I, Mi-I-AM Li'Ma'A.A.J.:Bey do not consent to contracting with the City of San Diego, County of San Diego or the State of California. I refute all past, present, and future contracts with any corporate government. There is no extant contract with the above corporate contractors, if so, I refute and rescind the same. The purpose of this document is to "file" my jurisdictional challenge with this corporate court that must halt proceeding and file a written response to my writ of jurisdictional challenge for/on the record for each and all cases wherein I am named as a party. I require a copy of the bonds/insurance contracts of each "judge/judicial officer presiding" and all attorneys who have taken a part in the adjudication of matters "employing" my straw name. NOTE: I will not pay fiat for any documents that I require per MacLeod v. Hoover, 1925; The Clearfield Doctrine, 1942; and the Credit River Decision, 1968. Send documents per instruction "Correct Correspondence Addresses" [Correspond to ALL THREE contacts provided].
