

POSTAL SERVICE FORM 1583 ATTACHMENT

FORM INSTRUCTIONS

Last revised: 6/2/09

1. PURPOSE:

This form attaches to Postal Service form PS1583 and serves to:

- 1.1. Prevent any surrender of rights by the applicant.
- 1.2. Educate the recipient at the post office or private mail service outlet that you are not lawfully subject to the requirement to file such a form.
- 1.3. Prevent the use of the information contained on the form for any law enforcement purpose should it be obtained through criminal investigation or legal discovery, or should its accuracy be questioned or prosecuted by those discovering it.
- 1.4. Remove the Postal Service and the government entirely from the private contract between the Applicant and the Mail Service Provider.

2. REASON WHY THIS DOCUMENT IS NECESSARY:

- 2.1. Those opening post office boxes are routinely presented with Postal Service Form PS1583 and asked to sign the form as a precondition of receiving postal delivery of mail.
- 2.2. Form PS1583 causes a consensual surrender of rights and sovereignty and consequently, and therefore failure to sign cannot lawfully serve as a basis to deny delivery of mail. Furthermore, the use and enforcement of the use of this form is implemented with federal law that has no jurisdiction outside of federal territory.
- 2.3. Clerks at post offices and mail service retail stores are not aware of the above, and therefore will unlawfully try to enforce the use of this form as a precondition of providing service.

3. PROCEDURE FOR USE:

- 3.1. Complete the form according to the instructions contained in the above article, and then write the following above the applicant's signature:

"Subornation of perjury and FALSE unless accompanied by the attached form entitled 'Postal Service Form PS1583 Attachment'"

- 3.2. Sign and date this form in Section 4.
- 3.3. Staple this form to the completed Postal Service Form PS1583.
- 3.4. Submit the application to the Mail Service Provider.
- 3.5. We always want to improve the quality of the information we offer on our website and feedback helps with that improvement. If you receive a negative or derogatory response from the government to this form, we would appreciate if you would fax the response to the fax number on our Contact Us page.

POSTAL SERVICE FORM PS1583 ATTACHMENT

This form is provided as a mandatory attachment to any and all Postal Form PS1583's connected with the Submitter and submitted to any third party. Since Submitter created and submitted this form, he/she and only he/she shall have the authority to define the legal significance of such a submission and all words and phrases on such a submission. The attached Postal Service Form PS1583 application is INVALID and not useful as evidence in any legal proceeding WITHOUT this mandatory attachment also included in its entirety with no information altered or redacted on either the Form PS1583 or this form by anyone other than the Submitter. The reason Submitter is attaching this form is to prevent:

1. Manifesting my consent to the provisions of any government franchise.
2. False presumptions from being made about my legal status.
3. Mis-representing myself as a "person" subject to such a franchise because domiciled on federal territory that is no part of the exclusive jurisdiction of any constitutional state of the Union.
4. The surrender of any aspect of my sovereignty or sovereign immunity to any third party in the context of the exercise of my right to engage in commerce with other private parties pursuant to [28 U.S.C. §1603](#).

The submission of this form is therefore provided at the admonition of my counsel in furtherance of these expressed goals. DO NOT attempt to contact me to persuade me to either withdraw this form or change my status as documented on this form. Doing so will cause you to engage in a criminal conspiracy to tamper with a witness in violation of [18 U.S.C. §1512](#) and to violate, [18 U.S.C. §1001](#) and [18 U.S.C. §1621](#). The penalty for violating these statutes is up to 30 years in jail.

The private party in receipt of this form and the attached Form PS1583 shall known as the Mail Service Provider in this form.

SECTION 1: WHY SUBMISSION OF FORM 1583 IS NOT REQUIRED BY LAW BUT DISCRETIONARY

This section discusses the legal requirement to submit the Form PS1583 and the legal authority to ask for and receive the information requested on the form:

1. The Form PS1583 is not in compliance with the [Paperwork Reduction Act, 44 U.S.C. Chapter 35, Subchapter I](#), which requires:
 - 1.1. A valid [OMB Control Number](#).
 - 1.2. An indication of whether providing the information and all portions thereof is "voluntary" or "mandatory".
 - 1.3. A regulation published in the [Federal Register](#) describing the regulation which gives rise to the collection of each piece of information requested.
 - 1.4. If the information is to be shared with other agencies, the parties to whom it will be disclosed and the use to which the information will be put.
 - 1.5. If the information requested will be used for criminal law enforcement, then a warning that you have a right to withhold the specific information that will be so used.
2. Government forms which do not comply with the requirements of the [Paperwork Reduction Act](#) are referred to in said act as "bootleg forms" which the general public need **NOT** comply with. The Form PS1583 fits the definition of a "bootleg form" and therefore Submitter is not required by law to provide any of the information listed on it. [44 U.S.C. §3512](#) furthermore says that no officer of the government can penalize me for failure to comply with the collection of information on the form. Such a penalty would include:
 - 2.1. Denial of any service, and especially without explaining the legal reasons for doing so.
 - 2.2. Imposing additional forms and procedures for me to comply with that EVERYONE is not EQUALLY required to comply with. This violation of equal protection.
 - 2.3. Financially penalizing me for any aspect of the submission.
 - 2.4. Refusing to refund application fees if the government recipient rejects the application because of failure to disclose information.
3. The Submitter is not domiciled on federal territory and not a statutory "U.S. citizen" pursuant to [8 U.S.C. §1401](#), statutory "resident" (alien) pursuant to [8 U.S.C. §1101\(a\)\(3\)](#) and [26 U.S.C. §7701\(b\)\(1\)\(A\)](#), nor "U.S. person" pursuant to [26 U.S.C. §7701\(a\)\(30\)](#) and therefore not a protected person, "inhabitant", or "subject" under any act of the U.S. Congress. Consequently, he/she/it is not subject to any federal statute, including statutes regulating the operation of the postal service nor does he/she consent or elect to be treated as someone who is subject. Therefore, he/she/it is a private person, a "transient foreigner", a nonresident, and a "[stateless person](#)" within the meaning of [28 U.S.C. §1332](#) because not domiciled in the "State" defined in [28 U.S.C. §1332\(e\)](#) as a federal territory. States of the Union are not "[States](#)" as defined within federal legislation in relation to federal jurisdiction.

SECTION 2: CONSTRAINTS PERTAINING TO THE ATTACHED FORM PS1583

This section clarifies and defines the legal significance of the attached Postal Service Form PS1583 and supplements the private agreement between the undersigned and the authorized representative of the Mail Service Provider that will be accepting PRIVATE mail for me and my assigns. Mail Service Provider has unlawfully compelled Submitter to complete the attached Form PS1583 as a pre-condition of rendering service in a situation where it is not required by law among parties who are not subject individually to the statutes in question. Reasons why Submitter is not lawfully subject to these requirements are covered in the previous section.

Status of Submitter:

The 4-corners rule applies to the form and this attachment. No presumptions or inferences about the status of the Submitter shall or may be made by the Recipient of this form not otherwise expressly stated herein or in the attached Form PS1583.

1. Submitter is not engaged in nor participating in any federal privilege or franchise in the context of this submission or activity such as the [federal] 26 USC "trade or business" franchise defined in 26 U.S.C. §7701(a)(26) as "the functions of a public office".
2. Submitter is not domiciled or resident on federal territory or within the exclusive legislative jurisdiction of the United States government pursuant to Article 1, Section 8, Clause 17 of the United States constitution.
3. Submitter is not exercising agency as a public officer, contractor, franchisee, trustee, or transferee in relation to the United States government in the context of this agreement or any of his/her activities.
4. Submitter is not an "employee" per [26 U.S.C. §3401\(c\)](#) and 26 CFR §31.3401(c)-1 or an "employer" per [26 U.S.C. §3401\(d\)](#).
5. The Mail Service Provider is not physically situated on federal territory or within any "State" or "United States" referenced in any federal statute.
6. Submitter does not, by signing Form PS1583, intend to convey consent to send any information about him/her, this form, or the attached

PS1583 to any third party including the USPS. Any use or disclosure of this information to any third party without express advanced written consent of the Submitter shall constitute a tort by the offender.

7. Submitter is exercising PRIVATE rights in connection with the contractual relationship between him/her self and the Mail Service Provider and does not consent to any conveyance of rights to any third party by virtue of this relationship or by virtue of the use of Form PS1583. The U.S. Supreme Court has held that the ability to regulate the exercise of such PRIVATE rights is repugnant to the Constitution and therefore beyond the scope of any enactment of Congress.
8. Submitter does not consent to allow the Mail Service Provider to act as his agent or fiduciary in any matter affecting the rights of the Submitter.
9. Per the U.S. Supreme Court, Congress is without the ability to establish or authorize any franchise or "privilege" within the borders of the states mentioned in the Constitution. Consequently, the Form PS1583 cannot and does not convey any rights to the U.S.P.S. or the U.S. Government, even if its use had been consented to by the Submitter and/or the Mail Service Provider.

