DEDICATION

"Not everyone who says to Me, 'Lord, Lord,' shall enter the kingdom of heaven, but he who does the will of My Father in heaven."

[Jesus in [Matt. 7:21](#), Bible, NKJV]

"But why do you call Me 'Lord, Lord,' and not do the things which I say?"

[[Luke 6:46](#), Bible, NKJV]

"My mother and My brothers are these who hear the word of God and do it."

[[Luke 8:21](#), Bible, NKJV]

"He who has [understands and learns] My commandments [laws in [the Bible](#) (OFFSITE LINK)] and keeps them, it is he who loves Me. And he who loves Me will be loved by My Father, and I will love him and manifest Myself to him."

[[John 14:21](#), Bible, NKJV]

"And we have known and believed the love that God has for us. **God is love, and he who abides in love [obedience to God's Laws] abides in [and is a FIDUCIARY of] God, and God in him.**"

[[1 John 4:16](#), Bible, NKJV]

"Now by this we know that we know Him [God], if we keep His commandments. He who says, "I know Him," and does not keep His commandments, is a liar, and the truth is not in him. But whoever keeps His word, truly the love of God is perfected in him. By this we know that we are in Him [His fiduciaries]. He who says he abides in Him [as a fiduciary] ought himself also to walk just as He [Jesus] walked."

[[1 John 2:3-6](#), Bible, NKJV]

And it shall come to pass, **if thou shalt hearken diligently unto the voice of the LORD thy God, to observe and to do all his commandments which I command thee this day, that the LORD thy God will set thee on high above all nations of the earth [SOVEREIGN!]:**

And all these blessings shall come on thee, and overtake thee, if thou shalt hearken unto the voice of the LORD thy God. Blessed shalt thou be in the city, and blessed shalt thou be in the field.

Blessed shall be the fruit of thy body, and the fruit of thy ground, and the fruit of thy cattle, the increase of thy kine, and the flocks of thy sheep.

Blessed shall be thy basket and thy store.

Blessed shalt thou be when thou comest in, and blessed shalt thou be when thou goest out.

The LORD shall cause thine enemies that rise up against thee to be smitten before thy face: they shall come out against thee one way, and flee before thee seven ways.

The LORD shall command the blessing upon thee in thy storehouses, and in all that thou settest thine hand unto; and he shall bless thee in the land which the LORD thy God giveth thee.

The LORD shall establish thee an holy [sanctified] people unto himself, as he hath sworn unto thee, if thou shalt keep the commandments of the LORD thy God, and walk in his ways. And all people of the earth shall see that thou art called by the name of the LORD; and they shall be afraid of thee. And the LORD shall make thee plenteous in goods, in the fruit of thy body, and in the fruit of thy cattle, and in the fruit of thy ground, in the land which the LORD sware unto thy fathers to give thee. The LORD shall open unto thee his good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: and thou shalt lend unto many nations, and thou shalt not borrow. **And the LORD shall make thee the head, and not the tail; and thou shalt be above only [SOVEREIGN!], and thou shalt not be beneath; if that thou hearken unto the commandments of the LORD thy God, which I command thee this day, to observe and to do them: And thou shalt not go aside from any of the words which I command thee this day, to the right hand, or to the left, to go after other [government/political] gods to serve them.**

[Deut. 28:1-14, Bible, NKJV]

"I [God] brought you up from Egypt [slavery] and brought you to the land of which I swore to your fathers; and I said, 'I will never break My covenant with you. And **you shall make no covenant [contract or franchise or agreement of ANY kind] with the inhabitants of this [corrupt pagan] land; you shall tear down their [man/government worshipping socialist] altars.**' But you have not obeyed Me. Why have you done this?"

"Therefore I also said, '**I will not drive them out before you; but they will become as thorns [terrorists and persecutors] in your side and their gods will be a snare [slavery!] to you.**'"

So it was, when the Angel of the LORD spoke these words to all the children of Israel, that the people lifted up their voices and wept."

[Judges 2:1-4, Bible, NKJV]

1 **1 INTRODUCTION**

2 This document summarizes what we call the Ten Commandments of Freedom. These commandments
3 are intended to keep you out of trouble and on a solid footing in all your interactions with governments
4 around the world.

5 These commandments are patterned after the Ten Commandments found in the Holy Bible at Exodus
6 20. The original commandments have been modified to place them in contemporary American terms.

