create, and receipt does not constitute, a lawyer-client relationship between the author(s) and the reader. Readers should not act upon this information without seeking professional counsel, especially if they intend to litigate to protect their property rights. The opinions expressed in the document are those of the author(s), or the researcher(s) or content providers. You must validate this information yourself with your own research, legal education, experience, and the advice of a competent attorney and/or tax professional, if, of course there is such a thing! Readers should not act upon this information without first getting fully educated using the materials provided here and elsewhere. They are also advised to consult professionals in this area who are NOT attorneys, because we believe that all attorneys who are licensed by the government have a [conflict of interest](#).

All representations made verbally or via postal mail or email or any means of advocacy by anyone connected with this website may NOT be relied upon to accurately describe the official policies of this website or its owner or its/his/their affiliates. The ONLY sources which may be relied upon to completely and accurately represent the policies of the owner of this website consist in the following, where lower numbered items take precedence over higher numbered items in the event

of a conflict:

1. [The Holy Bible, New King James Version](#)
2. [Declaration of Independence](#)
3. [United States Constitution](#)
4. [Internal Revenue Code](#)
5. [Code of Federal Regulations](#)
6. [Sovereign Christian Marriage](#)
7. [Family Constitution](#)
8. [Great IRS Hoax](#)
9. [Tax Fraud Prevention Manual](#)

Any representations that contradict the above shall be regarded as untrustworthy by the hearer. Also, any representations that make any promises about the success of any of the methods or information documented in this book or on this website shall be regarded as unauthorized and untrue. We assume no responsibility for the statements, writings, or promotional efforts of any third parties. We also refuse to be held to a higher standard of accountability than the IRS or the government itself. The IRS claims in [section 4.10.7.2.8 of its own Internal Revenue Manual](#) that you cannot rely on its publications, which include its tax preparation forms. The courts have also said that you cannot rely on the IRS' telephone support personnel or its Internal Revenue Manual. Therefore, we will not be held to a higher standard than the IRS for our publications, which include *everything* on this website, or for anything we say or write. We make all the *same* disclaimer statements about our publications, statements, and support as the IRS, in fact, which means we can have no liability for anything we produce. [Click here](#) for our article on this subject.

*"Behold, the wicked brings forth iniquity;
Yes, he conceives trouble and brings forth falsehood [in their publications and
their phone support],
He made a pit and dug it out,
And has fallen into the ditch [this disclaimer] which he made.
His trouble shall return upon his own head,
And his violent dealing shall come down on his own [deceitful] crown."
[Psalms 7:14-16, Bible, NKJV]*

We do not advocate violence or terrorism or threats of any kind against anyone, and especially by our government against its people. All of the remedies we advocate to the problems our society faces as documented in this book and on our website focus on *public education and outreach, nonviolent confrontation, and political and legal activism.*

The reason why this disclaimer notice is required is not to undermine the accuracy or authority or integrity of this document, but primarily to prevent the possibility of the author(s) or any of the contributors, who are not necessarily lawyers, from being prosecuted for practicing law without a license from the socialist state (professional licenses are yet another government scam to maximize revenues, censorship, and government control over the population in violation of our rights). Who would want to prosecute us? How about the lawyers and management at the IRS, who probably don't want you or IRS employees understanding the law or knowing what is in this document and don't want you litigating on your own, because you complicate for them the process of **STEALING** your money through the IRS fraud, malfeasance, and breach of government fiduciary duty that is exhaustively exposed in this document.

1. WARNING SIGNS THAT AN IRS/DOJ RAID IS IMMINENT

Some of our readers have reported the following tell-tale signs that a raid may be imminent based on their own personal experience. If more than one of these signs exists, you ought to expect a raid within no more than about two weeks:

