

1 **DECLARATION OF PERSONAL INDEPENDENCE**

2 This Declaration is addressed to you, individually, personally and collectively; the bankers, the bureaucrats, the agents, the
3 administrators, the corporate entities, the officers, the officials, the commissioners, the politicians, the President, the speakers,
4 the senators, the representatives, the congressman, the governors, the judges and the lawyers of, by, and for the present de
5 facto corporate states of the United States and the de facto corporate United States who have usurped the Peoples' rightful
6 American republican form of Constitutional government *mandated* by Article 4, section 4 of the Constitution.

7 When in the course of human events, it becomes necessary for People to dissolve the forced political bands which have
8 connected them with others, and to assume among the powers of the earth, the separate and equal station to which the laws
9 of nature and of nature's God entitle them, a decent respect to the opinions of mankind requires that I should declare the cause
10 which impel me to separate from their insolvent, pretended government. I therefore must state the usurpation and seditious
11 and tyrannical behavior of the present de facto system in each of the 50 states and the United States.

12 I have never willingly surrendered any of my constitutional rights up to this time, and yet, through chicanery and deceit and
13 legal sophistry, you have abused my own ignorance of the law to deceive me into involuntary servitude of the present
14 insolvent, corrupt, de facto administrators of the United States or the 50 American states. In the process, you have committed
15 treason of the highest order and have violated your oath:

16 *"I swear that I will support and defend the Constitution against all enemies, foreign and*
17 *domestic."*

18 In fact, by operation of excessive greed and love of money, you have allowed the illegal enforcement of the income tax laws
19 by a corrupt judiciary to trample our God-given rights found in the Bill of Rights.

20 *"The love of money is the root of all evil."*
21 *[1 Tim. 6:10, Bible, NKJV]*

22 You have allowed tyrant judges, shameless lawyers, and a corrupt IRS to extort, harass, and terrorize law-abiding citizens
23 who do not want to participate in or benefit from the income tax Social(ist) Security franchise. You have allowed idolatrous
24 citizens to abuse their voting power for selfish gain in the process of allowing corrupt politicians to buy votes using money
25 borrowed from their children's inheritance. You have turned this once great country into a debtor nation full of socialists
26 that is hostile to liberty and freedom in every respect. In the process, you have sold our children into slavery to pay off debts
27 accumulated by the sins of their parents in clear violation of [18 U.S.C. §1581](#). Treason! Thomas Jefferson, our founding
28 father, warned of this evil:

29 *"Funding I consider as limited, rightfully, to a redemption of the debt within the lives of a*
30 *majority of the generation contracting it; every generation coming equally, by the laws of*
31 *the Creator of the world, to the free possession of the earth He made for their subsistence,*
32 *unincumbered by their predecessors, who, like them, were but tenants for life."*
33 *[Thomas Jefferson to John Taylor, 1816. ME 15:18]*

34 *"[The natural right to be free of the debts of a previous generation is] a salutary curb on*
35 *the spirit of war and indebtedment, which, since the modern theory of the perpetuation of*
36 *debt, has drenched the earth with blood, and crushed its inhabitants under burdens ever*
37 *accumulating."*
38 *[Thomas Jefferson to John Wayles Eppes, 1813. ME 13:272]*

39 *"We believe--or we act as if we believed--that although an individual father cannot alienate*
40 *the labor of his son, the aggregate body of fathers may alienate the labor of all their sons,*
41 *of their posterity, in the aggregate, and oblige them to pay for all the enterprises, just or*
42 *unjust, profitable or ruinous, into which our vices, our passions or our personal interests*
43 *may lead us. But I trust that this proposition needs only to be looked at by an American to*
44 *be seen in its true point of view, and that we shall all consider ourselves unauthorized to*
45 *saddle posterity with our debts, and morally bound to pay them ourselves; and*
46 *consequently within what may be deemed the period of a generation, or the life of the*
47 *majority."*

1 *[Thomas Jefferson to John Wayles Eppes, 1813. ME 13:357]*

2 *"It is incumbent on every generation to pay its own debts as it goes. A principle which if*
3 *acted on would save one-half the wars of the world."*

