## 1. INTRODUCTION

There is a very good reason why this page is entitled "Liberty University" instead of "Freedom University". Liberty means freedom PLUS personal responsibility. Those who want to avoid personal responsibility seek "freedom" instead of "liberty". What most politicians deceptively call "freedom" is really nothing more than legislatively created "[franchises](#)" that are designed to enslave the people using their own sin and DESTROY your God-given rights, not protect or preserve them.

*"Liberty Means Responsibility. That's why most men dread it."  
[George Bernard Shaw]*

*"For this is the will of God, that by doing good you may put to silence the ignorance of foolish [presumptuous or irresponsible] men— **as free, yet not using liberty as a cloak for vice, but as bondservants of [RESPONSIBLE TO] God.** Honor all people. Love the brotherhood."  
[[1 Peter 2:15-17](#), Bible, NKJV]*

There is a grave need in America for educational curricula and materials to teach ordinary people (the "joe six pack" types) about freedom, law, sovereignty, and taxes. Instructional materials which are succinct and boil the issues down to their barest, common-sense essentials but which at the same time grab and captivate people's hearts and minds is very difficult to find indeed. The government and the legal profession have also done their best to keep this kind of information out of the hands of the masses, because it threatens and undermines their power and influence. Offerings available on the [Family Guardian Website](#), while they are very complete and detailed, do not teach these concepts in a simple, or high-level manner that is appealing to large crowds of newly introduced people who are interested in learning more about the subject. The focus of this page is therefore to offer educational materials that are devoted to such a purpose. It is our intention to use your gracious donations to our ministry for the following purposes:

- Develop animated, video tutorial versions of all Powerpoint slideshows that can be viewed on both high- and low-bandwidth internet connections
- Expand the educational curricula offerings over time so that a complete curriculum of freedom materials are available for those who want to start "Sovereignty Fellowships" in their area and throughout the country.
- Assemble these core training materials into a CD-ROM and accompanying workbook suitable for mass-distribution at low cost
- Develop "Fellowship Articles", that will help volunteers organize and fund and maintain their Sovereignty Fellowships, so that we have a sustainable political base upon which to institute the political and legal and tax reforms that are so desperately needed.
- Use the above materials to create a nation-wide network of politically and legally active Americans who are focused on change and reform, and who partner frequently and regularly with other like-minded institutions and organizations.
- Pay for the high bandwidth required to host the large files appearing on this page.

The above approach is the only way to take the United States of America and its corrupted government back from the thieves and Pharisees who have hijacked it for their own personal gain. The U.S. government and the state governments were established as a "public trust", and the "trustees", who are our "public servants" have taken it over and made it into their "alter ego" for personal gain, because the "beneficiaries", We the People, fell asleep at the wheel. We were put to sleep by a corrupted government public education system that doesn't teach children about law or the Constitution or the  [Separation of Powers](#). The  [present de facto U.S. government and the state governments](#) have now become what [the courts](#) commonly call a "sham trust", which ironically has become this way mainly because of these same [corrupted courts](#).

#### *The Parable of the Wheat and the Tares*

*Another parable He put forth to them, saying: "The kingdom of heaven is like a man who sowed good seed in his field; but **while men slept, his enemy [our public dis-servants] came and sowed tares among the wheat and went his way.** But when the grain had sprouted and produced a crop [We, the American People, are the "crop"], then the tares also appeared. So the servants of the owner came and said to him, 'Sir, did you not sow good seed in your field? How then does it have tares?' He said to them, '**An enemy [our corrupted public dis-servants] has done this.**' The servants said to him, 'Do you want us then to go and gather them up?' But he said, 'No, lest while you gather up the tares you also uproot the wheat with them. Let both grow together until the harvest [the final judgment], and at the time of harvest I will say to the reapers, "First gather together the tares and bind them in bundles to burn them, but gather the wheat [us believers and  [followers of God's law](#)] into my barn [God's house].'"*

*[[Matt. 13:24-30](#), Bible, NKJV]*

The problems and obstacles that we face as a people are mainly political, and not legal, in nature and require a remedy within the political sphere. This page was inspired by the following article:

The educational materials below are sequenced in a progression of increasing complexity. We suggest that you view or read or watch them in the order they are presented because they build on each other. You may download and freely reuse any of the materials appearing here for personal use or group viewing. However:

1. They may NOT be sold and must be provided at cost to whomever you give them to.
2. The use of our materials may not have a commercial motivation.
3. The copyright notice and author information must remain intact. If excerpts of our materials are used, the source should be acknowledged and a weblink must be provided to this website.
4. SEDM "tax information or services" may only be used in strict compliance with our [Member Agreement](#) and [Disclaimer](#). This means that anyone who obtains our "tax information or services" using this website may read those materials, but they may not submit them to any third party in the legal profession or government in connection with disputing or establishing a tax or refund liability unless they have completed up to step 14 of our  [Path to Freedom, Form #09.015](#) and are in full compliance with all the requirements of our [Member Agreement](#). For a definition of "tax information or services", see section 2 of our [Member Agreement, Form #01.001](#).
5. If the materials are presented to or distributed to a group, then they may NOT be presented or "used" in conjunction with or as part of any presentation or effort that:
  - 5.1 Is connected with UCC redemption. We completely disapprove of UCC redemption for the reasons indicated in our form entitled  [Policy Document: UCC Redemption, Form #08.002](#).
  - 5.2 Includes any of the false or illegal arguments appearing in the free  [Flawed Tax Arguments to Avoid](#) pamphlet.
  - 5.3 Includes any of the false arguments contained in the  [Policy Document: Rebutted False Arguments Against This Website, Form #08.011](#).
  - 5.4 Includes any of the false arguments contained in  [Why the Fourteenth Amendment is Not a Threat to Your Freedom, Form #08.015](#).

We insist on the above to ensure that we are not associated with or discredited by knowingly false or questionable approaches of well-intentioned but often ignorant and [presumptuous neophytes](#) within the freedom community. This is the only way to ensure that we bring nothing but honor and glory to the Lord, which is the main goal of this website.

It's actually better if you download the materials below and view them offline so that you will conserve our precious bandwidth, because the files tend to be rather large. To download any one of the items and store it on your computer, simply RIGHT-CLICK on the link and select "Save Target As" and then tell your computer where to store the file. It's that simple. We would also like to recommend that you make an effort to try to contact and thank those people who courageously sacrificed their time and their work to produce the excellent free materials appearing below.

Years of research and effort have been devoted to making sure that all of the materials on our website are entirely consistent with each other and consistent with both  [God's law](#) and [man's law](#) (OFFSITE LINK).

Please therefore give yourself plenty of time to read and study the materials on this page *before* you run off half-cocked and demand answers to questions or conflicts that arise in your mind as you are reading something. If there are conflicts in your mind, chances are it is because you haven't given yourself enough time to digest these materials or because you are making  [presumptions](#) that simply cannot be supported with facts and evidence. An important goal of this website is to challenge all such presumptions and eliminate them, which is sure to cause confusion in your mind until you look at the evidence for yourself using materials on this page. We have found that the best approach for resolving conflicts in your mind as they arise is to:

1. Identify the topic which they relate to within one of the list of memorandums of law found [later in section 7.8 of this page](#) and to read the memorandum, which usually clears up the confusion by providing all the facts and law that are relevant to the subject of the memorandum. That is why we mention and quote these memorandums so frequently throughout our publications.
2. Search the [SEDM Subject Index Page](#) for the topic you have a question about and read all the references listed on the subject.

If questions arise in your mind about the issues discussed here that you can't resolve by further study of our extensive educational materials, you may wish to visit the following resources, where you can meet and interact with like-minded freedom fighters such as yourself. For if you love those who love you, what reward have you? Do not even the tax collectors do the same? And if you greet your brethren only, what do you do more than others? ## 2.5. REQUIREMENT FOR CONSENT

*"The ideal tyranny is that which is ignorantly self-administered by its victims. The most perfect slaves are, therefore, those which blissfully and unawaredly enslave themselves."*  
[Dresden James]

This pamphlet explains the basis for your sovereignty, which is the requirement for consent in all human interactions. The main reason organized government is established is to protect this right in all human interactions, and especially in the context of its interactions with all those present on its [territory](#). It is MUST reading for those who want to have a good legal foundation for defending their rights.

-  [Click here](#) to view the pamphlet. SEDM Form #05.003.

In addition, we HIGHLY recommend the following companion video:

-  [The Sunset of the State](#) (OFFSITE LINK, 9 minutes) -analysis of why the present model of government is fundamentally flawed. By Stefan Molyneux.