7 Chapter 3 of this document describes the real life application of each commandment, how the
8 commandment is violated, and authorities relating to remedies available to prevent the violations
9 described.

10 This document is patterned after the following wonderful work:

The Institutes of Biblical Law, Rousas Rushdoony, 1973. Covers the Ten Commandments in depth.
Once chapter on each commandment.
<http://chalcedon.edu/store/Biblical+Law/the-institutes-of-biblical-law-volume-i/>

11 The above work devotes one chapter to each of the Ten Commandments within the Holy Bible to show
12 you what lawyers call “the legislative intent” of each of God’s commandments. In a sense, it is like the
13 “annotated version” of God’s statutes and God’s law.

14 For a summary of all of God’s laws organized by subject matter, we highly recommend the following:

1 **2 SUMMARY OF THE TEN COMMANDMENTS**

- 2 1. You shall have no man-made laws before the Creator’s laws. You shall not look to the government
3 as your Savior nor put legislative statutes above my law. The Declaration of Independence
4 recognizes supremacy of the Creator’s law as the source of all law and rights. Do NOT consent to
5 be a slave to your servant government’s statutory laws.
- 6 2. You shall not worship or serve any man, politician, government, president, statute, creation of men,
7 flag, or other graven image. Be jealous of and do not surrender your power or sovereignty over
8 your politician servants.
- 9 3. You shall take oaths in God’s name only, shall honor your oaths, and shall not use God’s name in
10 vain. You shall not tolerate contract breakers or those who compel contracting with government
11 through abuse of franchises. You shall confess the true God and show allegiance to ONLY Him.
12 No man can serve two masters or take oaths to more than one master.
- 13 4. You shall keep the “First-day Sabbath” of Freedom (July 4th) and not permit the government to
14 enslave and control you.
- 15 5. You shall honor your father and mother. You shall protect your family with lethal force from
16 “swarms of officers” that charge, indict, fine, and imprison people in a commercial schemes
17 designed to transfer wealth from the family to the State.
- 18 6. You shall not murder. You shall vigorously protect innocent life (including the unborn) with lethal
19 force, but you must also possess vigorous, moral energy to apply the death penalty to those who
20 wrongfully take innocent life. Both the protection of life and the taking of life are religious duties
21 of man.
- 22 7. You shall not commit adultery. You are to keep your marriage contracts and protect your family
23 from personal transgressions as well as from a government that sanctions fornication, adultery, and
24 sodomy. Adultery includes both sexual adultery and commerce with government.
- 25 8. You shall not steal. You shall not permit your neighbor to steal; nor permit your government to
26 steal under color of law in a sophisticated tax scheme.
- 27 9. You shall not bear false witness. You shall not lie about your status on government forms or allow
28 others to lie about your status or presume a status you don’t expressly consent to. You shall not lie
29 about your neighbor in court nor tolerate being a victim of lies; nor shall you allow yourself to be
30 manipulated by clever and deceitful schemes designed to make you a “human resource” for the
31 benefit of the government.
- 32 10. You shall not covet your neighbor’s property. You shall not allow yourself or your neighbor to fall
33 prey to a commercial plot or taxation scheme, a.k.a. constructive fraud, designed to impoverish
34 you and your neighbor in order to increase the wealth and holdings of the government or a
35 financial elite.
- 36

3 APPLICATION OF EACH COMMANDMENT

3.1 You shall have no man-made laws before the Creator's laws

BACKGROUND: You shall not look to the government as your Savior nor put legislative statutes above my law. The Declaration of Independence recognizes supremacy of the Creator's law as the source of all law and rights. Do NOT consent to be a slave to your servant government's statutory laws. The purpose of this commandment is to prevent worship of gods that DON'T exist or things that the Creator created.

1. Constitutional and natural rights attach to LAND while franchise PRIVILEGES attach to a statutory status. Consequently:
 - 1.1. You don't need to be a "citizen", "resident", or "inhabitant" to have constitutional or natural rights.
 - 1.2. If you were standing on land protected by the constitution, you don't need statutes or a domicile to claim an injury in a constitutional court under the common law.
 - 1.3. PRIVILEGES can only be acquired by your consent. If you never consent or contract with the government, you can't be party to the franchise contract that implements the privilege.
2. The ability to regulate PRIVATE rights is repugnant to the Constitution. Hence:
 - 2.1. All government civil statutory law can and does regulate PUBLIC conduct of PUBLIC officers.
 - 2.2. A government which asserts a right over specific property has the burden of proving on the record of the proceeding the existence of consent to convert the property from PRIVATE to PUBLIC property or to convert ownership of the property from ABSOLUTE to QUALIFIED.