4 *[Thomas Jefferson to A. L. C. Destutt de Tracy, 1820. FE 10:175]*

5 *To preserve [the] independence [of the people,] we must not let our rulers load us with*
6 *perpetual debt. We must make our election between economy and liberty, or profusion and*
7 *servitude. If we run into such debts as that we must be taxed in our meat and in our drink,*
8 *in our necessaries and our comforts, in our labors and our amusements, for our callings*
9 *and our creeds, as the people of England are, our people, like them, must come to labor*
10 *sixteen hours in the twenty-four, give the earnings of fifteen of these to the government for*
11 *their debts and daily expenses, and the sixteenth being insufficient to afford us bread, we*
12 *must live, as they now do, on oatmeal and potatoes, have no time to think, no means of*
13 *calling the mismanagers to account, but be glad to obtain subsistence by hiring ourselves*
14 *to rivet their chains on the necks of our fellow-sufferers."*

15 *[Thomas Jefferson to Samuel Kercheval, 1816. ME 15:39]*

16 You have violated the United States Constitution when creating interstate compacts with other States and foreign states,
17 which fundamentally changed the form and substance of the Republican form of government to that of a totalitarian socialist
18 democracy.

19 You have raped and debauched the specie by which governs the mode of the medium of money, and have bankrupted the
20 Nation as a whole through conspiracy and sedition under treaty. The U.S. Constitution, under [Article I](#), Section 10 of the
21 U.S. Constitution, which still reads:

22 *"No state shall...coin money, emit bills of credit, make any thing but gold and silver a*
23 *tender in payment of debts..."*

24 Following the civil war, in 1868, you coerced legislators of the southern states to ratify the [14th Amendment](#) at gunpoint,
25 which subsequently created a new class of U.S. citizenship originally meant only for slaves and which carried with it less
26 than full constitutional rights. The cite below clarifies this from *Elk v. Wilkins*, [112 U.S. 94](#) (1884):

27 *"By the thirteenth amendment of the constitution slavery was prohibited. The main object*
28 *of the opening sentence of the fourteenth amendment was to settle the question, upon which*
29 *there had been a difference of opinion throughout the country and in this court, as to the*
30 *citizenship of **free negroes**, (Scott v. Sandford, 19 How. 393;) and to put it beyond doubt*
31 *that all persons, white or black, and whether formerly slaves or not, born or naturalized in*
32 *the United States, and owing no allegiance to any alien power, should be citizens of the*
33 *United States and of the state in which they reside. Slaughter-House Cases, 16 Wall. 36,*
34 *73; Strauder v. West Virginia, [100 U.S. 303](#), 306. "*
35 *[Elk v. Wilkins, [112 U.S. 94](#) (1884)]*

36 You then deceived everyone born in the nation into falsely believing that they were "U.S. citizens" with inferior rights, and
37 thereby created a contractual nexus within equity law under Section 4 of the [14th Amendment](#) to violate the prohibitions
38 against direct taxation found in [Article 1](#), Section 2, Clause 3 and [Article 1](#), Section 9, Clause 4 of the U.S. Constitution. I'm
39 not a freed slave nor do I want to be treated as a second class citizen like the freed slaves were, with no Bill of Rights. May
40 God's judgment be upon you for trying to use words of art in the law and deceptive government forms containing LIES to
41 entice me into slavery to my government!

42 *"Single acts of tyranny may be ascribed to the accidental opinion of a day. But a series of*
43 *oppressions, pursued unalterably through every change of ministers, too plainly proves a*
44 *deliberate systematic plan of reducing us to slavery".*
45 *[Thomas Jefferson]*

46 You allowed a corrupt, lame-duck secretary of state, Philander Knox, to fraudulently declare the 16th Amendment ratified in
47 1913. When the Supreme Court would not authorize the direct tax you sought using the 16th Amendment, you obfuscated
48 the tax code to fool law-abiding citizens with "words of art" such as a "trade or business" into thinking that they were liable

1 for an excise/franchise tax they didn't owe and are being unlawfully compelled to participate in. The product of this
2 debauchery has been such a complicated tax code that few truthfully or completely understand today.