1. You get frequent phone calls from persons you do not know. You should have caller ID and not answer calls from anyone whose number or identity you don't recognize. Rather, force them to leave a message and pick it up if it is someone you want to talk to. If you make the mistake of picking up the phone, the callers may:
 - 1.1. Ask if you are there and then hang up if you admit who you are.
 - 1.2. Refuse to identify themselves when asked.
2. Persons are loitering outside your house or parked in a car near your house surveiling it. Frequently, they will be in suits and travel in pairs. They may have binoculars. When this happens:
 - 2.1. Sandwich them between two cars so they are stuck.
 - 2.2. Walk up to the agent and demand that they explain why they are there, what they are doing, and who sent them, and present their ID.
 - 2.3. If they do not cooperate, then don't allow their car to get free.
3. The postman may knock on your door with a certified letter from the IRS or DOJ. You should NEVER answer the door for any certified mails. If you do answer the door, the postman will probably look nervous and afraid, because someone from the DOJ or IRS talked to them before they delivered the letter, asking for confirmation that you are at that address so that they may proceed with the raid.
4. A GPS tracking device has been mounted usually to the undercarriage of your car, tracking your every movement. See, for instance: http://www.laipac.com/gps_gpscube_eng.htm
5. Your phone starts making funny noises or gets noisy. This is a sign that your line has been tapped. For countermeasures, see our article entitled "How To Check If Your Phone Is Tapped": <http://famguardian.org/Subjects/PropertyPrivacy/Privacy/PhoneTapCheck.htm>
6. Strangers come knocking on your door uninvited. Do not answer the door for anyone you do not recognize through the peephole. If they are from the government, they will usually come as a pair, just like Mormon missionaries. The church they work for, however, is the Church of Satan. See:

Socialism: The New American Civil Religion, Form #05.016

2. PREPARATION FOR THE VISIT BY THE IRS

There are a number of things that “nontaxpayers” should do BEFORE the friendly visit from the Internal Revenue Service (IRS). The sections which follow describe all of the things which we believe are prudent in the order of importance. If you would like to learn more detail about these subjects than you could ever possibly want to know, we refer you to the following free resources:

SEDM Liberty University
<http://sedm.org/LibertyU/LibertyU.htm>

2.1 Disconnect from all government franchises and licenses

IMPORTANT NOTE: Knowledge and preparation are the best defense you can have from unlawful enforcement actions by the government. Please ensure that you execute as many of the following steps to achieving sovereignty as you can prior to stopping withholding in order to provide the best protection possible for your rights and liberties. These steps will help to remove you and your property from government jurisdiction and minimize risk exposure:

1. Read *everything* in this book at least once and try your best to understand it.
2. Go over the questions in Appendix B so that you know why the answer is “Admit” to every question. You are going to use this document to confront those who are violating the law, so you better understand it.
3. Read chapters 3 through 5 of our free *Great IRS Hoax* book. It will give you the excellent background you need to read and understand the law for yourselves without the need of an attorney or expert, and show you what the law says about your rights and responsibilities. Nearly all the problems and violations of law appearing in this book are a direct result of the fact that no one reads or understands the law anymore and you are going to have to be different if you want to avoid all of the consequences of this ignorance related slavery.
4. Read and send in the following two documents to the government to correct your citizenship and “taxpayer” status and restore your sovereignty:
 - 4.1. *Resignation of Compelled Social Security Trustee*, Form #06.002
<http://sedm.org/Forms/FormIndex.htm>
 - 4.2. *Legal Notice of Change in Citizenship/Domicile Records and Divorce From the United States*, Form #10.001
<http://sedm.org/Forms/FormIndex.htm>
5. Cancel your old passport and get a new passport without a Socialist Security Number using the following procedure:
<http://fanguardian.org/Subjects/Taxes/Citizenship/ApplyingForAPassport.htm>
6. If you are a registered voter, you must UNREGISTER and then REREGISTER using the following form as an attachment in order to correct your citizenship and domicile records with the government:

Voter Registration Attachment, Form #06.003
<http://sedm.org/Forms/FormIndex.htm>
7. Close all your financial accounts that have federal numbers and reopen them as a nonresident alien without an identifying number. See Section 7 of the following article:
<http://sedm.org/Forms/Tax/W-8BEN/AboutIRSFormW-8BEN.htm>
8. Resubmit all the withholding paperwork at your job according to the instructions in this book WITHOUT a federal identifying number. Provide a copy of SSA Form 521 to your private employer with the number removed proving that you quit the system if you previously gave them a federal identifying number. Warn them that any use of that number constitutes FRAUD beyond that point for which you will file a criminal complaint.