"Thus, Congress having power to regulate commerce with foreign nations, and among the several States, and with the Indian tribes, may, without doubt, provide for granting coasting licenses, licenses to pilots, licenses to trade with the Indians, and any other licenses necessary or proper for the exercise of that great and extensive power; and the same observation is applicable to every other power of Congress, to the exercise of which the granting of licenses may be incident. All such licenses confer authority, and give rights to the licensee.

*But very different considerations apply to the **internal commerce or domestic trade of the States. Over this commerce and trade Congress has no power of regulation nor any direct control. This power belongs exclusively to the States. No interference by Congress with the business of citizens transacted within a State is warranted by the Constitution, except such as is strictly incidental to the exercise of powers clearly granted to the legislature.** The power to authorize [e.g. license or regulate] a business within a State is plainly repugnant to the exclusive power of the State over the same subject. It is true that the power of Congress to tax is a very extensive power. It is given in the Constitution, with only one exception and only two qualifications. Congress cannot tax exports, and it must impose direct taxes by the rule of apportionment, and indirect taxes by the rule of uniformity. Thus limited, and thus only, it reaches every subject, and may be exercised at discretion. But, it reaches only existing subjects. **Congress cannot authorize [e.g. "license"] a trade or business [including a Mail Service Business] within a State in order to tax [or regulate] it.**"*
[License Tax Cases, [72 U.S. 462](#), 18 L.Ed. 497, 5 Wall. 462, 2 A.F.T.R. 2224 (1866)]

10. Submitter does not consent or elect, by signing and submitting the Form PS1583 or this attachment, to be treated as though he/she/it has any status other than that expressly stated above and qualifies any attempt to infer his consent to another status as a tort, duress, extortion, and organized crime against his life, liberty, and property.
11. Because the Form PS1583 attached is being submitted unlawfully within a foreign state by a transient foreigner under the influence of fraud, mistake, and duress, Submitter hereby classifies all information on the form as NON-factual, NON-actionable, religious and political beliefs and speech which are not admissible as evidence in any federal or state legal proceeding pursuant to Fed.R.Ev. 610.

Ex dolo malo non oritur action. Out of fraud no action arises. Cowper, 343; Broom's Max. 349.

Fraus est celare fraudem. It is a fraud to conceal a fraud. 1 Vern. 270.

Jus et fraudem numquam cohabitant. Right and fraud never go together.

Lata culpa dolo aequiparatur. Gross negligence is equal to fraud.

Magna culpa dolus est. Great neglect is equivalent to fraud. Dig. 50, 16, 226; 2 Spears, R. 256; 1 Bouv. Inst. n. 646.

*Quod alias bonum et justum est, si per vim vel fraudem petatur, malum et injustum efficitur. What is otherwise good and just, if sought by force or fraud, becomes bad and unjust. 3 Co. 78.
[Bouvier's Maxims of Law, 1856]*

12. Submitter agrees to subordinate this submission to the terms and conditions of the Mail Service Provider contract, but not to any provision relating to the status of the submitter documented herein.

SECTION 3: LICENSE AGREEMENT PROTECTING THIS APPLICATION AND ALL INFORMATION PROVIDED WITH THIS APPLICATION IN RELATION TO THE U.S. GOVERNMENT AND/OR THE POSTAL SERVICE

Parties to this franchise agreement acknowledge that all information about the Submitter submitted on any government form by either myself or any third party is the exclusive property of the Submitter and constitutes consideration that renders this agreement valid and enforceable. This agreement governs all interactions and communications between the Submitter, the U.S. Government, and the U.S. Postal Service. The Fourth Amendment makes information about the Submitter, a human being, into "property" in a legal sense and protects that property. The attached Form PS1583 is invalid without this form attached and without being subject to and covered by this franchise agreement.