We should point out that we don't entirely agree with the above video on the following points, which we also talk about in the [Requirement for Consent, Form #05.003](#) linked above:

1. The "non-aggression" principle the video talks about is synonymous with the requirement for consent thesis of the above memorandum of law.
2. "non-aggression" is also the foundation of American jurisprudence, which recognizes that ALL JUST AUTHORITY OF GOVERNMENT derives from the CONSENT of the governed. This is so stated in our Declaration of Independence. Therefore, what he proposes is not a new idea by any means, but a restatement of a timeless idea that he has simply given a new name so he could take credit for originating it.
3. Molyneux doesn't apply the principles of "non-aggression" to the legal field. Doing so is an ABSOLUTELY ESSENTIAL requirement in order to arrive at a remedy for the problems he points out.
4. If he had properly applied the non-aggression principle to the legal field, he would have recognized:
  - 4.1 The TWO great divisions of law: civil and criminal.
  - 4.2 The fundamental difference between these arises from the requirement for consent. Civil laws only acquire the "force of law" against those who consent. Criminal laws may be enforced WITHOUT our consent.
  - 4.3 That "non-aggression" is simply NOT practically possible in enforcing the criminal laws, but that the number of these laws should be as FEW as possible to maximize freedom for everyone.
  - 4.4 The frequent tendency of corrupt rulers to DISGUISE CIVIL franchises as CRIMINAL law so that they don't have to obtain your consent to enforce them against you.
5. Molyneux fails to recognize or identify the MAIN method for implementing the coercive force, which is CIVIL FRANCHISES. If he understood exactly how they operate, then he would be far more empowered to reform the system by pointing out and defending he and his followers from their chronic abuses. For details, see:

[Government Instituted Slavery Using Franchises](#), Form #05.030

FORMS PAGE: <https://sedm.org/Forms/FormIndex.htm>

DIRECT LINK: <https://sedm.org/Forms/05-MemLaw/Franchises.pdf>

6. Molyneux is an atheist and we are not. The non-aggression principle CANNOT be and NEVER HAS HISTORICALLY BEEN successfully implemented in an atheist society. [Faith-based morality](#) of some kind is the ONLY way to prevent the need for all of the force that he criticizes AFTER the coercion he criticizes is completely eliminated. Left to their own devices, humankind are otherwise prone to self-indulgence and the anarchy and lawlessness that it produces. Below is our presentation on the differences between us and him on the subject of atheism and anarchy which are then repeated as section 9.5 of this Liberty University:

## 2.6. THEORY OF GOVERNMENT

These short videos powerfully illustrate the foundation of the Constitution and our form of government. We are a Republic, not a Democracy. Democracy is a transitional device used by corrupt politicians to transition us from freedom and individual rights to socialism, communism, and collectivism. ## **2.7. LEGAL RESEARCH AND WRITING TECHNIQUE COURSE**

This course provides the basics on how to do legal research and writing. It provides an ESSENTIAL starting point to facilitate your legal education and development, and it will enable you to verify the authenticity of and critically evaluate:

1. The validity of every legal authority we cite in defense of every position we take on this website and in our publications.
2. Everything that you hear from a member of the legal profession or government that relates to your obligations under the law.
3. Whether you are subject to the the statute cited as authority by government or the legal profession. In other words, whether the statute is private law that only applies to those who expressly consent in some way, or whether it is public law that applies equally to EVERYONE.
4. Whether government publications accurately and completely portray what the law actually says. Government publications are UNTRUSTWORTHY, according to the courts and the IRS so it is YOUR job to validate them. See  [Reasonable Belief About Income Tax Liability, Form #05.007](#) for details.

We regard it as impossible to be God's sovereign ambassador without the ability to search, read, and understand enough of what

the law says to do all of the above.

"One who turns his ear from hearing the law [ [God's law](#) or [man's law](#)], even his prayer is an abomination."  
[Prov. 28:9, Bible, NKJV]

"My [God's] people are destroyed [and enslaved] for lack of knowledge [and the lack of education that produces it]."  
[Hosea 4:6, Bible, NKJV]

"This [Book of the Law](#) shall not depart from your mouth, but you shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success. Have I not commanded you? Be strong and of good courage; do not be afraid, nor be dismayed, for the Lord your God is with you wherever you go."  
[Joshua 1:8-9, Bible, NKJV],  
IMPLICATION: If you aren't reading and trying to obey God's law daily, then you're not doing God's will and you will not prosper]

Jesus also commanded believers to investigate what He called "the leaven of the Pharisees and Sadducees". In modern terms [the Pharisees and Sadducees \(Form #05.047\)](#) are the priests of the [Civil Religion of Socialism \(Form #05.016\)](#) promoting and practicing "the commandments of men" for their own selfish personal gain, which today are called "[franchises](#)" ([Form #05.030](#)).

### **The Leaven of the Pharisees and Sadducees**

Now when His disciples had come to the other side, they had forgotten to take bread. 6 Then Jesus said to them, "**Take heed and beware of the leaven of the Pharisees and the Sadducees.**"

And they reasoned among themselves, saying, "It is because we have taken no bread."

But Jesus, being aware of it, said to them, "O you of little faith, why do you reason among yourselves because you have brought no bread? Do you not yet understand, or remember the five loaves of the five thousand and how many baskets you took up? Nor the seven loaves of the four thousand and how many large baskets you took up? How is it you do not understand that I did not speak to you concerning bread?—but to beware of the leaven of the Pharisees and Sadducees." **Then they understood that He did not tell them to beware of the leaven of bread, but of the doctrine of the Pharisees and Sadducees.**  
[Matt. 16:5-12, Bible, NKJV]

The "doctrine" Jesus is speaking of is the legal publications, rules, teachings, and beliefs of the lawyers at that time under a theocracy, who were abusing the law and legal process to:

1. Expand the power and influence of those interpreting or enforcing the law to elevate their own importance, rights, or privileges to be ABOVE everyone else. In other words, to destroy equality under the law.
2. Expand the definition or meaning of a words in the law to ADD things not expressly included. Today this is done by abusing the word "includes".
3. Undermine or circumvent the INTENT of the law and replace it with something more "beneficial" to the lawmaker. Today this is done primarily by:
  - 3.1 "equivocation", meaning confusing the multiple contexts of usually geographic words to expand those the area or group membership covered by the law.
  - 3.2 Abuse of judicial precedent to extend the reach of a law to an unmentioned group. Also called "judicial activism" or "legislating from the bench".

The effect of the above sinister legal treachery is to replace God's law with man's law, and to do what the Founding Fathers called "turn a society of law into a society of men". We describe how this is done in:

 [Who Were the Pharisees and Saducees?. Form #05.047](#)

We remind our Members and Readers that they, as the consumer of our materials and information and of legal services in general, are required by our [Member Agreement](#) to accept full and complete and exclusive responsibility for all their actions and choices and that they have an obligation to exercise [DUE DILIGENCE in investigating](#) EVERYTHING they hear from everyone that relates to a legal obligation. Without doing this, you will NEVER get any respect and people will walk all over you. Caveat emptor!

## 2.9. DEVELOPING EVIDENCE OF CITIZENSHIP AND SOVEREIGNTY COURSE

This training course explains various techniques for developing evidence that proves you have the following sovereign status:

1. What you ARE:
  - *Constitutional* "citizen of the United States **of America**".
  - *Statutory* "non-resident non-person".
  - "[nonresident](#)".
  - "transient foreigner" who has not waived sovereign immunity under the [Foreign Sovereign Immunities Act \(FSIA\), 28 U.S.C. Chapter 97](#).
2. What you are NOT: ([click here for details](#))
  - *Statutory* "national and citizen of the United States\*\* at birth" pursuant to [8 U.S.C. §1401](#).
  - *Statutory* "national but not citizen of the United States\*\* at birth" per [8 U.S.C. §1408](#).
  - *Statutory* "U.S.\*\* person" per [26 U.S.C. §7701](#)(a)(30).
  - *Statutory* "citizen" per 26 C.F.R. §1.1-1(c), which is a public office in the U.S. government.
  - *Statutory* "[person](#)" (public officer) under every [federal franchise](#), including Social Security, Medicare, driver licensing, etc.
  - *Statutory* "[individual](#)" ([public officer](#)) or "nonresident alien INDIVIDUAL".
  - *Statutory* "[Exempt individual](#)" per [26 U.S.C. §7701](#)(b)(5) because not a statutory "[individual](#)" (public officer).
  - Any citizenship term OTHER than that indicated here.

It is based on [Why You are a "national", "state national", and Constitutional but not Statutory Citizen. Form #05.006](#), and supports [section 3.13](#) of the [Sovereignty Forms and Instructions Online. Form #10.004](#) on the [Family Guardian website](#) (OFFSITE LINK).

## 2.10. PRESUMPTION: CHIEF WEAPON FOR UNLAWFULLY ENLARGING FEDERAL JURISDICTION

The key to protect our sovereignty is to make sure that the government "stays inside the ten mile square box" that the Constitution put it inside of. The only way to keep it inside the box is to prevent false presumption of all kinds, both in the political arena and especially in the legal arena. This memorandum of law explains the root of most of the corruption and evil we find in our present day government, which is false "presumption" and the exploitation of it in courtrooms by covetous and malicious judges and prosecutors in order to expand federal jurisdiction where none actually exists and to pad their pockets and retirement checks.

Understanding presumptions is important because when left unchallenged, they:

1. Are very injurious to your rights and liberty.

2. Violate the  [separation of powers](#) by allowing otherwise constitutional courts to unlawfully entertain "political questions".
3. Cause a violation of [due process of law](#) because decisions are not based on legally admissible evidence. Instead, presumptions unlawfully and prejudicially turn beliefs into evidence in violation of [Federal Rule of Evidence 610](#) and the [Hearsay Rule, Rule 802](#).
4. Can be abused to replace  [equal protection](#) and constitutional rights with  [franchises](#), privileges, hypocrisy, and lawful discrimination.
5. Turn private law  [franchises](#) "codes" into a state-sponsored bible upon which "worship services" are based and convey the "force of law" upon them through your  [implied consent](#).
6. Turn judges into "priests" of a civil religion.
7. Turn legal pleadings into "prayers" to the priest.
8. Turn legal process into an act of religion.
9. Transform "attorneys" into deacons of a state-sponsored religion.
10. Turn the courtroom into a church building.
11. Turn court proceedings into a "worship service" akin to that of a church.
12. Turn "taxes" into tithes to a state-sponsored church, if the controversy before the court involves taxation.

God refers to the judge's bench of all those judges who employ or tolerate the above violations of due process of law as "the throne of iniquity", as though it were in fact a sacred religious place. Obviously, by "have fellowship with you?" they mean you can't consent to become a "citizen or resident" of such a [corrupt de facto government](#) and must remain at least a statutory "non-resident non-person":

***"Shall the throne of iniquity, which devises evil by law, have fellowship with You? They gather together against the life of the righteous, and condemn innocent blood. But the Lord has been my defense, and my God the rock of my refuge. He has brought on them their own iniquity, and shall cut them off in their own wickedness; the Lord our God shall cut them off."***  
*[Psalm 94:20-23, Bible, NKJV]*

All of the people in the above videos are "[dissimulated](#)", meaning that they have been made to appear like something they are not. This is the same thing that most human beings are victim of: They are wrongfully made to appear as " [public officers](#)" and "[taxpayers](#)" because of the  [false and fraudulent information returns](#) filed against them that the DOJ, because of "selective enforcement", refuses to prosecute..