3 You subsequently sold your nation into debtor slavery by passing the Federal Reserve Act of 1913, which turned over control
4 of our nation's money supply to PRIVATE banking interests which you then refused to audit or oversee. This was one of the
5 greatest acts of treason this country has ever seen and the judgment of God is upon you for that. In the process, you lawlessly
6 and illegally delegated powers that you had no constitutional authority to delegate and which violated the public trust.
7 Thomas Jefferson warned of this evil, when he said:

8 *"If the American people ever allow private banks to control the issue of their currency first
9 by inflation and then by deflation, the banks and corporations that will grow up around
10 them will deprive the people of all property until their children will wake up homeless on
11 the continent their fathers conquered".*

12 *[Thomas Jefferson in 1802 in a letter to then Secretary of the Treasury, Albert Gallatin]*

13 In 1929, you allowed the Federal Reserve to manipulate the money supply so low as to create an induced national crisis and
14 depression situation that then became the nexus to further illegally expand the powers of the national government. In that
15 same year, on March 9, 1933, you passed the Trading with the Enemy Act to create a state of national emergency. You used
16 this act as an opportunity to plunder all the gold and silver from sovereign Americans and thereby coerce them to accept the
17 paper money they didn't want and which the Constitution did not authorize. That state of national emergency, still in
18 existence today, illegally expanded the powers of the president and the national government under the guise of a government-
19 induced national emergency. Hitler did the same thing when he passed Article 48, the German Emergency Power Law:

20 *German Emergency Power Law*

21 *"If the public safety and order in the German Reich are seriously disturbed or endangered,
22 the President of the Reich may...suspend in whole or in part the fundamental rights
23 established [including] inviolability of person, inviolability of domicile, freedom of opinion
24 and expression, freedom of assembly and association, secrecy in communication and
25 inviolability of property."*

26 You then abused this crisis and through demagoguery and lies implemented the socialist security system that, like a cancer,
27 began eating away at our liberties, one by one in the slow death of a republic. This began the relentless march of the
28 totalitarian socialist democracy that we now find ourselves in, and which I will have no part of. You lied when you started
29 the socialist security program by telling us that the number you gave us (spoken of unfavorably in the Bible, in Revelation
30 13:16-18) would not be used for identification. Now, you have written all kinds of laws that make it nearly impossible to
31 function in society without that number. Now everyone must violate their Christian beliefs and accept "the mark of the
32 beast", in full violation of the First Amendment.

33 *"And he causeth all, both small and great, rich and poor, free and bond, to receive a mark
34 in their right hand, or in their foreheads:*

35 *And that no man might buy or sell, save he that had the mark, or the name of the beast, or
36 the number of his name.*

37 *Here is wisdom. Let him that hath understanding count the number of the beast: for it is
38 the number of a man; and his number is Six hundred threescore and six."*

39 *[[Revelation 13:16-18](#), the Bible]*

40 You then offered up the American States, and therefore the property of all the inhabitants, as collateral to pay the foreign
41 organization, the International Monetary Fund (I.M.F.) and bank, in 1945. You authorized the private International Monetary
42 Fund (I.M.F.), via Federal Reserve Banks, to control the issue of our currency, by inflation and deflation and fiat de facto
43 dollars, to the extent that people today are being deprived of all their property, driven homeless, and controlled by the very
44 same banking cartel that forced our forefathers to this country for refuge, all to pay your bankruptcy-not mine. Their
45 manipulation of the money supply has introduced a new kind of invisible tax called inflation that amounts to about 3 percent
46 per year, but which would not occur if you had followed the Constitution and only allowed gold or silver money.

1 You have created, by sophistry, a class of people known as United States citizens that has caused domestic unrest amongst
2 those of us, who still call ourselves Americans by birth of Blood, Soil, and Crown (Crown meaning God, whence all rights
3 come). We threw off all Kings over two hundred years ago, only to be enslaved by men of your despicable political ilk.

4 You have secretly entered compacts with foreign states, organizations and powers, which caused the bankrupt status of not
5 only the 50 American State governments, but put all Americans into involuntary bankruptcy and forced me into slavery,
6 peonage, and involuntary servitude, under a fraudulent, tyrannical, seditious foreign oligarchy.

7 These foreign powers, operating through the Fund and Bank under Bretton Woods Agreement Act, rule the governments of
8 the separate States of America and United States, by compacts, pactum and the like, and have erected a dictatorship over the
9 people of America, who are non-residents to such compact, thereby making it, as it applies to me, nadum pactum.

10 The Secretary of Treasury, as Governor of the Fund and Bank, and not an officer of the United states in the normal sense that
11 people perceive, controls all aspects of forced pecuniary contributions (taxation). He is also the Receiver and Trustee in
12 bankruptcy of the United states to collect and pay the Fund and Bank, all at the cost of my freedom under Foreign
13 Constitutions, agreements, Piquancy, Confederations, Alliances, and under pretenses of emergency, March 9, 1933,
14 December 16, 1950, March 23, 1970, and August 15, 1971, which you yourselves created.