Examples of violations and their remedies:

1. VIOLATION 1.1: By asking the servant for permission in form of a license to marry or work or engage in commercial activity. For example, buying a gun, professional licenses, etc.
 - 1.1. REMEDY 1.1: Don't ask your servant for permission by applying for licenses because the constitution gives you the right to contract and associate with others without government permission. All licenses and franchises substitute the franchise contract in place of God's law and thereby supersede God's law. Only two people can marry and the government cannot interfere with that contract. Art. 1 Section 10. Only slaves need permission and direction from their master to work. By engaging in commercial activity, you are engaging in the private law of contracts, which existed before government.
 - 1.2. AUTHORITIES 1.1:

<http://sedm.org/Forms/FormIndex.htm>
 - 1.1.3. *Government Instituted Slavery Using Franchises*, Form #05.030
<http://sedm.org/Forms/FormIndex.htm>
2. VIOLATION 1.2: By agreeing to be prosecuted for a FAILURE to do something such as file a tax return or get a license. A failure to do something is not a crime and can only be prosecuted as a consequence of consent, a contract, or a franchise.
 - 2.1. REMEDY 1.2: By demanding that they demonstrate the existence of duty that you consented to by contract or agreement under the First Amendment.

1 2.2. AUTHORITIES 1.2:

2 2.2.1. Legal Requirement to File Federal Income Tax Returns, Form #05.009

3 <http://sedm.org/Forms/FormIndex.htm>

4 **3.2 You shall not worship or serve any man, politician, government, president, statute,**
5 **creation of men, flag, or other graven image**

6 BACKGROUND: Be jealous of and do not surrender your power or sovereignty over your politician
7 servants. Do not consent to surrender your absolute right of equality of treatment in relation to any
8 and every government or collective. The purpose of this commandment is to prevent worship of
9 creations of men.

10 1. The origin of the authority of all government to civilly govern is the EXPRESS consent of the
11 governed, according to the Declaration of Independence.

12 *"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator*
13 *with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.--That to secure*
14 *these rights, Governments are instituted among Men, deriving their just powers from the consent of the*
15 *governed. -"*

16 *[Declaration of Independence, 1776]*

17 2. All power exercised by the government is delegated by the People COLLECTIVELY (through
18 voting) and INDIVIDUALLY through APPLICATIONS of some kind. That means that:

19 2.1. You can't delegate what you don't have.

20 2.2. The collective in turn cannot have any more authority than a SINGLE human being, since it is
21 also a "person" like everyone else.

22 2.3. The government can exercise no more authority than the people who delegated said authority
23 to them.

24 2.4. Every statute which claims or protects a government right EQUALLY protects your right to do
25 the same thing against the government.

26 2.5. A government that claims more rights than you and claims a right to demand your civil
27 obedience is practicing a religion in which:

28 2.5.1. "Obedience" acts as a substitute for "worship".

29 2.5.2. They have "super natural" powers, meaning anything more than the natural has. You
30 are the natural being and they are the artificial, and yet have more powers than you.

31 3. Government franchises may not be offered or enforced within constitutional states of the Union
32 because they create or enforce INEQUALITY and make you INFERIOR to the government. They
33 may only be offered or enforced on federal territory because rights are inalienable. When
34 franchises are offered outside of federal territory in a legislatively foreign state:

35 3.1. The Foreign Sovereign Immunities Act, 28 U.S.C. Chapter 97 kicks in and they implicitly
36 waive sovereign immunity and agree to be sued in state court under equity.

37 3.2. The Minimum Contacts Doctrine can be applied to make them liable for the injuries they
38 cause.

39 4. Government franchise courts cannot hear cases against those who didn't lawfully consent to the
40 franchise. This is an unconstitutional Bill of Attainder. Franchise courts include but are not
41 limited to traffic court, family court, and tax court.