This brief article provides a chronological history that definitively proves how our republican form of government mandated by [Article 4, Section 4](#) of the U.S. Constitution has been corrupted over the years and thereby transformed into a  [socialist democracy](#). It applies the concepts about sovereignty learned earlier in this section to show how the arrangement of sovereign functions of government have invisibly but relentlessly been rearranged to prejudice and undermine the rights and sovereignty of the people by whom and for whom all government exists and acts.

## **2.14. DELEGATION OF AUTHORITY ORDER FROM GOD TO CHRISTIANS**

This book proves that the Holy Bible is a trust indenture, God is the beneficiary, and Christians are trustees and fiduciaries of Him and ONLY Him. It proves that the Bible forbids us to engage in any of the following with or towards any ruler or government:

1.  [Idolatry](#). Idolatry towards a king or ruler or government would violate the first four commandments of the ten commandments.
2. Commerce. Black's Law Dictionary defines "[commerce](#)" as "intercourse", which is what the [Bible book of Revelation](#) also describes as "fornication" of Babylon the Great Harlot.
3.  [Franchises](#).
4. Having any king, ruler or judge above us or between us and God. That would mean divided allegiance which God does not tolerate.
5. Contracts

As a trust indenture, the Bible is a contract, and the [First Amendment](#) and [Article 1, Section 10](#) of the United States Constitution forbids any state or federal government from interfering with this contract. This position gives us great standing in court to defend ourselves from attempts by the government or others to compel us to participate in  [government franchises](#), which are contracts, or to commit idolatry by making government into a "parens patriae" in relation to us by virtue of participation in said franchises. These franchises include Social Security, Medicare, the income tax, driver's licenses, marriage licenses, etc.

## [2.15. POLICY DOCUMENT: CORRUPTION WITHIN MODERN CHRISTIANITY](#)

Modern Christian churches, pastors, and parishoners are teaching doctrine that clearly conflicts with the revealed word of God in the Holy Bible. This deception causes idolatry towards government and destroys any possibility that Christians will assert their sovereignty in the political or legal realm. It is very important that Christians be informed about this deception and have the tools to fight it and fix it. You can use this document to educate yourself, your loved ones, and members of your church about the deception. Below is the link to the article from our [Forms page](#).

## 3.2. INCOME TAX WITHHOLDING AND REPORTING COURSE

This training course provides a summary of the legal requirements relating to tax withholding. It is a considerably condensed version of the much more detailed pamphlet in item 3.1 above entitled Federal and State Tax Withholding Options for Private Employers. It is meant for busy people who do not have time to read that entire document. It also includes requirements pertaining to ministers of the gospel.

### **3.4. THE "TRADE OR BUSINESS" SCAM**

This short but very important piece by Family Guardian highlights the foundation of:

- What it means to be a "taxpayer" within the I.R.C.
- The nature of subtitle A as an indirect excise tax
- Exactly what the "taxable activity" is that actually makes one into a "taxpayer".

Once you know exactly what activity is "taxable", you can avoid liability for tax entirely by avoiding involving yourself in the activity. This is an OFFSITE link and we are not responsible for the content. Below is the link:

### **3.6. "TAXED" VIDEO**

This video by Michael Symonds contains a one hour video of three ex IRS agents: John Turner, Sherry Jackson, and Joe Bannister. The agents admit that our tax "codes" (not "laws", but "codes") are deceptive and that the IRS illegally enforces them.

They reveal some of their own research into the illegal enforcement of the tax code by the IRS and describe the affects of revealing that research to their supervisors and coworkers at the IRS. Very interesting and enlightening! The email address for Michael on the video does not work and we don't have an alternate address for you to use, so please don't ask us for one.

### **3.7. WHY DOMICILE AND BECOMING A "TAXPAYER" REQUIRE YOUR CONSENT**

This article is VERY enlightening and explains some extremely important information about the origin of ALL of the government's civil jurisdiction over us, which is your voluntary choice of legal domicile. It proves that the only people the government can "govern" and who are therefore "persons" under federal civil law are those who WANT to be governed, consistent with what the Declaration of Independence says:

*"That to secure these rights, governments are instituted among men, deriving their JUST powers from the  CONSENT of the governed.. ."*  
*[Declaration of Independence]*

It shows how the process of volunteering into the government's jurisdiction and becoming a "subject citizen" occurs, so that you will know how to UNVOLUNTEER and restore your sovereign status as a person governed by  [God's Laws](#) rather than the  [pagan civil religion](#) that self-serving lawyers and politicians have created as a vain and idolatrous substitute.

## **3.9. REASONABLE BELIEF ABOUT INCOME TAX LIABILITY**

In order to competently defend our sovereignty, we must be well-informed about exactly what evidence of enacted law is legally admissible in court as a basis for a good-faith, reasonable belief about one's tax liability. We have not been able to locate even one source in any law library, government website, or government publication that comprehensively addresses exactly what a person can rely upon in forming such a reasonable belief, and which takes into account all available sources of belief. Our research reveals that the answer to this question is dependent on your exact legal circumstances, such as your [domicile](#) and also the nature of any contracts or employment you may have in relation to the federal government. Therefore, we have crafted a pamphlet that answers this question succinctly and authoritatively using readily available and verifiable sources. The document is also useful in developing what is called a "reliance defense" against criminal prosecution for any violation of the criminal provisions of the I.R.C. EVERYONE should have this absolutely essential document in their evidence arsenal and attached to their IRS correspondence, people!

## **4. AVOIDING GOVERNMENT FRANCHISES, LICENSES, AND IDENTITY THEFT**

This section deals with how to avoid government "[franchises](#)". A "[franchise](#)" is an arrangement usually between you and the government, the voluntary acceptance of which puts you into a "privileged" state and causes a surrender of rights of one kind or another. The courts call "franchises" by various pseudonyms to disguise the nature of the [inferior](#) relation to the government of "franchisees", such as "public right" or "privilege". Franchises include:

1. A public office:

*"Is it a franchise? **A franchise is said to be a right reserved to the people by the constitution, as the elective franchise. Again, it is said to be a privilege conferred by grant from government, and vested in one or more individuals, as a public office.** Corporations, or bodies politic are the most usual franchises known to our laws."  
[People v. Ridgley, 21 Ill. 65, 1859 WL 6687, 11 Peck 65 (Ill., 1859)]*

2. All federal and state income taxes.  [Click here](#) for details.

3. **Domicile** in the forum state, which causes one to end up being one of the following:
  - 3.1 Statutory "U.S. citizen" pursuant to [8 U.S.C. §1401](#) if a domestic national.
  - 3.2 Statutory "Permanent resident" pursuant to [26 U.S.C. §7701\(b\)\(1\)\(A\)](#) if a foreign national.
4. Becoming a notary public. This makes the applicant into a "public official" commissioned by the state government.

Chapter 1  
Introduction  
§1.1 Generally

**A notary public (sometimes called a notary) is a public official appointed under authority of law** with power, among other things, to administer oaths, certify affidavits, take acknowledgments, take depositions, perpetuate testimony, and protect negotiable instruments. Notaries are not appointed under federal law; they are appointed under the authority of the various states, districts, territories, as in the case of the Virgin Islands, and the commonwealth, in the case of Puerto Rico. The statutes, which define the powers and duties of a notary public, frequently grant the notary the authority to do all acts justified by commercial usage and the "law merchant".

[\[Anderson's Manual for Notaries Public, Ninth Edition, 2001, ISBN 1-58360-357-3\]](#)

5. Becoming a registered "voter" rather than an "elector".
6. Serving as a jurist. [18 U.S.C. §201](#)(a)(1) says that all persons serving as federal jurists are "public officials".
7. [I.R.C. 501](#)(c)(3) status for churches. Churches that register under this program become government "trustees" and "public officials" that are part of the government. Is THIS what you call "separation of church and state"? [Click here](#) (OFFSITE LINK) for details.
8. Most but not all licensed activities, such as:
  - 8.1 Attorney licenses. All attorneys are "officers of the court" and the courts in turn are part of the government. [Click here](#) for details.
  - 8.2 Marriage licenses. [Click here](#) for details.
  - 8.3 Driver's licenses. [Click here](#) for details.
  - 8.4 Professional licenses.
  - 8.5 Fishing licenses.
9. All **government "benefits"**, including, but not limited to:
  - 9.1 Social Security benefits.  [Click here](#) for details.
  - 9.1 Medicare.
  - 9.2 Medicaid.
10. FDIC insurance of banks. [31 C.F.R. §202.2](#) says all FDIC insured banks are "agents" of the federal government and therefore "public officers".
11. Participation of banks in the federal Reserve System. [12 U.S.C. §90](#) makes all "national banks" that are part of the Federal Reserve System into "agents of the government".
12. Patents.
13. Copyrights.

The U.S. Supreme Court acknowledged that private conduct is beyond the reach of the government and that certain harmful, and therefore regulated activities may cause the actors to become "public officers" when it held the following.

**"One great object of the Constitution is to permit citizens to structure their private relations as they choose subject only to the constraints of statutory or decisional law. [500 U.S. 614, 620]**

**To implement these principles, courts must consider from time to time where the governmental sphere [e.g. "public purpose" and "public office"] ends and the private sphere begins. Although the conduct of private parties lies beyond the Constitution's scope in most instances, governmental authority may dominate an activity to such an extent that its participants must be deemed to act with the authority of the government and, as a result, be subject to constitutional constraints. This is the jurisprudence of state action, which explores the "essential dichotomy" between the private sphere and the public sphere, with all its attendant constitutional obligations. Moose Lodge, supra, at 172."**

[. . .]

Given that the statutory authorization for the challenges exercised in this case is clear, the remainder of our state action analysis centers around the second part of the Lugar test, whether a private litigant, in all fairness, must be deemed a government actor in the use of peremptory challenges. Although we have recognized that this aspect of the analysis is often a fact-bound inquiry, see Lugar, supra, 457 U.S. at 939, our cases disclose certain principles of general application. **Our precedents establish that, in determining whether a particular action or course of conduct is governmental in character, it is relevant to examine the following:**

**[1] the extent to which the actor relies on governmental assistance and benefits, see Tulsa Professional**

[Collection Services, Inc. v. Pope, 485 U.S. 478 \(1988\); Burton v. Wilmington Parking Authority, 365 U.S. 715 \(1961\);](#)

[\[2\] whether the the actor is performing a traditional governmental function, see Terry v. Adams, 345 U.S. 461 \(1953\); Marsh v. Alabama, 326 U.S. 501 \(1946\); cf. San Francisco Arts & Athletics, Inc. v. United States Olympic \[500 U.S. 614, 622\] Committee, 483 U.S. 522, 544 -545 \(1987\);](#)

[\[3\] and whether the injury caused is aggravated in a unique way by the incidents of governmental authority, see Shelley v. Kraemer, 334 U.S. 1 \(1948\).](#)

*Based on our application of these three principles to the circumstances here, we hold that the exercise of peremptory challenges by the defendant in the District Court was pursuant to a course of state action.*  
[\[Edmonson v. Leesville Concrete Company, 500 U.S. 614 \(1991\)\]](#)

Note that the "statutory or decisional law" they are referring to above are ONLY.

1. Criminal law.
2. [Civil franchises](#) that you consensually engage in using your right to contract.
3. The common law. This protects exclusively private rights beyond the control of government.

For an explanation of why this is, see:  [Why Statutory Civil Law is Law for Government and Not Private Persons, Form #05.037.](#)

Nearly every type of government-issued benefit, license, or "[privilege](#)" you could possibly procure makes you into a "[public officer](#)", "public official", "[fiduciary](#)", "alien", "[resident](#)", "[transferee](#)", or "trustee" of the government of one kind or another with a "residence" on federal [territory](#).

*"All the powers of the government [ including ALL of its civil enforcement powers (FORM #05.032) against the public] must be carried into operation **by individual agency, either through the medium of public officers, or contracts made with [private] individuals.**"*  
*[Osborn v. Bank of U.S., 22 U.S. 738 (1824)]*

The application or license to procure the " [benefits](#) (FORM #05.040)" of the franchise constitutes the contract mentioned above that creates the public office and the "RES" which is "IDENT-ified" within the government's legislative jurisdiction on federal territory. Hence "[RES-IDENT](#)"/"[resident](#)".

**"Res. Lat. The subject matter of a trust [the Social Security Trust or the "public trust"/"public office", in most cases] or will [or legislation].** In the civil law, a thing; an object. As a term of the law, this word has a very wide and extensive signification, including not only things which are objects of property, but also such as are not capable of individual ownership. And in old English law it is said to have a general import, comprehending both corporeal and incorporeal things of whatever kind, nature, or species. **By "res," according to the modern civilians, is meant everything that may form an object of rights, in opposition to "persona," which is regarded as a subject of rights. "Res," therefore, in its general meaning, comprises actions [or CONSEQUENCES of choices and CONTRACTS/AGREEMENTS you make by procuring BENEFITS] of all kinds; while in its restricted sense it comprehends every object of right, except actions.** This has reference to the fundamental division of the Institutes that all law relates either to persons, to things, or to actions.

**Res is everything that may form an object of rights and includes an object, subject-matter or status.** In re Riggles Will, 11 A.D.2d 51 205 N.Y.S.2d 19, 21, 22. **The term is particularly applied to an object, subject-matter, or status, considered as the defendant [hence, the ALL CAPS NAME] in an action, or as an object against which, directly, proceedings are taken.** Thus, in a prize case, the captured vessel is "the res"; and proceedings of this character are said to be in rem. (See In personam; In Rem.) "Res" may also denote the action or proceeding, as when a cause, which is not between adversary parties, is entitled "In re \_\_\_\_\_".  
*[Black's Law Dictionary, Sixth Edition, pp. 1304-1306]*

The "subject matter or status" they are talking about includes all privileged statuses such as "taxpayer", "benefit recipient", or statutory "U.S. citizen" (8 U.S.C. §1401), or statutory "U.S. resident (alien)" (26 U.S.C. §7701(b)(1)(A)). Even domicile is a type of franchise--a "protection franchise", to be precise. This "res-ident" is what most people in the freedom community would refer to as your "straw man". If a state-issued license or benefit is at issue, the territory that the privilege or franchise attaches to is federal [territory](#) that is usually in a [federal area within the exterior limits of the state](#). The reason all licenses must presume domicile of the "person" on federal [territory](#) is that they are implemented using civil law and they regulate the exercise of rights protected by the Constitution, which in turn is a violation of rights. The Constitution and the Bill of Rights portion of the Constitution does not

apply on federal [territory](#), and therefore there is no conflict with the Constitution in regulating the exercise of rights there.

*“Indeed, the practical interpretation put by Congress upon the Constitution has been long continued and uniform to the effect [182 U.S. 244, 279] that **the Constitution is applicable to territories acquired by purchase or conquest, only when and so far as Congress shall so direct. Notwithstanding its duty to 'guarantee to every state in this Union a republican form of government' (art. 4, 4), by which we understand, according to the definition of Webster, 'a government in which the supreme power resides in the whole body of the people, and is exercised by representatives elected by them,' Congress did not hesitate, in the original organization of the territories of Louisiana, Florida, the Northwest Territory, and its subdivisions of Ohio, Indiana, Michigan, Illinois, and Wisconsin and still more recently in the case of Alaska, to establish a form of government bearing a much greater analogy to a British Crown colony than a republican state of America**, and to vest the legislative power either in a governor and council, or a governor and judges, to be appointed by the President. It was not until they had attained a certain population that power was given them to organize a legislature by vote of the people. In all these cases, as well as in territories subsequently organized west of the Mississippi, Congress thought it necessary either to extend to Constitution and laws of the United States over them, or to declare that the inhabitants should be entitled to enjoy the right of trial by jury, of bail, and of the privilege of the writ of habeas corpus, as well as other privileges of the bill of rights.”*  
[Downes v. Bidwell, [182 U.S. 244](#) (1901)]

Consent to the franchise contract or agreement is therefore what creates the statutory “person” and “individual”, or “res-ident” who is the only proper subject of the franchise in the otherwise foreign jurisdiction. That is why the definition of “foreign” and “domestic” in the Internal Revenue Code hinges on whether the “person” is in fact a corporation:

26 U.S. Code § 7701 – Definitions

(a) When used in this title, where not otherwise distinctly expressed or manifestly incompatible with the intent thereof—

(4) Domestic

**The term “domestic” when applied to a corporation or partnership means created or organized in the United States or under the law of the United States or of any State unless, in the case of a partnership, the Secretary provides otherwise by regulations.**

(5) Foreign

The term “foreign” when applied to a corporation or partnership means a corporation or partnership which is not domestic.

[26 U.S.C. §7701(a)(4)-(5)]

Note that based on the above definitions, those who are NOT corporate statutory “persons” would be “foreign” rather than “domestic”, and a STATUTORY “non-resident non-person”. This STATUTORY “non-resident non-person” is described in 26 U.S.C. §7701(a)(31) as not engaged in a public office and whose property is a “foreign estate”. The “partnership” they are talking about in the above definition is the same partnership invoked in the definition of “person” at 26 U.S.C. §§6671(b) and 7343, which is a partnership between the United States Federal Corporation and an otherwise PRIVATE human or entity. That partnership gives rise to agency on behalf of said corporation, and the agency itself is the only proper subject of tax. Remember: Contracts create agency:

*“All the powers of the government [[including ALL of its civil enforcement powers](#) against the public] must be carried into operation **by individual agency, either through the medium of public officers, or contracts made with [private] individuals.**”*  
[Osborn v. Bank of U.S., [22 U.S. 738](#) (1824)]

Notice that the tax extends wherever the GOVERNMENT extends, meaning the PUBLIC OFFICES of the government, because Congress can only tax what it creates, and it didn't create HUMANS. The only thing it can create are bogus franchise offices and fool legally ignorant humans into volunteering for them using deceptive government forms which are deliberately not trustworthy and contain LIES:

*“Loughborough v. Blake, 5 Wheat. 317, 5 L.Ed. 98, was an action of trespass or, as appears by the original record, replevin, brought in the circuit court for the District of Columbia to try the right of Congress to impose a direct tax for general purposes on that District. 3 Stat. at L. 216, chap. 60. **It was insisted that Congress could act in a double capacity: in one as legislating [182 U.S. 244, 260] for the states; in the other as a local legislature for the District of Columbia. In the latter character, it was admitted that the power of levying direct taxes might be exercised, but for District purposes only, as a state legislature might tax for state purposes; but that it could not**”*

**legislate for the District under art. 1, 8, giving to Congress the power 'to lay and collect taxes, imposts, and excises,' which 'shall be uniform throughout the United States,' inasmuch as the District was no part of the United States [described in the Constitution]. It was held that the grant of this power was a general one without limitation as to place, and consequently extended to all places over which the government extends; and that it extended to the District of Columbia as a constituent part of the United States.** The fact that art. 1, 2, declares that 'representatives and direct taxes shall be apportioned among the several states . . . according to their respective numbers' furnished a standard by which taxes were apportioned, but not to exempt any part of the country from their operation. 'The words used do not mean that direct taxes shall be imposed on states only which are represented, or shall be apportioned to representatives; **but that direct taxation, in its application to states, shall be apportioned to numbers.**' That art. 1, 9, 4, declaring that direct taxes shall be laid in proportion to the census, was applicable to the District of Columbia, 'and will enable Congress to apportion on it its just and equal share of the burden, with the same accuracy as on the respective states. If the tax be laid in this proportion, it is within the very words of the restriction. It is a tax in proportion to the census or enumeration referred to.' It was further held that the words of the 9th section did not 'in terms require that the system of direct taxation, when resorted to, shall be extended to the territories, as the words of the 2d section require that it shall be extended to all the states. They therefore may, without violence, be understood to give a rule when the territories shall be taxed, without imposing the necessity of taxing them.'" [Downes v. Bidwell, [182 U.S. 244](#) (1901)]

In fact, we refer to all statutory "residents" simply as "government contractors". Below is an example of how this identity theft and kidnapping occurs in fraudulently creating this "res-ident". The word of art "trade or business" is defined as "the functions of a public office" in 26 U.S.C. §7701(a)(26). When one indicates that they are engaged in the privileged "trade or business"/public office activity, they at that point are treated as and are presumed to be "resident aliens" within the meaning of the Internal Revenue Code:

[26 C.F.R. §301.7701-5 Domestic, foreign, resident, and nonresident persons. \(4-1-04\)](#)

A domestic corporation is one organized or created in the United States, including only the States (and during the periods when not States, the Territories of Alaska and Hawaii), and the District of Columbia, or under the law of the United States or of any State or Territory. A foreign corporation is one which is not domestic. A domestic corporation is a resident corporation even though it does no business and owns no property in the United States. **A foreign corporation engaged in trade or business within the United States is referred to in the regulations in this chapter as a resident foreign corporation, and a foreign corporation not engaged in trade or business within the United States, as a nonresident foreign corporation.** A partnership engaged in trade or business within the United States is referred to in the regulations in this chapter as a resident partnership, and a partnership not engaged in trade or business within the United States, as a nonresident partnership. **Whether a partnership is to be regarded as resident or nonresident is not determined by the nationality or residence of its members or by the place in which it was created or organized.**

Consensus facit legem.

Consent makes the law. A contract is a law between the parties, which can acquire force only by consent.

Applying for any kind of "privilege" or franchise from the government or engaging in the activity that constitutes the privilege amounts to your constructive consent to be treated as a "[resident alien](#)" who is  [domiciled](#) on federal territory and who has no constitutional rights. The following articles and forms describe this straw man and provide tools to notify the government that you have [disconnected](#) yourself from this "straw man" who is the "public officer" that is the only proper or lawful subject of most federal legislation:

1.  [Proof that There Is a "Straw Man". Form #05.042](#)
2. [State Created Office of "Person"](#) (OFFSITE LINK)
3. [IRS Form 56: Notice Concerning Fiduciary Relationship. Form #04.204](#)
4.  [Affidavit of Corporate Denial. Form #02.004](#)

Participating in federal franchises has the following effects upon the legal status of various types of "persons" listed below. The right column describes the status of the "public officer" you represent while you are acting in that capacity. The right column is a

judicial creation not found directly in the statutes and which results from the application of the [Foreign Sovereign Immunities Act, 28 U.S.C. §1605](#). It does not describe your own private status. This "public officer" in the right column is the "straw man" that is the subject of nearly all federal legislation that could or does regulate your conduct. Without the existence of the straw man, the [Thirteenth Amendment](#) would make it illegal to enforce federal civil law against human beings because of the prohibition against involuntary servitude. For details on how the change in "choice of law" is effected by you voluntarily consenting to assume the duties of the "public officer" straw man, read sections 13 through 13.6 of our pamphlet below:

**WARNING:** Participating in ANY government franchise can leave you entirely without standing or remedy in any federal court! Essentially, by eating out of the government's hand, you are SCREWED, BLACK AND BLUED, and TATTOOED! The language below comes from the [Constitutional Avoidance Doctrine \(Litigation Tool #10.020\)](#) of the U.S. Supreme Court:

***"These general rules are well settled:***

***(1) That the United States, when it creates rights in individuals against itself [a "public right", which is a euphemism for a "franchise" to help the court disguise the nature of the transaction], is under no obligation to provide a remedy through the courts.*** *United States ex rel. Dunlap v. Black, 128 U. S. 40, 9 Sup. Ct. 12, 32 L. Ed. 354; Ex parte Atocha, 17 Wall. 439, 21 L. Ed. 696; Gordon v. United States, 7 Wall. 188, 195, 19 L. Ed. 35; De Groot v. United States, 5 Wall. 419, 431, 433, 18 L. Ed. 700; Comegys v. Vasse, 1 Pet. 193, 212, 7 L. Ed. 108.*

***(2) That where a statute creates a right and provides a special remedy, that remedy is exclusive.*** *Wilder*

*Manufacturing Co. v. Corn Products Co.*, 236 U. S. 165, 174, 175, 35 Sup. Ct. 398, 59 L. Ed. 520, Ann. Cas. 1916A, 118; *Amson v. Murphy*, 109 U. S. 238, 3 Sup. Ct. 184, 27 L. Ed. 920; *Barnet v. National Bank*, 98 U. S. 555, 558, 25 L. Ed. 212; *Farmers' & Mechanics' National Bank v. Dearing*, 91 U. S. 29, 35, 23 L. Ed. 196. Still the fact that the right and the remedy are thus intertwined might not, if the provision stood alone, require us to hold that the remedy expressly given excludes a right of review by the Court of Claims, where the decision of the special tribunal involved no disputed question of fact and the denial of compensation was rested wholly upon the construction of the act. See *Medbury v. United States*, 173 U. S. 492, 198, 19 Sup. Ct. 503, 43 L. Ed. 779; *Parish v. MacVeagh*, 214 U. S. 124, 29 Sup. Ct. 556, 53 L. Ed. 936; *McLean v. United States*, 226 U. S. 374, 33 Sup. Ct. 122, 57 L. Ed. 260; *United States v. Laughlin (No. 200)*, 249 U. S. 440, 39 Sup. Ct. 340, 63 L. Ed. 696, decided April 14, 1919."  
[U.S. v. Babcock, 250 U.S. 328, 39 S.Ct. 464 (1919)]

For a detailed exposition of why the above is true, see also  [Allen v. Graham, 8 Ariz.App. 336, 446 P.2d 240 \(Ariz.App. 1968\)](#). Signing up for government entitlements hands them essentially a blank check, because they, and not you, determine the cost for the service and how much you will pay for it beyond that point. This makes the public servant into your Master and beyond that point, you must lick the hands that feed you. Watch Out! NEVER, EVER take a hand-out from the government of ANY kind, or you'll end up being their CHEAP WHORE. The Bible calls this WHORE "Babylon the Great Harlot". Remember: Black's Law Dictionary defines "commerce", e.g. commerce with the GOVERNMENT, as "intercourse". Bend over!

**Commerce.** ...Intercourse by way of trade and traffic between different peoples or states and the citizens or inhabitants thereof, including not only the purchase, sale, and exchange of commodities, but also the instrumentalities [governments] and agencies by which it is promoted and the means and appliances by which it is carried on..."  
[Black's Law Dictionary, Sixth Edition, p. 269]

Government franchises and licenses are the main method for destroying the sovereignty of the people pursuant to [28 U.S.C. §1603\(b\)\(3\)](#) and [28 U.S.C. §1605\(a\)\(2\)](#). They are also the MAIN method that our public servants abuse to escape the straight jacket chains of the constitution. Below is an admission by the U.S. Supreme Court of this fact in relation to Social Security:

"We must conclude that a person covered by the Act has not such a right in benefit payments... This is not to say, however, that Congress may exercise its power to modify the statutory scheme **free of all constitutional restraint.**"  
[Flemming v. Nestor, [363 U.S. 603](#) (1960)]

## **4.7. WHY IT IS ILLEGAL FOR ME TO REQUEST OR USE A TAXPAYER IDENTIFICATION NUMBER**

There are many occasions in which Christians are called to either request, to use, or to disclose government issued identifying numbers such as Social Security Numbers or Taxpayer Identification Numbers (TINs). The Bible calls such numbers the “mark of the beast” and calls all governments who issue them “the beast”.

*"And I saw **the beast, the kings of the earth, and their armies**, gathered together to make war against Him who sat on the horse and against His army."  
[Rev. 19:19, Bible, NKJV]*

The focus of this form is to provide a compact, convenient form that can be presented by persons doing business with private employers and financial institutions that will prove that they may not lawfully have or use government issued identifying numbers and would be violating the criminal laws to do so. This places the recipient of the form in the awkward position of either willfully engaging in a conspiracy to commit a crime or removing their demand for such a number.

## 4.8. AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

The IRS has no form that  [non-resident non-persons](#) domiciled in states of the Union who are not engaged in a "[trade or business](#)" and not "[individuals](#)" (meaning "public officers" in the government) can use to describe their lawful citizenship and tax status to the government, businesses, and financial institutions. Those who are "[individuals](#)" are described in [26 C.F.R. §1.871-1\(b\)\(1\)\(i\)](#), but there is no equivalent regulation for those who are not "[individuals](#)" and no form available to use to document their immunity or sovereignty.

1.  [IRS Form 8233](#) is inadequate because it is for "[personal services](#)" rendered within the "[United States](#)" (e.g. federal zone). The I.R.C. and regs  [presume](#) that "[personal services](#)" means services connected with a "[trade or business](#)".
2. There is no form available to exempt from withholding a person not in receipt of taxable "privileges" because not engaged in "[personal services](#)" ("trade or business" services), not working within the federal zone ("[United States](#)"), not engaged in a "[trade or business](#)", not a "[beneficial owner](#)",  [not participating in Socialist INSecurity](#), and not in receipt of treaty benefits. In effect, they are refusing to acknowledge that a person can be a nontaxpayer without accepting a "privilege" because they want to compel everyone into a privileged state to destroy their rights and sovereignty.
3. The closest we have been able to come in searching for such a needed form is the [AMENDED IRS form W-8BEN \(Compliant Members Only form\)](#), but it still leaves much to be desired because it doesn't specifically indicate that withholding is unlawful in the case of such a person, even though  [IRS Pub 519](#), the I.R.C., and the Treasury regulations authorize such an exemption from withholding and tax liability. See 26 C.F.R. §1.872-2(f), 26 C.F.R. §31.3401(a)(6)-1(b), [26 U.S.C. §861\(a\)\(3\)\(C\)\(i\)](#), [26 U.S.C. §3401\(a\)\(6\)](#), [26 U.S.C. §1402\(b\)](#), and [26 U.S.C. §7701\(a\)\(31\)](#).
4. The  [original IRS form W-8](#), discontinued in 2002, served the required purpose. The IRS modified the form by replacing it with [the W-8BEN](#) so that people with the correct status above would have no remedy to defend their status using what the law allows. They did this to dupe even more people unwittingly into becoming "[taxpayers](#)".

People have been asking us for a substitute form that does the job to make it easier to defend and explain their sovereignty on certain key occasions, and now they have authoritative tools to use to defend their status! This item solves these problems and provides a very potent and compact form can be used for several important occasions in order to explain, defend, and justify your status as a constitutional citizen, not a statutory "[U.S. citizen](#)" as defined [8 U.S.C. §1401](#), a "national", a " [non-resident non-person](#)", and a "nontaxpayer". It is specifically designed to attach to any one of the following important applications to clarify your citizenship, domicile, and tax status:

1. Financial account applications along with an [AMENDED IRS form W-8BEN \(Compliant Members Only form\)](#) in order to open an account without an SLAVE SURVEILLANCE NUMBER or any kind of 1099 reporting or tax withholding. **NOTE:** DO NOT use the standard IRS form W-8BEN, because it makes you into a "beneficial owner" and therefore a "taxpayer".
2. Job application
3. Voter registration
4. Jury summons response
5. Government application or form

Below is a link to this very important form. The form is electronically fillable, so that you can fill in the fields from Adobe Acrobat and save your copy locally for reuse in the future to save you LOTS of time responding to tax collection notices.

## 4.9. USA PASSPORT APPLICATION ATTACHMENT

The terms used on the USA Passport Application, Dept. of State Form DS-11, relating to citizenship are deliberately vague and ambiguous and do not provide an option for THREE types of American citizenship that a person can have. This is exhaustively explained in the following memorandum of law:

-  [Why You Are a "national", "state national", and Constitutional but not Statutory Citizen, Form #05.006-SEDM](#)

The DS-11 Passport Application form only gives one choice, and that choice creates a  [presumption](#) that one is a [statutory](#) rather than [constitutional "U.S. citizen"](#) as defined in [8 U.S.C. §1401](#). This presumption is FALSE in the case of all persons who are  [domiciled](#) in a state of the Union. The only way to prevent this  [false presumption](#) is to either modify the form before you submit it or to attach this form. Using this form is EXTREMELY important.

## 4.10. VOTER REGISTRATION ATTACHMENT

The terms used on state voter registration forms relating to citizenship are deliberately vague and ambiguous and do not provide an option for THREE types of American citizenship that a person can have. This is exhaustively explained in the following memorandum of law:

-  [Why You Are a "national", "state national", and Constitutional but not Statutory Citizen, Form #05.006-SEDM](#)

Most state voter registration forms only give one choice, and that choice creates a  [presumption](#) that one is a [statutory](#) rather than [constitutional "U.S. citizen"](#) as defined in [8 U.S.C. §1401](#). This presumption is FALSE in the case of all persons who are  [domiciled](#) in a state of the Union. ## 4.11. TAX FORM ATTACHMENT

STANDARD IRS forms are famous for creating the following  [false presumptions](#):

1. That you are a "[taxpayer](#)". The only persons the [IRS Mission Statement found in IRM 1.1.1.1](#) authorizes the IRS to help or publish forms for are "taxpayers". See  [our Form #05.013](#) for details.
2. That because you provided a federal identifying number, you are a "franchisee" engaged in a "[trade or business](#)" and a "[public office](#)" within the U.S. government. See [our Form #07.004](#) for details.
3. That you maintain a [domicile](#) in the "[United States](#)", which is defined in [26 U.S.C. §7701\(a\)\(9\) and \(a\)\(10\)](#) as the federal zone and nowhere expressly includes any state of the Union. The IRS Form 1040, for instance, is only for use by those who maintain a "[domicile](#)" or "residence" within the federal zone, which people domiciled in states of the Union do not.
4. That you are an "[individual](#)", which is defined in 26 C.F.R. §1.1441-1(c)(3) as a "nonresident alien individual" as defined in [26 U.S.C. §7701\(b\)\(1\)\(B\)](#) or "alien individual" pursuant to [26 U.S.C. §7701\(b\)\(1\)\(A\)](#) domiciled in the "United States" who works for the U.S. government in a "public office" as the "[employee](#)" defined in [5 U.S.C. §2105](#).
  - 4.1 The term "individual" is deliberately not defined in the I.R.C. because this would spill the beans that you can't be an "individual" subject to federal jurisdiction who is not an "[employee](#)", officer, or instrumentality of the U.S. government.
  - 4.2 These same "individuals" are also defined as "federal personnel" in [5 U.S.C. §552a\(a\)\(2\)](#) and they are all federal trusts created under the authority of the Social Security Act.
  - 4.3 The income tax is a tax on these trusts, and this is confirmed by the definition of "income" found in [26 U.S.C. §643\(b\)](#). The Social Security Trust associated with the SSN/TIN is, in fact, the ONLY real or lawful "[taxpayer](#)". This trust is a wholly owned subsidiary of " [U.S. Inc.](#)", which is a federal corporation and therefore the trust also is a federal corporation. This is also clarified in:
  [Why Statutory Civil Law is Law for Government and Not Private Persons. Form #05.037](#)

All four of the above  [false presumptions](#) have the desired consequences of causing you to surrender your [sovereign immunity](#) pursuant to [28 U.S.C. §1603\(b\)\(3\)](#) and [28 U.S.C. §1605\(a\)\(2\)](#) and making you into an indentured servant of the federal government who is surety for public debts and every pork barrel spending bill your public DIS-servants dream up. There are three methods for preventing or overcoming these deliberately  [false presumptions](#):

1. Use AMENDED IRS forms that remove the presumptions. [Click here](#) (OFFSITE LINK) for a source of AMENDED IRS forms.
2. Use STANDARD IRS forms and then modify them to correctly reflect your status. The modifications required are listed in [Section 1 of this link](#). Sometimes, the IRS tries to penalize people who "alter" their forms.
3. Use STANDARD IRS forms that you don't modify but above your signature write "Not valid, false, and perjurious without signed Tax Form Attachment attached" and then attach this form. This approach avoids any penalties the IRS might attempt to impose for "altering" their forms, and yet avoids you having to commit perjury under penalty of perjury on a government form.

This form provides a standardized and very effective way to accomplish the last option above. The last option above implemented with this form is the most convenient of the above three options and provides a very consistent and bullet-proof way to correctly describe your status as a Member using any government form. Using this form with EVERY STANDARD IRS form you submit is a mandatory requirement of our [Member Agreement](#).

## 4.12. CORRECTING ERRONEOUS INFORMATION RETURNS

False information returns filed against people are the main method by which "nontaxpayers" are compelled unlawfully to become "taxpayers". Filing of these false returns is a quite common criminal violation of [26 U.S.C. §7206](#) and [7207](#) and a civil violation of [26 U.S.C. §7434](#) for those who file them. Our [Member Agreement](#) requires Members to prevent these false returns from being filed in the first place and also calls for correcting all those that are filed so that they don't erroneously become connected to the "[trade or business](#)" (OFFSITE LINK) franchise that is codified within [Internal Revenue Code Subtitles A and C](#).

## 4.13. PRIVACY AGREEMENT

The most important thing you can do to defend your sovereignty is to defend your privacy. The only thing the government can lawfully keep records on are its own agents, employees, officers, benefit recipients, and contractors without violating your Fourth Amendment right of privacy. In order to restore your privacy, you must systematically disconnect yourself from all of these franchises and continually emphasize nonparticipation whenever you provide information to third parties about yourself. This form protects your privacy from abuses and violations of law by government, private industry, and regulators by:

1. Preventing the illegal enforcement of  [government franchises](#) against non-parties and restoring your character as a private person instead of a "public officer".
2. Preventing compelled or illegal use or disclosure of public property such as Social Security Cards and Social Security Numbers.  [Click here](#) for details.
3. Preventing disclosure of personal information to government or regulatory agencies by disconnecting you from public benefits and franchises, thereby causing you to withdraw consent to maintain or disclose records or information about you pursuant to [5 U.S.C. §552a\(b\)](#).
4. Creating an anti-franchise franchise of your own whereby information about you is YOUR property and not that of the recipient and makes recipients of your personal information personally liable for any and all disclosures to third parties that are not expressly authorized IN WRITING.
5. Preventing the filing of Currency Transaction Reports (CTR) and Suspicious Activity Reports (SAR) against persons not engaged in the "[trade or business](#)" franchise.
6. Educating regulators and compliance people in the government and private industry about the limitations upon their authority to disclose

or share with third parties records about a person who does not participate in franchises. Public servants who regulate and supervise financial institutions, public entities, and federal franchises typically misrepresent the requirements of the law and illegally enforce these franchises against nonparticipants by compelling disclosure to them of information that is NOT public and does not relate to activities of "public officers" or agents of the government.

Attach this form to all financial, account, government, and medical forms to ensure your privacy is protected and that you do not become the unlawful subject of any financial transaction report. If you don't use this form, you could become the target of unlawful government enforcement and/or be prosecuted for "structuring" ([31 U.S.C. §5324](#)) or money laundering ([18 U.S.C. §1956](#)) if someone in the government wants to make trouble for those who refuse to participate in federal franchises.