15 As a bankrupt system, you commit a crime whenever you loan money, for under all principles of law and reason, bankrupt
16 persons are forbidden to loan money, nor are they allowed to institute criminal mala prohibits actions against the people, and
17 neither can the foreign principal.

18 Through the unconstitutional operation of our tax laws and the requirement to use Social Security Numbers, you have
19 conspired to deprive Americans of their privacy by making it virtually impossible to conduct a financial transaction without
20 incriminating oneself in violation of the Fifth Amendment.

21 The Secretary of Treasury, Secretary of State, and the Attorney General are foreign principals of the Fund and Bank under
22 agreement. They are forbidden to be paid by the United States, under Title 22 of the United States Code and Bretton Woods
23 Agreement, thereby holding a colorable law character of public office, while in reality being paid by the Fund and Bank and
24 holding a Title of Nobility, extracting the wealth (labor) from me and other Americans who profess to be Nonresidents to this
25 pretended de facto government (the System). Their foreign agents, revenue enforcers, are never registered so that we might
26 know the true character of the agents when they bear false witness against us when destroying nonresident Americans through
27 legal plunder.

28 You have forced me, by fraud, indirectly, into foreign contracts by application, i.e., Social Security, in order to live and
29 exercise my God-given right to exist, in violation of your pretended constitutions. Because you have made it impossible for
30 me to quit the Social Security Program, you have, in effect, virtually outlawed personal responsibility.

31 You have caused injustice when: taking away the forum of common courts for Americans; controlled the slavery of all judges
32 making them dependent on your will and obligated to illegally pay an income tax that creates a conflict of interest in violation
33 of 28 U.S.C. §144 and 18 U.S.C. §208:

34 *“In the general course of human nature, A POWER OVER A MAN’S SUBSISTENCE*
35 *AMOUNTS TO A POWER OVER HIS WILL.”*
36 *[Alexander Hamilton, The [Federalist, No. 79](#)]*

37 You have overlooked the tyranny, debauchery, and transgressions of these courts and thereby transformed our nation into a
38 government of men instead of laws. You have failed to correct injustice in the Supreme Court when it denied certiorari for
39 cases which it clearly should have heard, especially as it relates to taxation and appeal from the circuit courts. The federal
40 courts have thereby become an arm of the Executive branch, indicated by the Executive gold fringed flag and seal, and not
41 the arm of independent justice under God's Law of Natural right; have hidden the true justice in the courts at law, as true
42 despots do, so that a man of average or above average intelligence cannot find the true Courts: replaced the Courts with
43 international vice-admiralty tribunals because of the compacts with foreign powers, to which, YOU, under the guise of
44 government, have become servant; this then makes the judges nothing more than civil affairs operatives under military power,
45 and they too are not registered, in violation of the Foreign Registration Laws of this country.

46 You allow the National Conference Commissioners of State Law, being lawyers, judges and the law profession belonging to
47 a private American Bar Association, exclusively to write the laws for America, then rubber stamp them under the guise of a

1 representative Congress of the people in direct violation of your pretended constitutions and in violation of your oaths that
2 you pretend to take.

3 You have assigned the exclusive power to litigate cases before your tribunals to the bar association, to which most of you
4 belong. This is in violation of the Titles of Nobility Clauses of the pretended constitutions, which deprives me of a jury of
5 my peers, and counsel of my choice, as no alien American can sit on your juries, for they are all shilling homage juries and
6 shilling defense attorneys.

7 You have allowed an unconscionable contracting foreign agency (IRS), in concert with the Agency for International
8 Development, to illegally collect your debt, to which I never agreed and consented, which eats out my substance, all in order
9 to pay for your greed, in violation of your peonage laws (see [42 U.S.C. §1994](#) and [18 U.S.C. §1581](#)). This same IRS illegally
10 enforces a Subtitle A of the Internal Revenue Code outside the District of Columbia. I.R.C. Subtitle A describes an indirect
11 excise tax upon a "trade or business", which is a "word of art" that is defined in [26 U.S.C. §7701\(a\)\(26\)](#) to mean a "public
12 office". [4 U.S.C. §72](#) requires that all public offices shall be exercised ONLY in the District of Columbia and not elsewhere,
13 and there is no statutory authority for public offices elsewhere. Consequently, this tax may not lawfully be enforced outside
14 the District of Columbia except as expressly provided by Congress. You have looked the other way while this agency and
15 the federal courts raped and pillaged Americans in states of the Union, because you didn't have the decency to control your
16 own lust for power and money and the debt that feeds it which must be paid off with extorted tax dollars.