42 Examples of violations and their remedies:

1. VIOLATION 2.1: By cooperating with, subsidizing, or consenting to any effort by the government to enforce an authority that you the sovereign have not delegated to them. A sovereign can only delegate a power that it has and the government cannot assume a power that is not expressly delegated in writing.
 - 1.1. REMEDY 2.1: By demanding the written delegation of authority and without it refusing to CONSENT to assumed authority that has not been expressly demonstrated with written legal evidence.
 - 1.2. AUTHORITIES 2.1:
 - 1.2.1. Sovereignty Forms and Instructions Online, Form #10.004, Cites by Topic: Delegation orders
<http://famguardian.org/TaxFreedom/CitesByTopic/DelegationOrders.htm>
2. VIOLATION 2.2: Calling a judge “Your Honor” or “Your Worship” or “Your Excellency”.
 - 2.1. REMEDY 2.2: Calling them “Mr.”, “Mrs.”, or using their first name.
 - 2.2. AUTHORITIES 2.2: Exodus 20:5.
3. VIOLATION 2.3: Bowing or standing for a judge or dignitary, all of whom are servants and not masters.
 - 3.1. REMEDY 2.3: Do not bow or stand for anyone. Enter the room AFTER the requirement to stand or bow has been satisfied.
 - 3.2. AUTHORITIES 2.3: Exodus 20:5
4. VIOLATION 2.4: Using politicians as role models for your behavior or that of your family. Example: Thinking that the English royal family is a model family.
 - 4.1. REMEDY 2.4: Using the Bible as the ABSOLUTE standard for moral or virtuous behavior.
 - 4.2. AUTHORITIES 2.4: Exodus 20:5
5. VIOLATION 2.5: Recognizing or cooperating with any attempt to define “State” as either a corporation or as anything other than THE SOVEREIGN PEOPLE within a specific jurisdiction.
 - 5.1. REMEDY 2.5: Defining the terms “State”, and “United States” as the Sovereign People and not any government or servant within a government. Judges frequently try to define or treat the “State” as a federal corporation in commerce rather than a body politic of Sovereign People. Asking which of the two “States” is being represented in the proceeding: the “body politic” or the “body corporate”. It can only be one.
 - 5.2. AUTHORITIES 2.6:
 - 5.2.1. Corporatization and Privatization of the Government, Form #05.024
<http://sedm.org/Forms/FormIndex.htm>
6. VIOLATION 2.6: Treating any government actor as having any more authority or rights than your very own neighbor next door.
 - 6.1. REMEDY 2.6: Treating government actors the same as your neighbor, and demanding evidence that you EXPRESSLY CONSENTED to any and every civil right they seek to enforce and presuming sovereign immunity just like the government to any civil liability they can’t demonstrate EXPRESS CONSENT to.
 - 6.2. AUTHORITIES 2.6:

1 **3.3 You shall take oaths in Creator's name only, shall honor your oaths, and shall not use**
2 **God's name in vain**

3 **BACKGROUND:** You shall not tolerate contract breakers or those who compel contracting with
4 government through abuse of franchises. You shall confess the true Creator and show allegiance to
5 **ONLY** Him. No man can serve two masters or take oaths to more than one master.

6 Examples of violations and their remedies:

- 7 1. **VIOLATION 3.1:** Participating in the pledge of allegiance, and especially if pledges to the Creator
8 are prohibited in the same situation.
- 9 1.1. **REMEDY 3.1:** Do not participate in the pledge of allegiance. Step out of the room and say a
10 prayer and a pledge to God instead of government.
- 11 1.2. **AUTHORITIES 3.1:**
12 1.2.1.
- 13 2. **VIOLATION 3.2:** Signing a perjury oath on a government form. All perjury oaths define the laws
14 under which the oath is taken, and that law in turn always ends up being law for government and
15 not private human beings. Thus you are volunteering for a government job by taking an oath.
- 16 2.1. **REMEDY 3.2:** Define the words in the perjury oath or the entire oath paragraph to give it a
17 meaning that places you **OUTSIDE** the jurisdiction of laws limited to government and places
18 you under the common law and God's law **ONLY**.
- 19 2.2. **AUTHORITIES 3.2:**
20 6.2.3. *Sovereignty Forms and Instructions Online*, Form #10.004, Cites by Topic: Oath
21 <http://famguardian.org/TaxFreedom/CitesByTopic/oath.htm>
- 22 3. **VIOLATION 3.3:** Invoking God's name when swearing.
- 23 3.1. **REMEDY 3.3:** Do not speak profanities that invoke God's name.
- 24 3.2. **AUTHORITIES 3.3:** Exodus 20:7
- 25 4. **VIOLATION 3.4:** Taking an oath to tell the **WHOLE** truth and then allowing a government judge
26 or prosecutor to interfere with telling the **WHOLE** truth. That's subornation of perjury and it's a
27 crime.
- 28 4.1. **REMEDY 3.4:** When acting as a court witness and the judge or government attorney
29 interrupts your attempt to state things he didn't ask about, filing a criminal complaint against
30 the party and making sure the jury knows that the crime of subornation of perjury has been
31 committed.
- 32 4.2. **AUTHORITIES 3.4:**
33 4.2.1. 18 U.S.C. §1621: Perjury
34 4.2.2. 18 U.S.C. §1622: Subornation of perjury
- 35 5. **VIOLATION 3.5:** When submitting a government form verified by perjury or oath, failing to
36 define all the terms on the form so as to leave room for the judge or government actor to define
37 them in conflict with what you intended on the form or so as to bring you within the jurisdiction of
38 the government.
- 39 5.1. **REMEDY 3.5:** When acting as a court witness and the judge or government attorney
40 interrupts your attempt to state things he didn't ask about, filing a criminal complaint against
41 the party and making sure the jury knows that the crime of subornation of perjury has been
42 committed. Nearly all the criminality that corrupted governments get away with results from
43 filtering the **WHOLE** truth out of the legal or administrative proceeding to make it at least
44 "appear" lawful. Instead, state on the form or when called as a witness:

1 "This form is false, fraudulent, and perjurious unless accompanied by all ___ enclosures, consisting of ___
2 pages."

3 5.2. AUTHORITIES 3.5:

4 5.2.1. 18 U.S.C. §1621: Perjury

5 5.2.2. 18 U.S.C. §1622: Subornation of perjury

6 **3.4 You shall keep the "First-day Sabbath" of Freedom (July 4th) and not permit the**
7 **government to enslave and control you**

8 BACKGROUND: This commandment means 1 through 3 above. The essence of the commandment is
9 to acknowledge that God and not men or even the founding fathers are the source of your rights. The
10 greatest lesson from the Declaration of Independence is that rights come from the Creator, and not any
11 man, government, or ruler.

12 Examples of violations and their remedies:

13 1. VIOLATION 4.1: Identifying any statute or regulation as the source of your rights or identifying
14 with a status in the statutes to which such rights attach.

15 1.1. REMEDY 4.1: The only rights you can claim or recognize are natural rights and those in the
16 Constitution, all of which are not created by government but rather the Creator. All statutory
17 "rights" are in fact privileges which can only be used or possessed by government actors on
18 official business.

19 1.2. AUTHORITIES 4.1:

20 1.2.1. Enumeration of Inalienable Rights, Form #10.012

21 <http://sedm.org/Forms/FormIndex.htm>

22 1.2.2. Government Instituted Slavery Using Franchises, Form #05.030

23 <http://sedm.org/Forms/FormIndex.htm>

24 **3.5 You shall honor your father and mother**

25 BACKGROUND: You shall protect your family with lethal force from "swarms of officers" that charge,
26 indict, fine, and imprison people in a commercial schemes designed to transfer wealth from the family
27 to the State.

28 Examples of violations and their remedies:

29 1. VIOLATION 5.1: Asking a judge for ANYTHING. Judges are coaches and servants, not decision
30 makers. Only the jury, who are the "State" and Sovereign in a republican form of government, can
31 make any decision about law OR facts in the presence of conflict of interest on the part of the judge
32 in cases against the government or government actors.

33 1.1. REMEDY 5.1: File all actions against the government or government actors in court under
34 equity and the common law, and define "court" as the jury and NO ONE in the government.
35 Insist that the judge cannot rule and is committing a crime to rule because he has a criminal
36 conflict of interest as a person representing government. All those making such a decision
37 cannot have a financial stake in the outcome.

3.6 You shall not murder

BACKGROUND: You shall vigorously protect innocent life (including the unborn) with lethal force, but you must also possess vigorous, moral energy to apply the death penalty to those who wrongfully take innocent life. Both the protection of life and the taking of life are religious duties of man.