After achieving the above steps, do the following to maintain and protect the sovereignty you established above:

1. Turn off the TV and dedicate yourself to learning how to stay free and sovereign by reading the free materials in the Liberty University at the address below. The price of liberty is eternal vigilance and the main reason people get hurt is because of their own ignorance. Education is the ONLY thing they can’t take away from you in the end:
<http://sedm.org/LibertyU/LibertyU.htm>
2. Whenever asked to sign any kind of government form, ensure you attach the appropriate attachments found in section 4 of the Liberty University in order to avoid being connected to any government franchises that might destroy your rights:
<http://sedm.org/LibertyU/LibertyU.htm>

- 1 3. Whenever anyone tries to allege that any federal law imposes any kind of “duty” upon you, DEMAND that they
 2 produce either the statute and the implementing regulation published in the Federal Register OR proof that you are a
 3 federal instrumentality exempt from the requirement for implementing regulations published in the Federal Register as
 4 required by the following:

Federal Enforcement Authority Within States of the Union, Form #05.032

<http://sedm.org/Forms/FormIndex.htm>

- 5 4. If called upon to respond to a tax collection or other government enforcement action, ensure that you carefully avoid all
 6 of the flawed arguments documented in the pamphlet below or you may be penalized or sanctioned for entertaining
 7 “frivolous” arguments:

Flawed Tax Arguments to Avoid, Form #08.003

<http://sedm.org/Forms/FormIndex.htm>

- 8 5. When asked for an identifying number, use the information found in the following pamphlet to respond to such
 9 requests:

About SSNs and TINs on Government Forms and Correspondence, Form #05.012

<http://sedm.org/Forms/FormIndex.htm>

10 If you would like a more thorough but concise coverage of the contents of the section that you can give to friends, family,
 11 and loved ones in order to love and protect them from government fraud and corruption, refer to the following free
 12 document:

Path to Freedom, Form #09.015

<http://sedm.org/Forms/FormIndex.htm>

13 **2.2 Immunize yourself and organize your planned response**

- 14 1. Print out this pamphlet in paper form and have it available. That way, if it is on your computer and they try to take
 15 your computer, you will still have something to refer to.
- 16 2. Get a small tape recorder and/or video camera and fresh batteries and leave them out and ready to go so you can record
 17 your visit.
- 18 3. Phone list:
- 19 3.1. Create a short phone list of people who have agreed in advance to be your witnesses and photographers in case
 20 you get raided. The best people for this job are those who do not work during the day, when the goons who will
 21 visit work. The list should also include the local IRS phone number, and the number of your local county sheriff
 22 so you can demand that these people leave your house. When the IRS comes to raid you, simply break out your
 23 printed phone list and invite your friends over for a party! Give them the camera and recorder or better yet, have
 24 them bring their own, and coach them in advance to take pictures of all the police and IRS cars out front and
 25 make video and/or audio recordings of everything that happens. You often can't do it because the IRS will tell
 26 you that if you leave your house during the raid, you can't come back in.
- 27 3.2. Print out your short phone list and bind it together with your copy of this book.
- 28 4. Personal Property Ownership Affidavits:
- 29 4.1. Usually, search warrants will be targeted at the residence or property of a specific individual and not a whole
 30 family or couple. The purpose of a property ownership affidavit is to declare that all of the property within
 31 someone's residence is owned by a specific person in the household who is NOT the target of the search warrant.
 32 This will cause the agents to have to leave the premises because they will be conducting an unlawful search if
 33 they search the property of a person who is not the target of the warrant.
- 34 4.2. Before the expected visit, make out one affidavit for each resident of the household using Form 3 in section 12.3
 35 later. Follow the directions in that section.
- 36 5. Labeling property, file cabinets:
- 37 5.1. This step is useful AFTER you have done the above Personal Property Ownership Affidavits. We know from
 38 Chapter 4 later that the IRS may not seize legal evidence and records and also may not seize property or evidence
 39 in the possession of anyone not named on the search warrant. Therefore, we can label the property to ensure that
 40 they are classified as exempt from seizure.
- 41 5.2. Produce labels as follows:
- 42 5.2.1. For file cabinets containing legal files, financial records, and legal evidence, make a label that says:
 43 “Legal/clergy files: Privileged”.
- 44 5.2.2. For personal property that you think they might want to take, such as computers, make a label that says:
 45 ”Property of _____ (other person). Legal/clergy files: Privileged”.