17 You have twisted the definitions of words, as true sophisticators, to suit the means by which you enslave the masses, which
18 deprives them of the right to: travel, work, farm, own property in allodium, free from taxation, as it should be, and to be let
19 alone.

20 ***"Woe to you lawyers! for you have taken away the keys of knowledge; you***
21 ***did not enter yourselves, and you hindered those who were entering."***

22 *[Luke 11:52 woe unto lawyers who write a law to deliberately be confusing or who use or*
23 *interpret a law that is written in a confusing way to hide the truth or deceive people for*
24 *their own selfish gain]*

25 You create Mala Prohibita crimes under foreign pactum, then coerce me to sign instruments containing perjury statements
26 under this pactum, against my consent, or be fined or jailed, in order to live.

27 You are the biggest whoremongers of the people's liberty by being sophisticators, legalist, and miscreants of the highest order,
28 in your legal plunder with the foreign organizations and powers that now control us. You have destroyed my freedoms and
29 unalienable (nontransferable) rights given to men by my God (not your Mammon), by your arbitrary dominion over me and
30 mine.

31 You have come full circle, and then some, in your absolute despotism when imprisoning and killing innocent Americans for
32 exercising their God-given rights.

33 At every stage of these tyrannical oppressions I have petitioned for redress, only to be denied any semblance of true Justice;
34 my repeated petitions have been ignored and then answered by repeated injury. You have destroyed my Peace, Welfare,
35 Dignity, and Happiness, the damage to which have been higher than mere money can repay. According to Natural Law and
36 reason, you should be hanged for your seditious behavior, odious actions and contrived emergencies that have never been
37 legally declared over. You have been deaf to the voice of Justice and of consanguinity. Nor have you been wanting, for
38 information has been conveyed to you from the American nonresidents of your arbitrary dominion and usurpation. The time
39 for correction is now!

40 I must, therefore, denounce your way against me and other Americans so I can live under God's Laws which you proclaimed
41 under P.L. 97-280, not the Noahide law you passed in P.L. 102-14, which destroys this Christian Nation and which shows
42 your pretended constitutions for that which they are. For God, the true Lawgiver (see Isaiah 33:22), acknowledged in the
43 Preamble of each American State, said, "After the doings of the land of Egypt, wherein ye dwelt, shall ye not do: and after
44 the doings of the land of Canaan, whither I bring you, shall ye not do: neither shall ye walk in the [government] ordinances.
45 Ye shall do My judgments, and keep Mine ordinances, to walk therein: I am the Lord your God. Ye shall therefore keep My
46 statutes, and My judgments: which if a man do, shall he live in them: I am the Lord." Leviticus 16:3-5. "Thou shalt make no
47 covenant with them [government] nor with their gods. They shall not dwell in thy land, least they make thee sin against me;
48 for if thou serve their gods, it will surely be a snare unto thee." Exodus 23:32-33.

1 *"Behold, the nations are as a drop in the bucket, and are counted as the small dust on the*
2 *scales."*

3 *[Isaiah 40:15, Bible, NKJV]*

4 *"All nations before Him are as **nothing**, and they are counted by Him **less than nothing***
5 ***and worthless**."*

6 *[Isaiah 40:17, Bible, NKJV]*

7 *"He brings the princes to nothing; He makes the judges of the earth useless."*

8 *[Isaiah 40:23, Bible, NKJV]*

9 *"Indeed **they are all worthless; their works are nothing**; their molded images are wind*
10 *and confusion."*

11 *[Isaiah 41:29, Bible, NKJV]*

12 You have failed to live up to the true intent of Romans 13 of the Holy Bible. As usurping Miscreant Legislators of separate
13 States of America and the United States you have failed. Your laws do not protect me, for you will not protect me from your
14 foreign principal (You are no longer controlled by the people who GRANTED your power). Robin v. Hardaway, 1 Jefferson
15 109 (1772) states:

16 *"A legislature must not obstruct our obedience to Him from whose punishment they cannot*
17 *protect us."*

18 Therefore, we, as the people of America, who gave you the power you now enjoy, must revoke *all* your granted power, and
19 reform or destroy the organization that has no place in America because of the evil and injustice you have institutionalized
20 and fostered in the name of vanity, idolatry, greed and lust for power.