Examples of violations and their remedies:

1. **VIOLATION 6.1:** Abortion. You bow down to politicians (commandment 2) when a woman conspire with a physician as an accessory to have her half born child murdered. This is an unlawful commercial contract.
 - 1.1. **AUTHORITIES 6.1:**
 - 1.1.1. Exodus 20:13.
 - 1.1.2. 18 U.S.C. §1111: Murder
2. **VIOLATION 6.2:** Euthenasia. You bow down to politicians (commandment 2) when you conspire to murder the old or diseased, and especially if you do so to save you or the government money (commandment 10).
3. **VIOLATION 6.3:** Jury tampering in capital cases. When judges tamper with the jury

3.7 You shall not commit adultery by having intercourse in commerce with any government

BACKGROUND: You are to keep your marriage contracts and protect your family from personal transgressions as well as from a government that sanctions fornication, adultery, and sodomy. Adultery includes both sexual adultery and commerce with government. Black's Law Dictionary defines "commerce" as "intercourse":

"Commerce. ...Intercourse by way of trade and traffic between different peoples or states and the citizens or inhabitants thereof, including not only the purchase, sale, and exchange of commodities, but also the instrumentalities [governments] and agencies by which it is promoted and the means and appliances by which it is carried on..."
[Black's Law Dictionary, Sixth Edition, p. 269]

Examples of violations and their remedies:

1. **VIOLATION 7.1:** Signing up for government "benefits", franchises, or licenses of any kind.
 - 1.1. **REMEDY 7.1:** Do not sign up for any government "benefit" and terminate participation in any and all "benefits" immediately.
 - 1.2. **AUTHORITIES 7.1:**

 - 1.2.3. *Government Instituted Slavery Using Franchises*, Form #05.030
<http://sedm.org/Forms/FormIndex.htm>
2. **VIOLATION 7.2:** Allowing or cooperating with the government in acquiring a commercial right over you that you cannot acquire over them by the same means.
 - 2.1. **REMEDY 7.2:** If they claim they have a right over your earnings because a false information return filed against you without your consent connected you to the duties of a public office, then file a false information return against them and volunteer them into YOUR servitude under YOUR franchise contract and demand equal protection and equal treatment. We call this an "anti-franchise franchise".
 - 2.2. **AUTHORITIES 7.2:**

6.2.4. Requirement for Equal Protection and Equal Treatment, Form #05.033

<http://sedm.org/Forms/FormIndex.htm>

3. VIOLATION 7.3: Sending in tax returns on April 15 to account for the execution of a public office in the government that you don't lawfully occupy and can't lawfully volunteer for.
 - 3.1. REMEDY 7.3: Instead annually send in a criminal complaint rebutting the false information returns filed against you and demanding that the filers be prosecuted for fraudulent returns and impersonating a public officer. It is these false information returns that constitute the false report that links you to a public office in the government and the duties of said office.

3.8 You shall not steal

BACKGROUND: You shall not permit your neighbor to steal; nor permit your government to steal under color of law in a sophisticated tax scheme.

1. The foundation of property rights is the right to exclude ANYONE and EVERYONE from using or benefitting from the property. Anyone who claims to be a government and yet does any of the following is committing FRAUD and acting as an ANTI-government, de facto government, terrorist, and THIEF:
 - 1.1. Allows you to exclude everyone BUT them from using or benefitting from the property.
 - 1.2. Prevents or interferes with ABSOLUTE ownership of a thing.
 - 1.3. Claims the right to tax or regulate the use of the thing absent your express consent.
 - 1.4. Interferes with recording PRIVATE transfers of land or personal property.
2. Real governments are created to protect PRIVATE rights. The very first step in protecting private rights is to PREVENT them from being converted into PUBLIC rights or PUBLIC property WITHOUT the express consent of the owner. A government that won't prevent that kind of conversion is no government at all, but a THIEF that has no claim to our allegiance or support.
3. It is THEFT to convert a CONSTITUTIONAL RIGHT into a STATUTORY PRIVILEGE.

Examples of violations and their remedies:

1. VIOLATION 8.1: Cooperating with or subsidizing efforts to use the government power of taxation to transfer wealth among classes of people. This includes petitioning politicians to use taxation to single out one group of people for the benefit of others.
 - 1.1. REMEDY 8.1: Send in a criminal complaint rebutting the false information returns filed against you and demanding that the filers be prosecuted. It is these false information returns that constitute the false report that links you to a public office in the government and the duties of said office.
 - 1.2. AUTHORITIES 8.1:
 - 3.2.3. *Loan Association v. Topeka, 20 Wall. 655 (1874)*

*"To lay with one hand the power of government on the property of the citizen, and with the other to bestow it on favored individuals.. is none the less robbery because it is done under the forms of law and is called taxation. This is not legislation. It is a decree under legislative forms."
[Loan Association v. Topeka, 20 Wall. 655 (1874)]*

1 3.2.4. *U.S. v. Butler*, [297 U.S. 1](#) (1936)

2 "A tax, in the general understanding of the term and as used in the constitution, signifies an exaction for the
3 support of the government. The word has never thought to connote the expropriation of money from one group
4 for the benefit of another."