## 4.18. FEDERAL PLEADING/MOTION/PETITION ATTACHMENT

Federal district and circuit courts are legislative franchise courts established pursuant to [Article IV, Section 3, Clause 2](#) of the United States Constitution, not pursuant to [Article III](#). They are "property courts" and not "justice courts" that mainly administer, protect, and expand  [federal franchises](#) and other property. If you aren't very careful, any attempt to petition such a court can cause the court or your government opponent to abuse  [presumption](#) to make you into government property or a custodian over government property by connecting you to  [franchises](#) and offices in the government against your will and thereby enslaving you. Attach this form to every motion, petition, or pleading you file in federal court so that you can prevent all the following important games and obstruction of justice by the U.S. Attorney and the de facto judge:

1. The default false presumption that you have a domicile on federal territory and therefore participate in their protection franchise and have a duty to pay for said protection.
2. The default false presumption that you are a  [statutory "U.S. citizen"](#) pursuant to [8 U.S.C. §1401](#) subject to the exclusive jurisdiction of Congress.
3. Prejudicial  [presumptions](#) about the meaning of specific "[words of art](#)".
4. Prejudicial  [presumptions](#) that you are a "[taxpayer](#)" subject to the I.R.C.
5. Prejudicial  [presumptions](#) about the use of [Taxpayer Identification Numbers](#) by the U.S. attorney.

6. The de facto magistrate assuming you consent to their jurisdiction under [28 U.S.C. §636](#), which is mandatory if heard by a magistrate. This form establishes that you have NO DELEGATED AUTHORITY to consent to their jurisdiction.
7. The judge or U.S. Attorney from gaining an advantage by ignoring or omitting to address any objection or factual statement you make by invoking [F.R.Civ.P. 8\(b\)\(6\)](#).

## **4.20. THE GOVERNMENT "BENEFITS" SCAM**

Those who refuse to accept  [government franchises](#) and services and lawfully refuse to pay for these services are sometimes illegally prosecuted by zealous but *criminal* government attorneys for "willful failure to file" under [26 U.S.C. §7203](#) and "tax evasion" under [26 U.S.C. §7201](#). The government's offense in these cases is like a broken record:

*"Mr./Ms. \_\_\_\_\_ accepts the 'benefits' of living in this country but refuses to pay his/her 'fair share'. He/she is a LEECH and you ought to hang him!"*

For an example of the above such rhetoric from an actual criminal tax case, [Click Here](#) (OFFSITE LINK).

Well, this memorandum proves beyond a shadow of a doubt that all such rhetoric is not only FALSE, FRAUDULENT, and RIDICULOUS, but

constitutes a criminal conspiracy against your constitutionally guaranteed rights. You have a constitutionally protected right to NOT contract with or do business with the government protected by [Article 1, Section 10](#) of the Constitution. The government is just like any other corporation or business and the only service it provides is "protection". Those who are "customers" of this protection and  [social insurance](#) service must voluntarily choose a  [domicile](#) within the jurisdiction of the government and are then called "[U.S. citizens](#)", "[U.S. residents](#)", or "[U.S. persons](#)". When the "protection service" provided by government is ineffective, wasteful, inefficient, and/or actually harmful to us or our family, we always have the right to "fire the bastards" and cease to be "customers". The [Declaration of Independence](#), in fact, makes it our DUTY to pursue "better safeguards for our future security". Those who do this are called "nonresidents", "[nonresident aliens](#)", and "transient foreigners". Use this pamphlet as a powerful defense in court against such bogus charges.

The term "political" as used in this section and throughout our website:

1. Excludes the endorsement of specific candidates for political office.
2. Excludes any motivation that might result in a revocation of 26 U.S.C. §501(c)(4) status.
3. Excludes activities of public officers or agents of the government.
4. Excludes those who are "persons", "individuals", "taxpayers" under any revenue law.
5. Excludes those with a domicile or residence "in this State", meaning the government.
6. Includes efforts to educate the public about the law and the legal limits upon the jurisdiction of those in the government.
7. Includes ONLY EXCLUSIVELY PRIVATE people beyond the [civil legislative control](#) of the specific government affected by the policy.
8. Involves the protection of purely private property and private rights exclusively owned by human beings and not businesses or artificial entities of any description.
9. Includes activities undertaken ONLY in the fulfillment of [purely religious goals as a full time fiduciary of God under the Bible trust indenture](#).

## 5.2. WHAT PASTORS AND CLERGY NEED TO KNOW ABOUT GOVERNMENT AND TAXATION COURSE

The Bible says that the judgment of God BEGINS in God's house, which is the church. Before we as believers can go out and proclaim Truth to the rest of the world, we need to have unity about Truth within our own churches and families.

*"For the time has come for judgment to begin at the house of God; and if it begins with us first, what will be the end of those who do not obey the gospel of God?"*

[[1 Peter 4:17](#), Bible, NKJV]

This training course identifies most of the major fallacies and untruths being taught mainly in government "privileged" (e.g. [501\(c\)\(3\)](#) "Exempt") churches across America relating to [the biblical view of both government and taxation](#). You can use these materials to educate and admonish pastors, clergy, and members of your congregation who are misleading and thereby hurting brothers and sisters at your church.

*"All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God [including pastors] may be complete, thoroughly equipped for every good work."*

[[2 Tim. 3:16-17](#), Bible, NKJV]

*"My brethren, let not many of you become teachers [or pastors], knowing that we shall receive a stricter judgment."*

[[James 3:11](#), Bible, NKJV]

Please be diplomatic and helpful if you decide to give this to your pastor. Most pastors are overwhelmed and overworked, and may see you as part of the problem instead of the solution if you dump this on them in a critical rather than constructive manner. You might even want to schedule a private meeting with your pastor to present this during the middle of the week, which is slow, instead of forcing him to read it. Many Pastors enjoy interaction and "the people touch" more than impersonal studying of materials emailed to them. Meet them where they are at, just like Jesus did. As you expose these materials to them, please try not to embarrass clergy in front of either their coworkers or parishioners, but admonish them privately the first time. The goal is to win and disciple and not alienate or persecute clergy. Nevertheless, the Truth must be told in love and repeated politely and forcefully. You may even want to volunteer to educate the whole church staff on the subject after you meet with the Pastor.

## **5.6. BIBLE LAW COURSE**

This course consists of 16 lessons and is intended as an introduction to the Bible as a law book. Pagan Christianity treats the Bible as nothing more than an ancient history book that has no relevancy to modern times, but this course proves that view is severely flawed and proves the "legislative intent" of God expressed in His divine law.

## **6.9. YOUR RIGHTS AS A "NONTAXPAYER"**

This document was sent to us by one of our readers. Our readers, who are all "nontaxpayers" have been complaining because the IRS has all these publications for "taxpayers", but nothing for "nontaxpayers". We have been looking for such a publication for quite some time to no avail, and every time we ask the IRS for it, they don't know what to tell us. Well, your wait is over, folks and the truth is finally on paper. Now there are two publications: one for "[taxpayers](#)" and one for "[nontaxpayers](#)". Take your pick based on your status. You can find the original IRS Publication 1: [Your Rights as a Taxpayer](#) at the address below if you would like to compare:

<http://famguardian.org/TaxFreedom/Forms/IRS/IRSPub1.pdf>

Readers are forewarned: The version of the pamphlet appearing below is NOT published by the U.S. government. This is a "different" IRS. It instead is a parody, a joke, and nothing more. As long as we candidly identify it as such, there is no harm done. However, there is far more truth here in this well-crafted pamphlet than you will derive from years of searching the IRS website. Read it for a few laughs. Also be advised that we DID NOT write this and we don't know who did. For those of you who are politically active, you may consider printing a few of these out and leaving them at your local post office or library at tax time. Set them right next to the 1040 booklets. The IRS will have LOTS of explaining to do on the phone support line.

## **7.7. UNLICENSED PRACTICE OF LAW RESOURCES**

The legal profession and the government are NOT there to protect or defend your rights and your sovereignty. They are there manufacture enough ignorance in you in the public fool system to facilitate tricking you into surrendering your sovereignty to them. Consequently, you can't rely on a licensed attorney to do the job you hired him to do in court and you must take on this task yourself if you expect to be free and sovereign. [Thomas Jefferson said](#):

*"When the people fear the government, you have tyranny. When the government fears the people, you have liberty".*

Learning the law and litigating in court yourself is the best way to keep the government in fear and to preserve your own liberty. This section lists resources for those who want to practice law without a license from what has rapidly become a corrupted government. The license is what muzzles attorneys in the courtroom from speaking and litigating the truth in open court.

*"The privilege against self-incrimination [Fifth Amendment] is neither accorded to the passive **resistant**, nor the person who is ignorant of their rights, nor to one who is indifferent thereto. It is a **fighting** clause. **Its benefits can be retained only by sustained combat. It cannot be claimed by an attorney or solicitor. It is only valid when insisted upon by a belligerent claimant in person.**"*

## **7.8. ANTI-GOVERNMENT MOVEMENT HANDBOOK**

This ministry or website is not anti-government but  [pro SELF-government](#). Our enemy is not any one specific person or group of people, but instead is ignorance,  [presumption](#), unlawful behavior, unequal protection, and  [government deception and verbicide designed to destroy the separation of powers and STEAL PRIVATE property or PRIVATE rights](#). People have the right to decide how or if they want to be

governed, and they have an inherent right to DESTROY all their rights by delegating ALL of them to a government if they can be [DUPED into doing this using "private law" disguised to "look" like "public law"](#) by covetous public servants. However, those of us who want to retain ALL of our inalienable rights and delegate NONE and thereby be sovereign and entirely self-governing ought to have that right respected by the government. This publication of the National Center for State Courts describes tactics used by state judges in countering those litigating in a state court in defense of their sovereignty. The group of self-serving judges, if they had been honest, should have called this book the "OFFICIAL ANTI SELF-GOVERNMENT GUIDEBOOK FOR THE IMPERIAL JUDICIARY". Before you do such thing as file a Petition for Declaratory Judgment relating to your citizenship, for instance, you should read this document. This is an OFFSITE LINK and we are not responsible for the content:

The arguments suggested on this website and our associates do not suffer from the defects described in this document. However, we have not taken the time to rebut the entire document point by point to show the flaws in it. This is an eventual goal of ours, however. Most of the techniques described in the document against freedom advocates are already rebutted in the following publications:

-  [The REAL Terrorists: Judges](#)-freedom advocates are not terrorists. Corrupt judges who keep the truth from the courtroom with a variation of this video tactic are the REAL terrorists. They SILENCE and sanction those trying to speak the truth

## 7.9. MEMORANDUMS OF LAW

We have prepared several authoritative Memorandums of Law on a few key legal subjects. A Memorandum of Law is an academic treatise on a legal subject which can be attached to legal pleadings, correspondence, and used during litigation in order to prove a point. Memorandums of Law are very commonly called for as attachments in federal courts under the local rules of most federal courts. You can find the complete listing of Memorandums of Law on our [Forms page](#). Below is a table listing them individually. Click on the form number to view. Each of the memorandums are in [Adobe Acrobat](#) 5.0 format. You will need the latest free reader to view which you can download by [clicking here](#).