21
22 Upon finding of your fraud, I now declare total separation, retroactively to the very beginning of my life as it should have
23 been, from your arbitrary dominion and seditious actions. My liberties are in imminent danger; they are imperative to my
24 Natural Rights, Duties, Privileges, Immunities, Life, and Property, and that of my posterity. I declare my separate and equal
25 and sovereign station, and exercise my right and duty to throw off and abolish the insolvent de facto, fraudulent, seditious
26 state and United States from my life, for you can no longer truthfully call yourselves "government". When it comes to money,
27 "mafia" has become a more appropriate term to describe your behavior.

28 *"But money demands of you the highest virtues, if you wish to make it or to keep it. Men*
29 *who have no courage, pride, or self-esteem, men who have no moral sense of their right*
30 *to their money and are not willing to defend it as they defend their life, men who*
31 *apologize for being rich--will not remain rich for long. They are the natural bait for the*
32 *swarms of looters that stay under rocks for centuries, but come crawling out at the first*
33 *smell of a man who begs to be forgiven for the guilt of owning wealth. They will hasten*
34 *to relieve him of the guilt--and of his life, as he deserves.*

35 *"Then you will see the rise of the double standard--the men who live by force [the*
36 *government and the IRS and scumbag lawyers], yet count on those who*
37 *live by trade to create the value of their looted money--the men who are the*
38 *hitchhikers of virtue. In a moral society, these are the criminals,*
39 *and the statutes are written to protect you against them. But when*
40 *a society establishes criminals-by-right and looters-by-law--men*
41 *who use force to seize the wealth of DISARMED victims--then*
42 *money becomes its creators' avenger. Such looters [IRS] believe it safe to*
43 *rob defenseless [made ignorant of the law by sneaky lawyers and politicians who run the*
44 *public education system, in this case] men, once they've passed a law to disarm them.*
45 *But their loot becomes the magnet for other looters, who get it from them as they got it.*
46 *Then the race goes, not to the ablest at production, but to those most ruthless at brutality.*

1 ***When force is the standard, the murderer wins over the***
2 ***pickpocket. And then that society vanishes, in a spread of ruins***
3 ***and slaughter.***

4 *"Do you wish to know whether that day is coming? Watch money. **Money is the***
5 ***barometer of a society's virtue.*** *When you see that trading is done, not by*
6 *consent, but by compulsion--when you see that in order to produce, you need to obtain*
7 *permission from men who produce nothing--when you see that money is flowing to those*
8 *who deal, not in goods, but in favors--when you see that men get richer by graft and by*
9 *pull than by work, and your laws don't protect you against them, but protect them against*
10 *you--when you see corruption being rewarded and honesty becoming a self-sacrifice--*
11 *you may know that your society is doomed. Money is so noble a medium that it does not*
12 *compete with guns and it does not make terms with brutality. It will not permit a country*
13 *to survive as half-property, half-loot.*

14 *"Whenever destroyers [the [IRS](#), the [Federal Reserve](#), and the [Department of Justice](#)]*
15 *appear among men, they start by destroying money, for **money is men's***
16 ***protection and the base of a moral existence.*** *Destroyers seize gold and*
17 *leave to its owners a counterfeit pile of paper. This kills all objective standards and*
18 *delivers men into the arbitrary power of an arbitrary setter of values. Gold was an*
19 *objective value, an equivalent of wealth produced. Paper is a mortgage on wealth that*
20 *does not exist, backed by a gun aimed at those who are expected to produce it. **Paper***
21 ***is a check drawn by legal looters upon an account which is not***
22 ***theirs: upon the virtue of the victims.*** *Watch for the day when it becomes,*
23 *marked: 'Account overdrawn.'*

24 *"When you have made evil [government looting through fraud, obfuscation and*
25 *complication of the tax laws, and through vote for sugar-daddies who promise loot] the*
26 *means of survival, do not expect men to remain good. Do not expect them to stay moral*
27 *and lose their lives for the purpose of becoming the fodder of the immoral. Do not expect*
28 *them to produce, when production is punished and looting rewarded. Do not ask, 'Who*
29 *is destroying the world?' You are."*
30 *[Ayn Rand, Atlas Shrugged]*

31 It is stated in the Declaration of Independence:

32 *"That to secure these rights governments are instituted among men.... that whenever any*
33 *form of government becomes destructive to these ends, it is the right of the people to alter*
34 *or abolish it..."*