5 [U.S. v. Butler, [297 U.S. 1](#) (1936)]

6 3.2.5. James 4:4

7 "Where do wars and fights come from among you? **Do they not come from your desires for pleasure**
8 **[unearned money from the government] that war in your members [and your democratic**
9 **governments]? You lust [after other people's money] and do not have. You murder [the unborn to**
10 **increase your standard of living] and covet [the unearned] and cannot obtain [except by empowering**
11 **your government to STEAL for you!]. You fight and war [against the rich and the nontaxpayers to**
12 **subsidize your idleness]. Yet you do not have because you do not ask [the Lord, but instead ask the**
13 **deceitful government]. You ask and do not receive, because you ask amiss, that you may spend it on**
14 **your pleasures. Adulterers and adulteresses! Do you not know that friendship with the world [or**
15 **the governments of the world] is enmity with God? Whoever therefore wants to be a friend of the**
16 **world [or the governments of the world] makes himself an enemy of God."**

18 3.2.6. *Correcting Erroneous Information Returns*, Form #04.001

19 <http://sedm.org/Forms/FormIndex.htm>

20 2. **VIOLATION 8.2:** Using Social Security for inter-generational theft (stealing from your children
21 and grand children). This includes either paying for Social Security deductions in one's pay or
22 collecting a Social Security benefit check.

23 2.1. **REMEDY 8.2:** Do not sign up for any government "benefit" and terminate participation in
24 any and all "benefits" immediately.

25 2.2. **AUTHORITIES 8.2:**

26 2.2.1. *The Government "Benefits" Scam*, Form #05.040

28 2.2.2. *Resignation of Compelled Social Security Trustee*, Form #06.002

29 <http://sedm.org/Forms/FormIndex.htm>

30 **3.9 You shall not bear false witness**

31 **BACKGROUND:** You shall not lie about your status on government forms or allow others to lie about
32 your status or presume a status you don't expressly consent to. You shall not lie about your neighbor in
33 court nor tolerate being a victim of lies; nor shall you allow yourself to be manipulated by clever and
34 deceitful schemes designed to make you a "human resource" for the benefit of the government.

35 Examples of violations and their remedies:

36 1. **VIOLATION 9.1:** By you filling out government forms **MISREPRESENTING** your sovereign
37 status in order to get what the politicians deceptively tell you are "benefits". **STEALING**
38 (coveting, commandment 10) and **LYING** (false witness against yourself, commandment 9) are
39 NOT "benefits". This is how you consent to be a slave. The sovereign does not need permission
40 from the servant to work, marry, or engage in commercial activities.

41 1.1. **REMEDY 9.1:** By understanding and by you correctly describing and defining all words on
42 government forms to protect your status as sovereign over the servant government.

43 1.2. **AUTHORITIES 9.1:**

44 2. **VIOLATION 9.2:** By providing a number when asked for YOUR "Social Security Number" or
45 "Taxpayer Identification Number". All such numbers are property of the government and not you

1 and can only be used by public officers on official GOVERNMENT business. It is a crime to use
2 them as a PRIVATE person.

3 2.1. REMEDY 9.2: By entering “NONE” in the number block and in parenthesis “(PRIVATE
4 human being and not public officer)”.

10 <http://sedm.org/Forms/FormIndex.htm>

11 3. VIOLATION 9.3: Describing yourself as a “U.S. citizen” on a federal form. This always correctly
12 implies a “national and citizen of the United States” per 8 U.S.C. §1401.

13 3.1. REMEDY 9.3: Describe yourself as “non-citizen national/statutory alien”. Constitutional
14 states of the Union are legislatively (but not constitutionally) foreign in relation to federal law.

20 <http://sedm.org/Forms/FormIndex.htm>

21 4. VIOLATION 9.4: Cooperating with efforts by any judge or government attorney to add things to
22 definitions that don’t expressly appear in the definitions, or to assert jurisdiction over
23 EXCLUSIVELY PRIVATE rights or property. All such efforts cause deception, fraud, consolidate
24 law-making power in the hands of a judge, destroy the separation of powers, and allow “arbitrary
25 discretion” to be exercised that causes the government to become a THIEF.

26 4.1. REMEDY 9.4: Insist that the rules of statutory construction be strictly adhered to in all
27 government legal or enforcement actions. File criminal complaints against any judge or
28 prosecutor who violates the rules of statutory construction to expand or add to definitions and
29 therefore: 1. Enlarge their importance or jurisdiction; 2. STEAL from and enslave people
30 they are supposed to be protecting.

36 **3.10 You shall not covet your neighbor’s property**

37 BACKGROUND: You shall not allow yourself or your neighbor to fall prey to a commercial plot or
38 taxation scheme, a.k.a. constructive fraud, designed to impoverish you and your neighbor in order to
39 increase the wealth and holdings of the government or a financial elite.

40 Examples of violations and their remedies:

41 1. VIOLATION 10.1: Scheming against your neighbor using frivolous litigation.

42 2. VIOLATION 10.2: Feigning injuries in a car accident to collect.

43 3. VIOLATION 10.3: Claiming disability where there is none and getting a doctor to diagnose you
44 with a disability to get disability insurance.

- 1 4. VIOLATION 10.4: Abuse of authority as a jurist or voter to elect politicians who will transfer
- 2 wealth using socialist programs.
- 3 5. VIOLATION 10.5: Theft of property through taxation.

4 COMMANDMENTS OF SLAVERY

The following subsections are provided for you to COMPARE what GOD offers with what GOVERNMENT offers. Throughout human history, God and Government have always competed for the affections, obedience, and allegiance of the people.¹

4.1 Ten Commandments of the U.S. Government

And the Government spoke all these words saying,

I am the Lord thy God, which brought thee out of the land of Europe, Africa, Mexico, and China, out of the house of slavery to King George.

1. Thou shall have no gods before Government; and
2. Thou shall have no laws above the statutes of the state or follow any moral codes from an alleged god who created the heavens and the earth and the water under the earth; Thou shalt not bow down to anything but Government, for I the Lord thy Government am a jealous Corporation visiting the treason of thy founding fathers upon my human resources to put them in prison unto the third, fourth, fifth, sixth, seventh, eighth, ninth, and tenth generation of them that hate Government. And, showing mercy unto millions that contract with me and keep all my statutes; and,
3. Thou shall not take the name of Government in vain or speak despairingly of your career politicians; for the High Priests of the State and our deacon lawyers will not hold him innocent that fails to obey public policy; and,
4. Remember election days and keep them holy. Seven days a week shalt thou labor to support the State. But, every two years there shall be a voting day to the Lord Government: in it, thou shall take off from thy job, you and your children, and fellow slaves, and cattle, and dogs, and those in the grave to cast thy vote; and,
5. Honor your president and congressmen and legislators and members of the BAR that their reign may be long upon the earth which the State has taken from thee; and,
6. You shall not murder your civil rulers or police officers who spread statism and democracy, but you shall support state sanctioned assassination by Navy Seals in faraway lands and state executions of radical anti-government, anti-abortion, anti-homosexual, anti-imperialistic Christian citizens who home school their sons and daughters and who don't believe in the authority of the state over the life, liberty, and property of their children and great grandchildren and great, great grandchildren; and,
7. Thou shall not oppose adultery, divorce, fornication, sodomy, pornography, pedophilia, incest, abortion, Islam, prostitution, transvestophilia, voyeurism, or orgies for this shall be a multicultural society where every man can do what is right in his own eyes; and,
8. Thou shall not steal from the State for the earth and everything on it belongs to the Lord Government; and,
9. Thou shall not bear false witness against thy benevolent Government by calling their officials liars, thieves, and tyrants; nor shall you lie to police officers, politicians, or the IRS, but you shall consider your civil rulers exempt from truth telling because it might threaten national security; and,
10. Thou shall not covet your own income or keep back thy house or taxes or wife or children or possessions or cars or anything of thy neighbors for everything belongs to the Government.

5 *The government is my Shepherd,*
6 *therefore I shall not work.*
7 *It alloweth me to lie down on a good job.*
8 *It leadeth me beside still factories;*
9 *it destroyeth my initiative,*
10 *It leadeth me in the path of a parasite*
11 *for politic's sake.*
12 *Yea, though I walk through the valley*
13 *of laziness and deficit spending,*
14 *I will fear no evil, for the government is with me.*
15 *It prepareth an economic Utopia for me,*
16 *by borrowing from future generations.*
17 *It filleth my head with false security;*
18 *my inefficiency runneth over.*
19 *Surely the government should take care of me*
20 *all the days of my life!*
21 *And I will dwell in a welfare state forever and ever.*