## **8. RESOURCES TO REBUT GOVERNMENT, LEGAL, AND TAX PROFESSION DECEPTION AND FALSE PROPAGANDA**

***“Be diligent to [investigate and expose the truth for yourself and thereby] present yourself [and the public servants who are your fiduciaries and stewards under the Constitution] approved to God, a worker who does not need to be ashamed, rightly dividing the word [and the deeds] of truth. But shun profane babblings [government propaganda, tyranny, and usurpation] for they will increase to more ungodliness. And their message [and their harmful affects] will spread like cancer [to destroy our society and great Republic].”***

## 8.2. WHO WERE THE PHARISEES AND SADUCEES?

Jesus famously ridiculed the Pharisees and the Saducees in the Bible. What even most Christians don't know is EXACTLY why He (God) got angry at them. This memorandum of law proves that the exact reason WHY He got angry at them was their tendency to add "leaven" to the law, meaning to change the meaning or interpretation of law so as to benefit themselves personally. Thus, they turned a "society of law" (God's law) into a what the Founding Fathers called "a society of men" in Marbury v. Madison. We also prove that modern lawyers have morphed INTO this role and that it is their primary function. By doing so, they have turned the ministry of God to promote justice into a WHOREHOUSE. The existence of that WHOREHOUSE is why Jesus flipped the tables over in the temple: the money changers were "profiteering" from the misinterpretation and mis-enforcement of God's laws.

## 8.3. LEGAL DECEPTION, PROPAGANDA, AND FRAUD

The illegal and unconstitutional activities of the [de facto government](#) are perpetuated and expanded by abusing language as a means to deceive people who are not subject to specific statutes into volunteering to obey them. The result is an institutionalized form of identity theft described in the following:

 [Government Identity Theft, Form #05.046](#)

To accomplish the identity theft, there are only a few basic techniques. These techniques are not easily recognized to the average American because they very deliberately receive no legal training in any of their K-12 public education. This allows the cows to be easily herded into their [milking stall on the government farm](#). This publication exposes the major techniques of deception and fraud and gives you tools for proving they exist and fighting them both administratively and in court.

## **8.4. FLAWED TAX ARGUMENTS TO AVOID**

There are many different false and flawed arguments you will read about on the Internet relating to freedom and sovereignty. The number of ways to be simply WRONG is endless, in fact. This pamphlet describes most of the major arguments you will see and explains why they are false and should be avoided, and especially within a litigation context. This is designed to keep you out of trouble with the law, the IRS, and the government. If you are a provider of information about taxation and sovereignty, this information might also help prevent you from being shut down with an injunction for being involved in "false commercial speech".

Below is a link to this very important form. The information in this pamphlet supersedes and is controlling over every page, file or document available on this website as well as any communications with, to, or about the persons associated with this website. ## **8.5. REBUTTED VERSION OF THE IRS PAMPHLET "The Truth About Frivolous Tax Arguments"**

This document is a rebuttal to an IRS propaganda publication entitled "The Truth About Frivolous Tax Arguments". You can view the original IRS pamphlet on the IRS website at:

- [http://www.irs.gov/pub/irs-ut/friv\\_tax.pdf](http://www.irs.gov/pub/irs-ut/friv_tax.pdf)
- <http://www.irs.gov/taxpros/article/0..id=159853.00.html>

The unrebutted IRS version of the pamphlet is frequently cited in both IRS and state tax notices and letters, and is often also cited even by Congressmen. Most of the claims in the pamphlet are incorrect and deliberately deceptive. This and other government propaganda are rebutted throughout section 8 of this page and also in in Chapter 4 of the [Tax Fraud Prevention Manual, Form #06.008](#). We encourage you to send a copy of the rebutted pamphlet to your Congressman and demand a rebuttal of our rebuttal. You may also wish to send this document with your response to an IRS notice, letter, or summons. The questions at the end of the pamphlet will have any IRS agent at a collection due process hearing or audit squirming, and eventually fighting to exit stage left and quickly as possible. GO GET'EM!

## **9. RESOURCES TO REBUT PRIVATE SECTOR DECEPTION AND FALSE PROPAGANDA**

## **9.1. POLICY DOCUMENT: CORRUPTION WITHIN MODERN CHRISTIANITY**

Modern Christian churches, pastors, and parishoners are teaching doctrine that clearly conflicts with the revealed word of God in the Holy Bible. This deception causes idolatry towards government and destroys any possibility that Christians will assert their sovereignty in the political or legal realm. It is very important that Christians be informed about this deception and have the tools to fight it and fix it. You can use this document to educate yourself, your loved ones, and members of your church about the deception. Below is the link to the article from our [Forms page](#).

## **9.4. WHY THE FOURTEENTH AMENDMENT IS NOT A THREAT TO YOUR FREEDOM**

The most prevalent misunderstandings and confusion in the freedom community center on the subject of citizenship. Most freedom researchers falsely believe that:

1. The Fourteenth Amendment is a threat to their freedom.
2. The Fourteenth Amendment is the source of the national government's legislative jurisdiction over them.
3. They either are not or do not want to be Fourteenth Amendment "citizens of the United States".

## **9.5. POLICY DOCUMENT: PROBLEMS WITH ATHEISTIC ANARCHISM**

A popular approach to freedom, and especially among Libertarians, is to advocate atheistic anarchism. ## **9.6. POLICY DOCUMENT: PETE HENDRICKSON'S "TRADE OR BUSINESS" APPROACH**

We caution our readers of the following differences of opinion that we have with Pete Hendrickson's approach:

1. Pete Hendrickson's approach to getting refunds of earnings unlawfully withheld against his wishes and without a VOLUNTARY W-4 is to submit IRS form 1040. We disagree with this approach, and instead use the 1040NR for such a case IF YOU ARE A PUBLIC OFFICER and a [substitute or modified form](#) if you are not. We do this so that we are not mistaken by the courts and the IRS as a statutory "person", "[U.S. citizen](#)", or "[resident](#)" who has a  [domicile](#) on federal territory or is representing a public office that has such civil domicile.
2. Several have contacted Pete about this almost singular defect in his approach. Some have pointed to the  [IRS Document 7130](#), which says that IRS form 1040 is only for "U.S. citizens and residents". They have also pointed out to him the definition of "[individual](#)" which appears at the top of IRS form 1040 found in 26 CFR §1.1441-1(c)(3), which is defined as an "alien" or "nonresident alien". Pete agrees that those domiciled in states of the Union are all " [non-resident non-persons](#)". However, he isn't willing to translate this understanding of the I.R.C. into practice by filing the correct type or return form when he asks for a refund, and we believe this is a grave mistake.
3. Anyone who starts out as a "nonresident alien" and who files an IRS form 1040 is making an "election" to be treated as a "[U.S. person](#)" and a "resident alien" pursuant to [26 U.S.C. §6013](#)(g) and (h) and [26 U.S.C. §7701](#)(b)(4)(B). This is a very dangerous way to jeopardize your sovereignty and waive sovereign immunity pursuant to [28 U.S.C. §1603](#)(b)(3).  [Click here](#) and read sections 11 and 15.1 through 15.6 for details on how this "election" works.
4. Pete suggests attaching IRS form 4852 to correct false W-2 forms. However, those filing IRS Form 1040NR cannot use this form. The top of the Form 4852 says "Attach to form 1040, 1040A, 1040-EZ, or 1040X." Form 1040NR is not included in the list, so obviously, this is a "resident alien" form available only to those with a domicile on federal territory and therefore whom the government has jurisdiction over to penalize. We therefore suggest either using form W-2C or making your own substitute form in the following article on our website:  
[Correcting Erroneous IRS Form W-2's](#), Form #04.006  
<https://sedm.org/Forms/FormIndex.htm>
5. We therefore strongly discourage our [Members](#) or readers from filing IRS form 1040's as Pete suggests. The ONLY form they can file to get a refund and still remain members is either an  [Amended IRS Form 1040NR](#), or our  [Federal Nonresident Nonstatutory Claim for Return of Funds Unlawfully Paid to the Government, Form #15.001](#). The reasoning behind this is exhaustively described in the following memorandum of law:  
[Non-Resident Non-Person Position](#), Form #05.020  
<https://sedm.org/Forms/FormIndex.htm>

For details on the above, and for an official policy statement about our perspective towards Mr. Hendrickson's approach read the following:

 [Policy Document: Pete Hendrickson's "Trade or Business" Approach, Form #08.003](#)

On a more positive note, we admire Pete Hendrickson's research for the most part, with the singular exception above, as well as his brave efforts to inform the American public on his Lost Horizons website of the deliberate misapplication of the Internal Revenue Code by private employers and the government. Of all the freedom researchers we know of, he has come closer to the truth about the income tax than anyone else to date, except possibly us, of course. We wouldn't have posted a link to his work here if he didn't have important or valuable information to offer our Members.