35 It is recognized in every American State Preamble, that God gave me my natural Rights, NOT you. We are to transmit the
36 same unimpaired to succeeding generations. YOU HAVE FAILED! For as that great principled Man, Patrick Henry Stated
37 on June 5, 1788, and I ask all of You:

38 *"for where, Sir[s] is the responsibility? The yeas and nays will show you nothing, unless*
39 *they be fools as well as knaves: For after having wickedly trampled on the rights of the*
40 *people, they would act as fools indeed, were they [you] to publish and divulge [your]*
41 *iniquity, when they [you] have it equally in their [your] power to suppress and conceal it."*

42 *"...Where is the responsibility-that leading principle in the British government? In that*
43 *government a punishment, certain and inevitable, is provided: But in this, there is no real*
44 *actual punishment for the grossest maladministration. They [you] may go without*
45 *punishment, though they [and now you] commit the most outrageous violations on our*
46 *immunities. That paper may tell me they [you] will be punished. I ask, by what law?*

1 *They[you] must make the law -for there is no existing law to do it. What--will they [you]*
2 *make a law to punish themselves [you haven't yet]? This, sir, is my great objection to the*
3 *constitution, that there is no true responsibility--and that the preservation of our liberty*
4 *depends on the single chance of men being virtuous enough to make laws to punish*
5 *themselves,"*

6 *[Patrick Henry, Stated on June 5, 1788]*

7 You, the Lawmakers, the lawyers, and the judges, by your actions have long relinquished your trust and last ounce of virtue.
8 Therefore, I, an American, declare I will regain my Sovereign status in my native country of America, under God's Law, and
9 will keep it Independent from the United Nations World Order, or any other unlawful control. I will protect myself from
10 your legal plunder and looting with whatever means necessary.

11 *"When governments fear the people there is freedom. When the people fear governments*
12 *there is slavery."*

13 *[Thomas Jefferson]*

14 History has shown how tyrants have been punished. May He have Mercy on your souls, for the Americans dispensing your
15 punishment will not.

16 This Sovereign American is servant only to my Lord, the Supreme Being, and not at the mercy of your pagan god, Baal.

17 The Declaration of Independence states the following:

18 *"We hold these truths to be self-evident, that all men are created equal, that they are*
19 *endowed by their Creator with certain unalienable rights, that among these are life, liberty*
20 *and the pursuit of happiness. That to secure these rights, governments are instituted among*
21 *men, **deriving their just powers from the consent of the governed.**"*
22 *[Thomas Jefferson]*

23 Over the years, the United States government has wantonly and ever more blatantly disregarded the constitutional constraints
24 on its power and usurped the power of the states in violation of the [Tenth Amendment](#) and has thus exceeded the authority
25 delegated to it by the sovereign people in the Constitution. Most of the powers it exercises today are completely without
26 legal authority or justification. Through its criminal agents in a corrupt federal judiciary, it has abused sovereign immunity
27 and official immunity in order to make areas under its control within the "federal zone" into havens for financial terrorists at
28 the IRS, who recklessly disregard my sacred property and constitutional rights for which the government was instituted to
29 protect from the beginning. The only lawfully sanctioned protector of my rights has thus become its *worst* abuser and violator.
30 In this regard, the "D.C." in the term "Washington, D.C." has come to mean for me "District of Criminals". Henceforth, the
31 U.S. government no longer has my *consent* to exercise *any* authority beyond that needed to protect my life, liberty, property,
32 and my Constitutional rights. Because I had a natural right to protect these God given endowments *before* there ever was a
33 government, the exercise of these sovereign stewardship functions over my own person and property through participation in
34 civil functions such as serving on jury duty, voting, and serving in the military, *cannot* and should not be turned into taxable
35 or statutory privileges, and to do so is unconscionable *treason*. Henceforth, any jurisdiction the U.S. government might
36 attempt to assert over this sovereign American beyond that needed by me to participate in the above civil functions is, by
37 implication of the words of Thomas Jefferson in the [Declaration of Independence](#), *nonconsensual and unjust*, and in conflict
38 with God's Laws and will be treated as the naked trespasses of a criminal terrorist organization known as the U.S. government.

39 There are many other corruptions of our de jure republic too numerous to list here which give rise to this firm decision of
40 mine. You may read about these numerous usurpations below:
