PROPOSED INDIVIDUAL INCOME TAX ASSESSMENT

We have no record of receiving your Form 1040, U.S. Individual Income Tax Return, for the tax year shown above. Therefore, we have computed your tax, penalties, and interest based on income reported to us by your employer(s), bank(s), etc., as shown on page 5 of this letter. We show our computation of your tax on Page 2. Since we computed your tax based on income only, it would be to your advantage to file your return(s) so that you can claim all of the exemptions, deductions, and credits that the law allows you.

Within 30 days from the date of this letter, we must receive one of the following:

1. Your Form 1040 completed and signed, including all schedules and forms, with the cover letter;
2. The "Consent to Assessment and Collection" form on page 4 signed and dated;
3. A statement explaining why you believe you are not required to file, or information you would like us to consider; or
4. Your appeal to the proposed assessment. We've enclosed Publication 5, Appeal Rights and Preparation of Protests for Un agreed Cases, and Publication 1, Your Rights as a Taxpayer. These publications explain your rights concerning assessments and payment of tax.

If you cannot pay the full amount you owe, send as much as you can, and tell us when you can pay the rest. We may be able to arrange a payment agreement if you have filed all of your tax returns. If your contact person does not hear from you within 30 days, we will assess the amount of tax, penalties, and interest shown in our computation based on available income information.

You may order blank tax forms, schedules, instructions and publications by calling 1-800-829-3676 toll free. Please allow 2 weeks from the date of your order for delivery.

If you have questions, you may write or call your contact person listed in this letter. If you write, give us your telephone number and the most convenient time for us to call. Please attach page 1 of this letter to your reply and use the enclosed envelope.

Sincerely,

INTEREST: I.R.C. 6631
Interest due based on statutory interest rates. Additional interest will accrue at the current rate of interest (compounded daily). Interest is charged from the due date of the return to the earlier of the date of payment, 10 days after an agreement to the additional tax is signed, or the assessment date. The interest shown has been computed 30 days from the date of this report, which will allow you to pay the total balance due without an additional charge for accrued interest.

PENALTIES:
Failure-to-file Penalty, I.R.C. 6651(a)(1)
Since you did not file your return within the time prescribed by law, a failure-to-file penalty of 5 percent of the tax due is added for each month that the return is late (not to exceed 25%), or the lesser of $100 or the tax due.

* Failure-to-pay Penalty, I.R.C. 6651(a)(2)
If you did not pay the balance of the tax due within the time prescribed by law, a penalty of 0.5% or the tax due is added for each month the tax remains unpaid (not to exceed a total of 25% of the unpaid amount).

Estimated Tax Penalty, I.R.C. 6651(b)
Since you did not pay sufficient estimated tax, an addition to the tax is charged.

ROUNDING: In arriving at your tax deficiency, amounts have been rounded to the nearest dollar.

STATE EXCHANGE: IRS has exchange agreements with state tax agencies under which information about increases or decreases in federal tax liability is exchanged with states. You should check your state tax return and file an amended return if this change affects your state income tax liability.
