TERMS:

1. All items offered are copyrighted and may not be duplicated, resold, or employed for other than personal educational use. Any other use is at the discretion of the person who obtained it.
2. **All items listed above are obtained only through our online ministry bookstore.** We do not accept phone or mail or in-person requests for our materials. If you do not have a debit or credit card in which to make a donation, then you can have a friend or relative donate for you with their card. The recipient of the materials and the donater do not need to be the same person.
3. Donations made for electronic books and response letters are non-refundable.
4. Please read and heed our "Disclaimer" at: <http://sedm.org/disclaimer/>

5. Please read and heed our “Fellowship Member Agreement” at: <http://sedm.org/participate/member-agreement/>. You may obtain anything from our ministry bookstore without being a member. However, you must consent unconditionally and comply fully with our Fellowship Member Agreement if you intend to use any of our “tax information or services” in your interactions with the government or the legal profession.
6. Physical items such as video DVDs are usually shipped within about three business days from Canada. Shipments coming from Canada can take up to three weeks to go through customs and arrive at your doorstep, even if they are sent via express mail. Therefore, please allow at least three weeks before you call us to inquire about receipt of your order.
7. If you previously obtained an electronic book and would like to obtain a later edition, you will need to revisit the Ministry Bookstore to obtain the most recent version. We try to keep the suggested donation amount small enough to make this practice practical. The alternative is to keep records of all our Fellowship Members so we can tell who got the item before and discount the suggested donation for each item, but we think most Fellowship Members won’t want that after considering that the government might someday get ahold of the records by devious and illegal means. We therefore have decided NOT to keep any records of Fellowship Members or donations to protect the privacy of our valued Fellowship Members.
8. If you have a federal letter or notice and a response is not yet available from the list above, then get item 5.4.1. You will then receive an email instructing you what to do. After you do it, you will receive a notification that the new Federal Response Letter is posted on SEDM and available in the Ministry Bookstore.
9. If you have a state tax letter or notice and a response is not yet available from the list above, then get item 6.5.1. You will then receive an email instructing you what to do. After you do it, you will receive a notification that the new State Response Letter is posted on SEDM and available in the Ministry bookstore.
10. Suggested donation amounts appearing above in Canadian Dollars are as close as conveniently practical to the U.S. dollar amount based on the most recent exchange rates. HOWEVER, as the exchange rates vary, we aren’t going to obsess over constantly updating Suggested Donation amounts in the store to make the Suggested Donation exactly match between American and Canadian dollars, because it’s simply too much work. You may be charged a few cents more or less than the American dollar amount, and to that we must ask for your cooperation and understanding and flexibility. We don’t like obsessing over money, because it’s the root of all evil anyway.
11. Making a donation is not the only way to obtain our Ministry bookstore materials. See, for instance, our Frequently Asked Questions, Questions 1.8 and 2.20 for examples of other ways to obtain our Ministry bookstore materials: <http://sedm.org/support-2/faqs/>
12. We truly wish we had much greater flexibility about how to handle donations, and could allow Fellowship Members to set the amount of donation for items in the bookstore. However:
 - a. Our shopping cart software functionality is severely limited and does not support that function.
 - b. We do not have the resources or skills to customize the software.
 - c. The only other alternative is a very time consuming manual process that we don’t have the resources to support.

We therefore thank our Fellowship Members in being patient and understanding in suffering the consequences of the above constraints.