Recipient and submitter of this application acknowledge that:

1. Removal of the threat to refuse to deliver mail imposed upon those who refuse to sign the Postal Service Form PS1583 does NOT constitute "consideration" in the context of any agreement, because it would convert a constitutional right to engage in private business activity into a statutory privilege, which is not only unconstitutional when implemented by a government or quasi-government agency, but constitutes unlawful duress and domestic terrorism.
2. Use, custody, or control of information about the Submitter submitted in connection with this application makes the Recipient into an agent, officer, trustee, transferee, and fiduciary under the terms of this franchise agreement.
3. The submission of any government form in connection with this transaction confers no rights or jurisdiction to the U.S. government or the Postal Service.
4. Disputes under any provision of laws regulating the postal service shall be settled in a true, Article III Constitutional court and not in a franchise court or before an administrative judge.
5. Submitter is not subject to any provision within Title 39 of the U.S. Code or Title 39 of the Code of Federal Regulations (CFR).
6. All franchises are contracts and being compelled to participate in a franchise such as Title 39 of the U.S. Code constitutes a violation of the

right to contract by the Submitter.

7. While acting as a CMRA, the recipient of this form is acting as an agent of the government and in that capacity is liable to respect the constitutional rights of the Submitter or be held personally liable.

Recipient of this form and all parties utilizing information about the Submitter/applicant, including information provided in connection with this transaction agree not to utilize this information for any of the following purposes:

1. Any commercial purpose in relation to any government.
2. In connection with the administration of any government franchise, including but not limited to Social Security, Medicare, income taxation ("trade or business" franchise).
3. The enforcement of any licensed activities such as driver's licenses, marriage licenses, or professional licenses, which are also franchises.
4. Any civil or criminal law enforcement activity beyond that expressly indicated herein.

Recipient of this information agrees to grant to applicant witness immunity pursuant to [18 U.S.C. §6002](#) in connection with any legal proceeding that uses information about me provided in connection with this application. If they are not authorized to grant said immunity by their employer, they agree to become the substitute defendant in said proceeding.

Parties to this franchise stipulate that any and every disclosure or use of information provided in connection with this application to any third party by the Recipient of this application or any agent or officer of the Recipient shall constitute effective and constructive consent to abide completely with every aspect of this franchise agreement.

Pursuant to [5 U.S.C. §552a\(b\)](#), recipient and his officers, agents, and assigns may not lawfully maintain records about the Submitter without his/her express written consent, which he/she does NOT give, has no delegated authority from my God to give, and has retroactively withdrawn by filing a public notice with the U.S. government and state government. Therefore:

1. Any records in your possession pertaining to Submitter other than the licensed and copyrighted passport information included on this and the attached Form PS1583 form are being maintained ILLEGALLY and must be destroyed.
2. You do not have my consent to store or use any of my personal information other than my name and physical characteristics in Dept. of State computers.
3. You do not have my permission to share any of my personal information with any other federal or state agency or bureau or private company, including the Internal Revenue Service. If you do, you agree personally to pay me \$500,000 for each wrongful or unauthorized disclosure.

Recipient agrees to do all the following in connection with Submitter of this application:

1. To treat the Submitter as though he/she has the status indicated in this document.
2. To treat the Submitter as though he/she is NOT eligible to participate in any government franchise, "benefit", or the issuance of any government identifying number.
3. To correct any evidence in their possession or in the possession of their government employer that might indicate eligibility to participate in any government franchise or to receive the "benefits" of any government franchise.
4. To notify the Submitter promptly if they discover evidence in possession of the government linking them to eligibility for any government franchise or "benefit" and all occasions when they have corrected such evidence to be consistent with this franchise agreement.

Parties to this agreement agree to waive official, judicial, and sovereign immunity in connection with any and all legal proceedings relating to the enforcement of this franchise agreement. Recipient agrees to service of process via certified mail in lieu of personal service either at their place of work or their home in connection with the commencement of any legal process needed to enforce this agreement. Recipient also agrees to an effective domicile of wherever any enforcement action is filed by the Submitter in connection with the enforcement of this agreement.

It is the intention of all parties affected by this submission that if any provision of it is found unenforceable in any court of law, all remaining provisions shall remain in full force and effect.

SECTION 4: AFFIRMATION

I declare under penalty of perjury under the laws of the United States of America, from without the "United States" pursuant to [28 U.S.C. §1746\(1\)](#), that the foregoing and the entire contents of this form and all those attached to it are true, correct, and complete to the best of my knowledge and belief. All rights reserved without prejudice, UCC 1-308 and its predecessor, UCC 1-207.
