The Agency has previously sent notice to you at the last address known to the Agency. That notice explained the amount and type of debt you owe, the rights available to you, and that the Agency intended to collect the debt by intercepting any Federal payments made to you, including tax refunds. If you believe your payment was reduced in error or if you have questions about this debt, you must contact the Agency at the address and telephone number shown above. The U. S. Department of the Treasury's Financial Management Service cannot resolve issues regarding debts with other agencies.

We will forward the money taken from your Federal payment to the Agency to be applied to your debt balance; however, the Agency may not receive the funds for several weeks after the payment date. If you intend to contact the Agency, please have this notice available. Please do not contact the Social Security Administration regarding the reduction made in your Federal payment as a result of this offset.
